Western Guardian

—FOR LATE WESTERN NEWS—
Page 3 is available

—GUARDIANS ON SALE at the Guardian's western office in the McNeill Building, Summerside every day.

—GUARDIAN OFFICE.—The Guardian's Western Office is now located in the McNeill Building, Water St., Summerside, where subscriptions, news or advertising will be received. The phone number is 233.

Eastern Guardian

—EASTERN AGENT.—Mr. J. W. Murdoch is now Guardian agent in Montague and will be pleased to receive news items, advertising, Job Printing, new and renewal subscriptions.

—PROFITABLE YEAR.—East Point Egg Circle is to the front from the fact that one of the members, Mrs. Cyrus Kennedy, Kingsboro, supplied 1188 dozen eggs during the year 1925, 96 percent of these eggs graded extras.

—HEAVY ICE.—The ice in the parts of Northumberland Strait and the Gulf of St. Lawrence about the eastern end of the Island, is of equal volume to that of other years. The many changes of wind show very little open water.

—EASTERN ITEMS.—Mrs. Daniel Murphy, Elmira, who spent the week end visiting friends at Red Point has returned to her home.—Robert Heath, little son of Mr. and Mrs. Ellison Rose, and whose serious illness was reported as having been removed to the Prince Edward Island Hospital.—The death occurred at Black Point last week of Mrs. Michael J. Foley, widow of the late Michael Foley, who some thirty years ago was collector of Customs at Souris and a prominent resident of that town. Mrs. Foley was a sister of the late Chas. McCreary of Souris River.—Mr. Frederick Mossey, Bothwell, who spent the past few months visiting friends in the New England States arrived home about a week ago. After viewing the situation from the standpoint of the working man Mr. Mossey emphatically declares: "There's no place like P. E. Island."—Mr. Cornelius J. McLean, teacher at Red Point, spent the week end at his home in Mitchell River.

—FARMERS INSTITUTE.—The postponed annual meeting of the Lot 46 Farmers' Institute was held in the Baltic Hall on Friday, February 26th. In the absence of the President, Mr. A. A. Fraser

was appointed Chairman. The Secretary reported the total business transacted by the Institute to be \$1189.00 with a balance on the right side of the ledger amounting to some three hundred dollars. After the discussion of many important points of the work of the Institute the Directors met and the following officers were appointed for the ensuing year:—President, Freeman Stewart Esq. Vice Pres.—A. A. Fraser Esq., Secy. John J. Campbell Esq. Directors—Messrs. D. J. Campbell, A. Howard Campbell, Patrick Grady, Peter Rose, Chester McNeill, Jerome Chapman. Eleven cash of pulverized limestone have been ordered and are now on the way from St. John, N. B.

In Memoriam

MR. GEORGE ARBUCKLE.

During the Paardeburg banquet which was held in Charlottetown last week, Dr. Johnston announced the death of Mr. George Arbuckle, one of the Prince Edward Islanders who went to South Africa in the first contingent.

The following notice is taken from the Regina, Sask., Daily Post of Feb. 25th, containing a report of Mr. Arbuckle's funeral. With members of the Royal Canadian Mounted Police for pall-bearers, the funeral of George Angus Arbuckle, well-known Short-horn cattle breeder of the Lemberg district, who died at his home on Monday, was held this afternoon at three o'clock from Speers' Funeral Parlor to the soldier plot in Regina cemetery. Mr. Arbuckle was a veteran of the South African war.

Representatives of the provincial department of agriculture, livestock branch, and cattle breeding organization of the province were floral tributes from personal friends and from the organizations graced the coffin and its surroundings in large numbers. J. G. Robertson, livestock commissioner of the Provincial Government represented the Saskatchewan Cattle Breeders' Association, and Dr. Milton P. McClellan, provincial veterinarian, represented the veterinary surgeons of the province. Representatives of the Saskatchewan Short-horn club and the Regina Exhibition Board were present also. The services at the funeral home and graveside were conducted by Rev. H. D. Letch, minister of Westminster United Church. In charge of Corporeal Smith, R.C.M.P., the pall-bearers were Constables Gray, Colman, Jones, McKenny, Sheridan and Langley. The Last Post at the conclusion of the service at the graveside, was sounded by Trumpeter Clifford, R. C. M. P.

