MORRIS & SMITH

THE PRINCE COUNTY GUARDIAN

Offices in Summerside Fred. Tantor, Manager; and in Alberton Herbert Clark Manager.

—Miss Fitzgerald of Charlottetown, is the guest of Mrs. Mahon, Inglis Street, for a few weeks.

—A quiet marriage took place last evening at the home of the bride's mother Mrs. James Marchbanks, New Annan, when her daughter Clara Isabel was united in marriage to Samuel Stafford, South Bedouque, by the Rev. M. McIntosh, B. A. The bride was very prettily gowned in cream mohair with silk trimmings to match and was unattended. After partaking of a sumptuous supper the happy couple left for their future home in South Bedouque.

—Crowds of customers from town and country are taking advantage of the great change in business sale now going on at Sinclair & Stewart's, Summerside. Everyone who has visited the store realizes that it is a genuine sale and that the discounts are just as advertised, off their lowest cash prices. This is one of the greatest opportunities ever given the people of this province to select from a stock such as this at prices in many cases below present cost of manufacturing.

—Notwithstanding the many other attractions Fairland in Summerside was again crowded last night, Hansome the magician, is continuing to attract the people. The sleight of hand tricks are both clever and mystifying and his act is on the whole an entertainment in itself. The pictures were some of the best ever seen here and the illustrated song, While I have you, has proved a great favorite here as it has in other cities. Tonight Prof. Hansome will again perform and there will be an entire change of pictures. No doubt there will be a large attendance.

Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

To the Electors of the City of Charlottetown

LADIES AND GENTLEMEN.—At the solicitation of a large number of electors of the city to offer for the Mayoralty, I have decided to be a candidate for that honorable position, believing that the position should be best filled by a member of the council.

I have served at the council board as representative of Ward 4 for four years, and for the past two years as chairman of the Street Committee, my record in that capacity is before you. I am in favor of still proceeding with permanent improvements as long as they can be made within our revenue without adding any more to our taxation. I am not in favor of selling debentures at less than par, and may say, since I have been in the council it has never been done.

If I am elected I shall do all in my power to justify your confidence in me. While retiring from my position at the Council Board, I wish to heartily thank my friends and supporters in Ward 4 for their past kindness, and to ask them to again exercise that same hearty support in my election to the new position.

Always your servant,
