

MONDAY
SERIOUSLY ILL—The many friends of Messrs Thomas Baglole and Joseph Cameron, Southwest, Lot 16, regret to learn of their serious illness. Mr. Baglole, who has cancer of the face, has made two trips to the Royal Victoria Hospital Montreal, for treatment.

JOINS LABORATORY STAFF
Dr. J. E. Kingscott, of Brantford Ontario, arrived in Summerside on Saturday night to take up his duties as pathologist on the staff of Dr. J. R. Cunningham. Dr. Kingscott, who is accompanied by his wife, will spend the next three years in Summerside principally in laboratory work.

WINS HIGH HONORS.—The many friends of Messrs. H. E. Foster of Charlottetown and C. A. Yeoman of Northam P. E. Island will be pleased to learn that both these young students have won exceptionally high honors in Classics at Dalhousie University. Their cuts have appeared in a recent issue of a Halifax exchange.

SUMMERSIDE LOSES VALUABLE CITIZENS.—Summerside loses two valuable and genial citizens in the persons of Rev. J. C. Martin and his popular wife, who intend leaving soon for their new home at Morrell where they will in future reside. Mrs. Martin is the daughter of Mr. Martin's early activities in the ministerial field and both he and Mrs. Martin thus go back to scenes of past days and old friends.

CLEVER ISLAND LADY.—The Halifax Chronicle of Saturday, May 11th contains a splendid cut of Miss Charlotte Munn, daughter of Mr. and Mrs. J. R. Munn, of Marshfield, P. E. I. who has distinguished herself this year in medicine at Dalhousie University. The Chronicle has in part: Miss Munn is the only woman in a class of 25 graduating in Medicine at Dalhousie this year. The "Meds" say that Miss Munn brought them luck, as not a member of the class was "plucked."

GETS TWO YEARS.—The case of "gross indecency" in which a local man was arrested came before His Honor Stipendiary Magistrate Friday afternoon at 4 o'clock. The prisoner was examined by Dr. McIntosh, medical superintendent of Falconwood Hospital and Dr. Yeoman who reported him "mentally responsible." On the advice of his counsel the prisoner pleaded guilty and was remanded until 1 o'clock Saturday for sentence. No evidence being necessary. The prisoner appeared before His Honor at 1 o'clock and was sentenced to two years in Dorchester Penitentiary.

Mr. Fred Gillespie, of Keno City, Yukon territory, accompanied by his wife and two children, arrived in Charlottetown on Friday afternoon at 4 o'clock. Mr. Gillespie, Mining Commissioner residing at Mayo, in the Yukon is in this province on a visit to his father Mr. George Gillespie of Clyde River. In conversation with a representative of The Guardian, Mr. Gillespie said that he has been absent from Charlottetown for thirty three years, twenty seven of which were spent in the Yukon, where he is now the proprietor of two mines—the "Mae-sal" and "Blue Stone"—from which silver and lead are obtained. In this connection, he expressed himself as very optimistic regarding the future of the Yukon as a field for mining operations, the mineral deposits, in his opinion, being among the most extensive and finest in the world.

Mr. Gillespie is the discoverer of the Mineral Gillespie, which is proving itself of much value in the processes of tempering steel. Not only are minerals present in large quantities in the Yukon. The country also abounds in game of all sorts, such as Moose, Caribou, bear and Mountain Sheep being plentiful. As also two or three different varieties of grouse and partridge, also Ptarmigan—a species closely related to the partridge, but smaller. Spring comes quickly in the Yukon. As with the Yukon, at present it would hardly be more than two weeks behind this Province. In consequence, potatoes, cabbage and all ordinary garden vegetables except corn and tomatoes can be grown in the valleys. Wild raspberries, blue berries and such small fruit occur in profusion. As with the Yukon, the lack of transportation is the great problem. Mr. Gillespie, in coming East, left Keno City by dog team, travelling thus forty miles to Mayo, from whence he proceeded by aeroplane to White Horse, which is connected by rail to Skagway, Alaska. It is a day trip by steamship from here down the coast to Vancouver. As the ship passes through the islands scattered along the shores of Alaska it is a very picturesque voyage. Mr. Gillespie expects to remain in this province until about the middle of June, when he will leave on return to Keno City.

