Victoria Division S. of T. had a good meeting Monday night, notwithstanding the many other attractions and the absence of the Worthy Patriarch from the city. The Deputy presided. One new member was admitted by card, and received a very hearty welcome from the presiding officer. The committee on Regalia reported having had the officers Regalia renovated and the silver Emblems brightened. They looked very attractive. A short time was spent in hearing addresses. Some of the speakers commended the excellent work now being done by Inspector Jenkins which was in many cases the result of perseverance under difficulties, and urged upon all friends of Prohibition to assist the Inspector in every way possible.

A Mother's Breakdown

Her Health so Shattered Her Children were taken from Her.

It is a sad story, one that is not often heard now-a-days that is told in the following letter by Mrs. Marjorie R. Charlotte, written from her home in Pittsburg: "For about five months I suffered from a complication of disorders, the origin of which my doctor was unable to discover. It was undoubtedly owing to imperfect action of the liver and stomach. I am sure of this because there was a continual weight and painful fullness in my right side and scarcely anything I ate was digested. I also suffered agony with hemorrhoids. A succession of sleepless nights, cruel pains in my side and back combined with the terrible state of my nerves made me wish for death.

"I could do no housework, my sisters took my small children and I despaired of ever getting on my feet again.

"One memorable day a neighbor brought me a box of Dr. Hamilton's Pills which had cured her of troubles similar to mine. To my astonishment, I felt better next day. Gradually all my pains disappeared. I put on flesh, looked healthy, had lots of spirit and a desire to work. Dr. Hamilton's Pills cured me and I know they will work marvels for every woman that uses them."

The one safe dependable medicine for men and women in poor health is Dr. Hamilton's Pills—refuse any substitute. At all dealers, 25c. per box, or five for \$1.00. By mail from The Catarothzone Company, Kingston, Ont.