Mrs. Arbuckle, widow of the deceased came to Regina this morning from Lemberg to attend the funeral. Mr. Arbuckle's aged mother lives in Nova Scotia and several half-brothers and sisters live in the Maritime provinces. A short funeral service was held in Lemberg Wednesday before the body was shipped to Regina for burial. (The late George Arbuckle who left this province for the west about twenty-six years ago, was married shortly before leaving, to Florence Rudge, who survives. Deceased enlisted in this city for the South African War and after his return conducted a successful restaurant business on the corner of Queen and Kent Streets.)

HORSEMEN!

There is no better friend in the stable than Minard's. Splendid for sprains, swellings, stiffness.

Dezeng Diagnostic Professional Unit

COMFORT FOR THE PATIENT EFFICIENCY FOR THE OPTOMETRIST

The Dezeng Unit presents a compact selection of scientific instruments that enables the optometrist to cover completely the ocular examination, without the patient leaving the chair and with each individual instrument within instant reach. An important requisite of a refracting outfit is absolute comfort for the patient. This has been accomplished in the Dezeng Unit with adjustable seat, head rest and armrests. The chair can be reclined, raised or lowered and adjusted to the perfect comfort of any patient. A comfortable patient can be more quickly and easily examined. Accuracy and efficiency for the optometrist is accomplished with Dezeng diagnostic instruments of minute precision which are within instant reach and swing before the patient. This Unit is used in all ocular examinations by

H. J. MABON
OPTOMETRIST
Montague, P. E. Island.
Office Connected With Druggists

To obtain power from small streams for country estates or farms a complete hydroelectric plant has been designed, so compact that it does not need a building to house it. A complete electric kitchen, supplied with current by a generator geared to an axle, has been installed in the dining car of an express train running between London and Edinburgh. Capable of a speed of 30 miles an hour, an ice boat has been built in Ohio that is driven by a motorcycle engine geared to an air propeller, its body resembling an airplane fuselage.

BRINGING UP FATHER

SUMMERSIDE HIGH SCHOOL ICE SPORTS GRAND SUCCESS

The 500 or more people who attended the 1st. Ice Sports put on by the pupils of Summerside High School, under the leadership and management of two of the male teachers Messrs. Max Linkletter and Vernon Smith, voted them not only a decided success but enjoyed one of the most entertaining evenings ever given at the Crystal Rink. In the vernacular of the amusement world "there was something doing every minute" and the excellent programme was put through without a hitch and the interest never waned. Interspersed between the various numbers were performances by 12 clowns in very ludicrous rigs. Their antics (led by Gerald) were really funny and brought forth roars of laughter from the crowd. The Burlesque Hockey match by the clowns was a great piece of comedy and the amusement supplied could hardly be eclipsed by professionalists.

The result of the ice races was as follows:—
Relay Race (one mile) between Summerside High School and West Kent won by West Kent. Time 2:14 3-5 sec.

220 Yards (Boys 10 yrs. and under)—1. Dan, McInnis; 2. Art Sullivan; 3. Clarence Steele. Time 25 1-5 sec.

220 Yards Girls (12 and under)—1. Norma Calbeck; 2. Irene Silliphant; 3. Zilpha Linkletter. Time 27 2-5 sec.

440 Yards (Boys 12 yrs. and under)—1. Enza Bowness; 2. Edward Steele; 3. John Gallant. Time 1:57 3-5.

440 Yards (Girls Senior) 1. Irene Linkletter. 2. Gret. Barbour; 3. Bertha Phillips and Audrey Rose. Time 2:01 1-2.

Potato Race—1. Eldon Hickey; 2. Clarence Steele; 3. Elmer Areenault.