TUESDAY
DEPARTURE REGRETTED.—We regret to learn that the Rev. Joseph Gallant has been obliged by failing health to give up his duties as pastor of Wellington parish and remove to the Sacred Heart Home, Charlottetown. Fr. Gallant will be greatly missed by his parishioners who will sincerely wish and pray for his ultimate recovery to health.

DIED THIS MORNING.—The death occurred at the P. E. Island Hospital at an early hour this morning of Mr. George L. Simmons who was the victim of an unfortunate automobile accident on Sunday. The injured man, who was suffering from a fractured skull and a fractured leg, passed away without regaining consciousness.

ISLANDER DEAD.—Word has been received in this city of the accidental death in Minneapolis of James Elmer Lowther, aged twenty-one years, son of Mr. Leigh and the late Mrs. Lowther of North Carleton, P. E. I. The telegram stated the young man was killed Sunday, May 13th in an automobile accident. His brother Wilfred left with the body and on arrival in North Carleton, funeral notice will be announced.

ARCHB. O'LEARY COMES EAST.—His Grace Most Rev. H. J. O'Leary left Edmonton on May 3, says the Bulletin, for a prolonged visit to the East. He will stop at Winnipeg to visit Archbishop Sinnott, and will visit some of the eastern American cities before going to his old home in Charlottetown. It is expected that His Grace will be in the city for the closing exercises of St. Dunstan's University, his old college. He was accompanied by Father Joseph Miksa, of Holy Rosary church, and is not expected back in Edmonton before the end of June. —Saint John Telegraph Journal.

FORMER ISLANDER.—Word has been received of the recent death of Mr. Gabriel McKinnon in Bangor, Maine. Mr. McKinnon was born about sixty-five years ago at Grand River Ferry, being the son of the late James McKinnon and his wife Mary Gillis. He had lived most of his life in the United States and during recent years had been a valued employee of the Lincoln Ship and Paper Co., of Bangor. During his life he was visited by his reverend pastor who administered the last consoling rites of Holy Mother Church. His remains were laid to rest in the Catholic Cemetery, Bangor. —N.

PAINFUL INJURY.—Mr. Chester Palmer is confined to his residence, suffering from the effects of a painful accident which came very nearly depriving him of the sight of his left eye. When the schooner James William was reported off Sea Cow Head on Tuesday night he volunteered to go out to her with the owner, then starting in Mr. Arthur Grady's gasoline boat to bring her in. The sea was very choppy and when Mr. Palmer was changing his position a sudden pitch of the boat threw him headlong into the engine pit, where his head was caught by the fast revolving fly wheel. When brought back to the Prince Edward Hospital it was found that he had sustained a bad cut above and beneath the left eye, the upper lid being torn right off and the lower lid cut severely. It took over 30 stitches to repair them. The left side of the face was also lacerated and the shoulder bruised. It was feared that Mr. Palmer would lose the left eye, but his friends will be glad to know that such is not the case, and he is now progressing favorably.

Unquestionably Stands Supreme.

Many will be saddened to hear of the death of Mr. John M. Sample, who passed away on the morning of April 23rd at the age of 76 years. Stricken with that dreadful disease pneumonia, all that medical skill and tenderest care of loving hands could accomplish was of no avail. He bore his illness with unbending confidence in God's holy will. The news of his passing away is deeply regretted by a wide circle of friends at home and abroad as he was a man of many excellent qualities, a kind neighbor and a true friend. Mr. Sample was the son of the late Mr. and Mrs. Robert Sample and a life long resident of Montague.

