

IMPOSSIBLE TO STOOP OR BEND SEVERAL DOCTORS COULD DO NO GOOD.

PAIN IN BACK AND KIDNEYS.

People often say, "How can we know when the kidneys are out of order?" The location of the kidneys, close to the base of the spine, makes it difficult to detect their condition...

Dear's Kidney Pills taken in time, often prevent years of suffering, and in many cases life itself. They stimulate the action of the kidneys, enabling them to perform their duty perfectly.

For the past few years I have been troubled with a very bad pain in my back and kidneys. I had several doctors attend me, but found no relief until I picked up one of your remarkable remedies, Dear's Kidney Pills. I prepared two boxes and their action surprised me, for they completely cured me. I don't think they have an equal for kidney trouble. Dear's Kidney Pills are sold in boxes of 25 and 50 pills. Each box contains a receipt of price by the Dear's Kidney Pills Co., Toronto, Ont.

TO BE DYSPEPTIC IS TO BE MISERABLE

Hopless, Confused and Distressed in Mind, Forgetful, Irrascible, Drowsy, Languid and Uddish.

This disease, known to many forms that there is no cure, is a complaint which is not reasonable in any way or condition. Among the most prominent symptoms are constipation, sour stomach, variable appetite, heartburn, water-brash, gas in the stomach and bowels, distress after eating, etc.

BURDOCK BLOOD BITTERS is a positive cure for dyspepsia, and all diseases of the stomach, liver, bowels or blood. It stimulates secretion of the saliva and gastric juices to facilitate digestion, removes acidity, purifies the blood and tones the entire system to full health and vigor.

Mrs. M. A. McNeil, Beach Village, N.S., writes: "I suffered from dyspepsia, loss of appetite and bad blood. I tried everything I could get but to no purpose. I then finally started to use Burdock Blood Bitters. From the first day I felt the good effects of the medicine. I can eat anything now without any ill after effects and am strong and well again."

Price \$1.00 per bottle or 6 bottles for \$5.00.

ADVERTISING IS BROAD. Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising.

Why a White Light Is the Most Natural

The objection has been made against acetylene that, because it resembles sunlight so closely, it's injurious to the eyesight. It's claimed by these objectors that it's impossible to read under the direct rays of the sun. That if we attempted to do this, our eyes would be quickly dazzled, and if continued in, blindness would result.

The claim is not made for acetylene that it is as powerful a light as sunlight. Acetylene resembles sunlight only in the quality of the light it diffuses—a clear white light. If you could reduce sunlight to the same candle-power as an acetylene burner, you could read under its direct rays without any difficulty. And, naturally, you would do this with more comfort and less fatigue to your eyesight, than with any other known light.

The more nearly any light resembles sunlight—a white light—the more nearly perfect it is. Because, it requires four times as much red light to read by, and five and one-half times as much yellow light, as it does white light. All light other than acetylene light, contains strong yellow and red rays. Therefore all other lights are much more trying on the eyes.

Calcium Carbide produces acetylene light of the highest and most brilliant lighting quality. While you're interested, why not write for further particulars? The Shawinigan Carbide Co., Limited, Montreal.

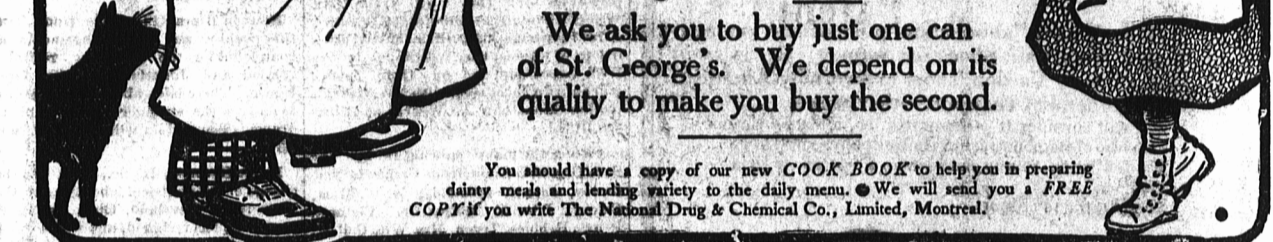

"Mother wants another can of St. George's Baking Powder"

—and she says not to give her any other kind? "Bless your heart!—that's the only Baking-Powder I sell these days. Since your mother, and all the other little girls' mothers, have tried St. George's, they won't use anything else."

"How do you like the Pies and Cakes that Mother makes, now? Fine, eh?" "And Father thinks Mother is a good cook, now? Well, ST. GEORGE'S is doing good in more ways than one."

"I am not a bit surprised at your mother liking ST. GEORGE'S BAKING POWDER. I knew she would. Everybody likes it." "Good-bye."

A pure Cream of Tartar Baking Powder makes white biscuits—while a baking powder containing alum, turns the biscuits yellow. St. George's makes white biscuits. We ask you to buy just one can of St. George's. We depend on its quality to make you buy the second.

You should have a copy of our new COOK BOOK to help you in preparing dainty meals and lending variety to the daily menu. We will send you a FREE COPY if you write The National Drug & Chemical Co., Limited, Montreal.
