RAILROAD MAN HAD TO LAY OFF

Until He Took GIN PILLS. Buffalo, N. Y. I have been a Pullman conductor on the C. P. R. and Michigan Central for the last three years.

About four years ago, I was laid up with intense pain in the groin, a very sore back, and suffered most severely when I tried to urinate. I treated with my family physician for two months for Gravel in the Bladder but did not receive any benefit.

About that time, I met another railroad man who had been cured by GIN PILLS, after having been given up by a prominent physician who treated him for Diabetes. He is now running on the road and is perfectly cured. He strongly advised me to try GIN PILLS which I did—with the results that the pains left me entirely.

The Double Work of the Blood

The circulation of the blood is one of the most perfect pieces of mechanism in the universe. Besides carrying nourishment to every part of the body, the blood collects the waste products and passes through the kidneys in order that these poisons may be eliminated.

Hence you see the tremendous importance of keeping the kidneys in healthful working order so that they free the blood of these impurities before they find lodgment in some weak spot and set up serious disease.

Aching back and aching head, troubles with the digestion, deposits in the urine, constipation and biliousness—such are the symptoms which indicate the need of Dr. Chase's Kidney-Liver Pills. The liver is awakened to action, the bowels regulated, and the kidneys made vigorous in their work of purifying the blood.

In the great majority of homes Dr. Chase's Kidney-Liver Pills are kept at hand for use in just such cases. They save many doctor bills, and by keeping the digestive and excretive systems in health do much to prolong life and bring comfort in old age.

TO THE ELECTORS OF WARD ONE

LADIES & GENTLEMEN At the request of a number of the Electors of Ward One I have nominated for re-election to the City Council at forthcoming civic election and take this opportunity of soliciting your support.

At the request of several delegations, and in response to your large signed requisition, and as I was nominated at a large meeting of the electors of this ward, in my absence, I now am in your hands as a candidate for councillor, for this most important ward, at the forthcoming civic election. Although I did not seek the nomination, I am deeply sensible of the very warm expressions of good-will toward me that I have received from the electors in all parts of the ward. As the civic elections are by ballots, I hold that it would therefore be inconsistent for me to make a personal canvass; the very meaning of ballot is that the voter should enjoy the right of freely expressing his opinion at the polls without fear, favor, or affection. The choice should be yours to elect whom you please, and should I be elected, I will make but one promise only, namely, to serve your interests to the very best of my ability. 1914 is likely to be one of the most important years in the history of this Garden Province, and it behooves all of us to be alive to this fact and to see that the capital city is governed fairly and wisely, ever keeping in view all possible progress consistent with due economy.

Yours respectfully, THOMAS CAMPBELL, C. C. 1072-2-M5i 1057-24M6i

To the Electors of the City of Charlottetown: LADIES AND GENTLEMEN:--

At the urgent request of a large number of influential business men, I have decided to contest the City for the Mayoralty at the forthcoming Civic Election. If you do me the honor to elect me, I will endeavor to do all in my power to further the best interests of our City.

As the time is short, it will be impossible for me to make a personal canvass. I therefore take this opportunity of soliciting your support. I am, Ladies and Gentlemen,

Yours most sincerely, R. H. STERNS

January 22, 1914. 4119.

To the Electors of the City of Charlottetown-- Ladies and Gentlemen

Having been waited upon by a delegation from the voters of this City and presented with a largely signed requisition asking me to contest the City at the forthcoming Municipal election for the position of Mayor, and, after mature consideration, I have consented. With an experience of twenty-four years at the Council Board, during which time I served the people faithfully, and, if elected to the honorable position of Mayor, I will do likewise, and, with the aid of the Council, endeavor to carry on the business of our City in the interests of the tax-payers. As it will be impossible for me to make a personal canvass, I respectfully ask the electors to give me their support.

I am, Ladies and Gentlemen Yours Alexander Horne

3891-1-16Mimwtf.

To the Electors of Ward Three

LADIES & GENTLEMEN: Having received a petition signed by over thirty of the principal residents inviting me to come forward as a candidate for the representation of your ward in the City Council I have decided, after due consideration, to accede to their request.

I have been a resident of the city all my life and in the whole of my business career have been associated with Ward 3. I am personally known to the majority of the electors and am familiar with their wants and aspirations in the matter of municipal progress and reform.

My experience as a member of the Fire Department for the past twenty years enables me to speak with authority on the requirements of the city in this connection, and I recognize the necessity of keeping the department up to the highest possible standard of efficiency consistent with economy.

The question of improving the condition of our streets will receive my best attention. While a great deal is being done towards improving these, much still remains to be done. I would make it part of my duty to see that the streets in ward 3, especially the side streets, receive a fair share of the expenditure for this purpose.

I have always considered that Charlottetown ought to be one of the foremost cities in Canada and my aim shall be, if elected, to do everything in my power to make it so.

Any electors who may desire to have further particulars as to my views on public matters I shall be glad to confer with at my place of business or by appointment otherwise. I am, yours obediently, R. B. RATTRAY

To Civic Electors To the Electors of Ward One:

LADIES AND GENTLEMEN:-- At the solicitation of a largely representative delegation of voters of the Ward, I have consented to their request and offer myself as a candidate for Councillor at the forthcoming civic election.

I am of the belief, with the great majority of the Ward that the Councillor-elect should be a resident of the Ward he represents and thereby in touch with its requirements. I am in favor of economy in the various civic departments, whilst not neglecting civic improvements, but am opposed to any innovation that will unnecessarily increase the taxes of citizens without first consulting my supporters.

I am in favor of cheaper water and more light along the approaches to the city which I claim has been neglected in the past, and that some of the taxes collected in the Ward be spent therein; also of better protection.

Ladies and gentlemen electors, I may say the time is too short to call on you all personally, so I take this means of soliciting your support, and if you do me the honor of electing me to the Council, I will endeavor to serve the best interests of the Ward and City. I remain, ladies and gentlemen, Yours truly, L. A. SMITH. Charlottetown, Jan. 26, 1914. 4174-1-27Mtd.

TO THE ELECTORS OF WARD FIVE

LADIES AND GENTLEMEN:-- At the request of several delegations, and in response to your large signed requisition, and as I was nominated at a large meeting of the electors of this ward, in my absence, I now am in your hands as a candidate for councillor, for this most important ward, at the forthcoming civic election. Although I did not seek the nomination, I am deeply sensible of the very warm expressions of good-will toward me that I have received from the electors in all parts of the ward. As the civic elections are by ballots, I hold that it would therefore be inconsistent for me to make a personal canvass; the very meaning of ballot is that the voter should enjoy the right of freely expressing his opinion at the polls without fear, favor, or affection. Yours respectfully, L. B. MILLER, Ward 5 East. 4150-1-26Mtd.