SERIOUS LOSS.—A barn belonging to Mr. George Shaw, Cape Wolfe, was burned to the ground a few nights ago with all its contents, including hay, sleighs, farm implements, etc. The neighbors who gathered, worked hard, and although unable to save the contents of the building, helped to keep the fire from spreading to the adjacent buildings.

SAD DEATH.—Mr. Nell J. MacDonald who sustained a broken leg about ten days ago while in the act of catching a hog for butcher, died at his home in Hermanville, Friday from, it is generally thought, the effects of the fracture. The leg was set soon after the accident, and all his friends thought he would be around again in a few weeks, but on the contrary were shocked to learn of his sudden death. He was in his 70th year and was always a hard working man, whether at fishing or farming. He was a noted fisherman.

At 97 West Brookline St., Boston Mass., on the 2nd of May, inst., pneumonia, Miss Brigid McCourt, formerly of Newton, Lot 26, P. E. I., at the age of 71 years.

Her funeral was held on the 4th inst. when a Requiem Mass was celebrated in the Cathedral, and interment took place in St. Benedict's Cemetery. Her demise occurred at the residence of her sister, Miss Elizabeth McCourt, also of Brookline St., Boston, where many friends visited to show their respect and sympathy for the bereaved relatives. May she rest in peace.

ATTENDING CONFERENCE.—Among those returning the latter part of the week from attending the Maritime Conference Branch of the Women's Missionary Society of the United Church of Canada, which met last week in St. John, N. B., were: Mrs. F. E. Boothroyd, York; Mrs. Reynolds, Bedouque; Mrs. F. H. Littlejohns, Pownal; Mrs. E. H. Ramsay, Charlottetown; Mrs. E. M. Adams, Lot 16; Mrs. M. Heatherdale; Mrs. D. M. MacLeod, Hunter River; Mrs. W. T. Weir, Stanley Bridge; Mrs. Harold Nelson, Charlottetown; and Miss Mae McGregor, Clifton.

IN LITERARY CIRCLES.—Readers of The Guardian will be interested to know that two Prince Edward Island students will guide the destinies of the "Argosy," the weekly and tri-annual publication of Mount Allison University during the next year. Mr. Fred H. Wigmore, son of Mr. Thomas Wigmore, Graham's Road, has been elected editor-in-chief, and Mr. C. Fred Black, son of Mr. Charles Black, Charlottetown, has been chosen as his assistant editor. The "Argosy" as a literary and college publication, has an enviable reputation, and it is confidently expected that this reputation will be worthily upheld during the next college year.

Mr. George L. Simmons, who was terribly injured on Sunday afternoon while on his way home from Church and under the tragic circumstances as already reported died in the Prince Edward Island Hospital without regaining consciousness.

Mr. Simmons was fifty four years of age and was the son of Mr. and Mrs. George H. Simmons of Charlottetown Royalty. He was associated with his father in the manufacture of ginger ale and other temperate beverages. Since his father was laid up on account of injuries the main responsibility for carrying on the business devolved on him. He was in every way a splendid citizen and of deep religious convictions. For many years he was an active member of the Baptist Church, holding the office of deacon up to the time of his death. He was formerly superintendent of the Sunday School, discharging his duties with efficiency and fidelity. He leaves to mourn a widow, one son Louis, student in Acadia University, who arrived home Monday night, and two daughters, Patricia and Evelyn, also besides his parents, one sister, Ethel, and five brothers, Benjamin and John at home, Frank of W. W. Wellner, Ltd., Charlottetown; Horace in Winnipeg and Charles in Saint John. The deep sympathy of the citizens goes out to the relatives in their great bereavement.

They visited many interesting points en route and had a delightful journey without mishap until yesterday, when after leaving their car parked for a short while, in this city they discovered someone had helped themselves to the spare tire which had come so safely for such a long distance. The party intended spending several months on the Island visiting their old home and numerous relatives at East Point.