380 Yards (Boys 14 and under) 1. Eric Cahill; 2. Lorne Arsenault; 3. Harry Holman. Time—2:25.

1 Mile Senior—1. Frank Woodside 2. Eric Cahill; 3. Fred Moore. Time—4:32 and 2-5.

Obstacle Race—1. Jimmie Dodds; 2. Edward Steele; 3. Enza Bowness. All the races brought out a good entry list and the interest was maintained until the finish line, many of the winners just passing their nearest contender just before the line. Especially close and interesting was the 10 year old in which Dan McInnis took the lead and it was amazing to see the determination with which the youngsters entered into this race. Probably the closest race of the night was the 12 year old (for boys) in which Enza Bowness, who had been skating in 3rd. place until the home stretch, passed and just closed out his nearest competitor.

Junior Basketball At Y. M. C. A.

Maples 6 Pirates 5
Saturday night the Maples met the Pirates and defeated them by one point. The game was always in doubt, both teams having only three men, which meant faster and individual play. J. Campbell of the Maples secured the most points having four to his credit. While Joe Forsythe secured three for the Pirates. T. Hall acted as referee for the game.

The lineup and individual scores were as follows:
Maples Pirates
J. Campbell 4 A. MacLeod 2
A. Brown 3 J. MacLeod 2
D. Nicholson 2 J. Forsythe 2

"Y" Bowling

Special Carmody match
In the third game of the series, the married defeated the single by 271 pins.

Married
Will Carmody 167 252 274
West Carmody 151 179 164

Total—1177
Single
Jim Carmody 139 134 104
Earn Carmody 170 179 180

Total—906
West Kent School League
The second game of series was rolled Saturday afternoon, which resulted in a win for the Bluebirds over the Oreoles by 70 pins. Both teams are now on even basis, so the next game will be a hot one.

To handle the flow of two rivers for a lower plant French engineers have built one of the largest reinforced concrete conduits in the world, having an internal diameter of nearly 19 feet.

in a thrilling finish. Special mention should also be made of the clever skating of Irene Linkletter who won the senior girls race by a good margin. There was a Snow Shoe Race from Gallant Drug Co. in Water St. (at 5.15 p.m.) which was won by Rosamond Richards with Gordon Calbeck a close second and in which James McGougan was 3rd.

The Officials of the Sports were: Starter—Leo Gauthier. Timer—Harold G. Simpson. Announcer—Robt. H. Morrison. Judges—B. Graham Rogers, Herbert Yeo and C. B. Jelly.

THE HOCKEY MATCH.

The hockey match between the Summerside High School team and West Kent, the best and closest hockey match ever played here. The dash and go of the game rivalled a senior contest for continued interest as the pace never slackened—when the boys got a little tired substitutes would be thrown into the fray and as the subs were about as good as the regulars a fast pace was maintained throughout the whole 3 periods.

The West Kent Boys, with out probably over the majority the Charlottetown boys were a bit 'heavier' than their opponents but all in all things were about even and it was anybody's game until the final gong sounded.

In the first period after 5 minutes of play Nicholson of West Kent succeeded in the difficult job of getting one past Frank Woodside, the star goalie of the Summerside team. Although both teams did their utmost for the balance of the period there were no further scores.

In the first of the second period the West Kent Boys seemed to be holding the Summerside High down perfectly and preventing them from getting away to anything like an offensive movement. But the Summerside boys managed to work down to the West Kent goal when W. Woodside scored from a pass to centre. Shortly afterwards V. Groom saw his chance and broke through for a brilliant run from end to end and never stopped until he had landed the rubber in the West Kent goal. The second period ended 2-1 for the Summerside High School.

The start of the third period was just the opposite of the start of the second as the Summerside boys seemed to be holding the West Kent boys powerless to score or even get into Summerside territory. But as it looked as if West Kent was completely controlled by Summerside Bevin broke through for a nice run for a goal which tied the score. Shortly after Murley secured the puck from a pass and scored the third and winning goal of the game for West Kent. The game ended 3-2 for West Kent.

Mr. Leo Gauthier made a capable referee.

The following was the line-up:
Summerside West Kent
F. Woodside Goal Ward
Defence
V. Groom Murley A. Horne
N. Pritchard Bevin R. Jamieson
W. Woodside Squarebriggs K. Jamieson
