GERMANY OPPOSES BOXING AT HER OLYMPIC GAMES.

STOCKHOLM, Dec. 22—The general secretary of the Olympic games to be held in Berlin in 1916, Mr. Diem, has been spending some time in Stockholm to gather information from the Swedish committee which conducted the successful meeting of 1912. Mr. Diem told the correspondent of the Associated Press that the German games would be conducted on the same lines as were the Swedish, with one central body and different committees for various branches of sport.

The stadium in Berlin, which is nearing completion, will contain a large running track, surrounded by a cycling track. The running track will be 666 metres long and there will be plenty of room on the green inside for field sports.

The Berlin stadium will cost $800,000.

At the next Olympic congress Germany will propose that fancy cycling and figure skating in an ice rink be added to the Olympic program, and will strongly oppose the inclusion of boxing. The Germans, do not understand boxing at all, said Mr. Diem, and consider it a barbarous sport. Germany probably will be opposed on this point by the United States, England, Sweden and Denmark, nations which have favored boxing.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh cure. Send for circulars free.

PRESBYTERY

The Presbytery of Prince Edward Island met at St. Peter's Bay, and within the Presbyterian Church there, on Monday, the twenty-third day of December, one thousand nine hundred and twelve years, at eleven o'clock in the forenoon, pursuant to adjournment, and was constituted by Mr. R. P. Murray, Moderator, pro tempore, besides whom were present Messrs. A. D. McIntosh, G. C. Taylor, M. N. McLeod, A. Craise, ministers, and M. McInnis, elder.

The edict of the induction of Mr. J. M. McLeod having been returned as duly served, proclamation was made before the assembled congregation, and no objection being offered to the life or doctrine of Mr. McLeod, Mr. G. C. Taylor conducted public worship, and preached from the Book of Revelation, the first chapter, and the seventeenth verse, and the words, And when I saw him, I fell at his feet as dead. And he laid his right hand upon me. The Moderator narrated the steps leading to the settlement, and put the usual questions to the minister-elect, which were satisfactorily answered. He then by prayer and the right hand of fellowship inducted Mr. J. M. McLeod into the pastoral charge of the congregation of St. Peter's, Marie and Cable Head. The other members of Presbytery also welcomed Mr. McLeod. Mr. A. D. McIntosh addressed the newly-inducted minister, and Mr. R. P. Murray the people in suitable terms. Mr. McLeod signified his willingness to sign the formula and his name was placed on the roll of Presbytery. On motion it was decided to apply to the Home Mission Board, in behalf of Mr. C.G. Townsend, for eleven dollars and fifty cents ($11.50) for pulpit supply at Tryon, Hampton and Bonshaw upon two Sabbaths, namely, November the twenty-fourth and December the first.

Presbytery then adjourned to meet at Wood Islands, and within the Presbyterian Church there, on Tuesday, the twenty-fourth day of December instant, at seven, o'clock in the evening for the induction of Mr. John Gillis, of which public intimation was made, and this sederunt was closed with the benediction.

A. CRAISE,
Presbytery Clerk.

ALWAYS CONSULT THE PHONE DIRECTORY.

