A LEAP YEAR PROPOSAL. We propose, during 1912, to place in many additional Canadian homes an ENTERPRISE MONARCH STEEL RANGE. For the young people who are contemplating starting homes this year and who want to begin right by economizing in time, fuel and labour, as well as for the older housekeepers who wish to begin this year an era of economy, the MONARCH is the range to install in the kitchen. It is giving satisfaction in hundreds of other homes throughout Canada. It will do the same in yours, and will soon pay for itself in the saving in fuel alone. It is fine in appearance, a perfect baker, and on account of its many special features leads the list as "THE RANGE FOR THOSE WHO WANT THE BEST." A post card to our address will bring you an illustrated circular if your dealer does not handle the MONARCH. THE ENTERPRISE FOUNDRY CO, SACKVILLE, N. B.