Almost every day the Guardian receives orders by mail to insert news matter of an advertising nature. In most of these cases the senders, who are frequently not known to any member of the staff and who have no account in the advertising department, write "Please insert the following and oblige," thus apparently implying that they think the items will be inserted free. Only a few weeks ago a reader wrote asking that his advertisement of Farm for Sale be inserted free from day to day until he cancelled it, as he is a subscriber to The Guardian. In this connection it may be said that the subscription price is not sufficient to even pay the actual cost of paper, ink, presswork, mailing, bookkeeping and other expenses of the Circulation department proper, and thus subscribers have no privileges of free advertising and are on the same footing as non subscribers. Seldom ever does the sender state whether the item is to appear in the Morning Daily or in the Evening Daily, whether for one or more times in either Daily, or in both, whether as a display advertisement, announcement, business local, classified ad or otherwise. When for church or charitable purposes they seldom ever say so, or do not enclose sufficient money to pay for same, all of which will be returned by first mail in the event of the item not being chargeable, or if more money is sent than necessary to pay for the item the surplus will be returned at once, there being a greater discount for cash with order for advertising of churches &c than for regular business. In all such cases the Advertising department communicates with the sender as quickly as possible by mail or phone, often paying the messenger service to get them to the telephone if not too far distant, thus saving all possible time. People write this office to know if News, Letters to Editor, etc., are charged for, and to all such there is but one reply—all items etc, of a money making nature, even though they be somewhat of a news nature, are chargeable. For instance, the advance notice or notices of a concert, lecture, pie social, picnic, etc., are chargeable if there is an admission fee, silver collection, sale of pies or sale of food or refreshments, etc. Advance notices of purely religious services, even though a silver collection is to be taken up, are not chargeable. The particulars of any of the above, after they have been held, are, however, news and thus not chargeable. The news of any past, present or future business, which is still being conducted, is chargeable, if it is apparent that the object is to make the business more widely known and thus increase it. Verses accompanying death notices are also chargeable. Even items which are actual news and not chargeable but once in either Morning Daily or Evening Daily or both are chargeable for more than one insertion, as they are thus not news.

The above facts are given for the purpose of assisting persons who have items, etc., to mail to this office, so that delay and disappointment will be avoided.

SHERMAN ESTATE WORTH $400,000.

UTICA, N. Y., Dec. 23—Evidence produced before the tax appraiser today indicates that the estate of James S. Sherman, formerly Vice President, amounts to at least $400,000, and may possibly be somewhat larger.

The estate consists entirely of stocks, bonds and securities, as the real estate is all in Mrs. Sherman's name. Sherill Babcock, brother of Mrs. Sherman, is the executor.

It was shown that from the estate a mausoleum to cost $20,000 is to be erected for Mr. Sherman's body, and that the rental of a house in Washington at $5,000 a year must be paid till March next. On Mr. Sherman's fifty eighth birthday, a short time before his death, he gave to each of his sons $1,000 and told them that on election day when he went to vote he would give each one $10,000, but he did not live till election day. It was testified that Mr. Sherman on numerous occasions had given to members of his family large sums of money and considerable blocks of stock in enterprises in which he was interested.

FINDS HER MOTHER AFTER 30 YEARS

BETHLEHEM, N. H., Dec. 22.—Mrs. Anna Miles, who had considered herself an orphan and without a living relative for over 30 years, found her mother and four brothers in Woodstock yesterday.

The discovery, which the long-lost daughter as well as the mother considers in the light of their most acceptable Christmas present, was accomplished by Mrs. Lucia Sargent of Bethlehem.

While visiting in North Woodstock, Mrs. Sargent learned that Mrs. Maria Knowles of Woodstock, had never been able to find the daughter, Anna, whom she and her husband had lost sight of over 30 years ago, when Mrs. Miles' father, incapacitated by an accident, had to allow the family to become separated.

Mrs. Sargent connected the story with the story of her neighbor, Mrs. Miles, and investigated, with the result of uniting the separated ones.

CHICKEN STEW $1,000 A PLATE.

NEW ORLEANS, La., Dec. 23—Chicken stew at $1,000 a plate and eggs at $10 each were features at the annual exhibition of the New Orleans Poultry Breeders' Association's opening here today.

More than two thousand fancy fowl from various parts of the United States were on exhibition, and owners of Black Gordons gave persons who are worried about the high cost of living something to think about when they put the price of a Gordon stew at $1,000 and oof a Gordon eggs at $10.

It was at once decided that Gordon chickens are not good eating chickens.

SUFFRAGIST ARMY GAINS NEW MARCHERS.

POUGHKEEPSIE, N. Y., Dec. 23—With its marching forces augmented by another private, General Rosalie Jones' army of suffragists continued the march to Albany this morning and reached Rhinebeck just before six o'clock tonight after a sixteen mile hike. The new recruit is Miss Gladys Coursen, of this city, who will "stick through," she says, "until the State Capitol is reached."

Many witnessed the march out of Poughkeepsie, and one young woman on the curb yelled, "What do you think you are doing?" General Jones turned about, replied, "We are trying to help your future," and amid applause continued on the way.

At Rhinebeck the suffragists made several addresses and attended church in the evening.
