RELIGIOUS SERVICES

ST. PAUL'S CHURCH

At the morning service, the Rev. D. Raymond took as his text Matthew 26, 40: "Inasmuch as ye have done it unto one of the least of these My brethern, ye have done it unto Me." Speaking on the subject of social service, he mentioned particularly the life and work of Canon Vernon, the General Secretary of the Council for Social Service, who has just passed away, and read extracts from his recent report dealing especially with the economic problem of distribution arising from the sudden transition from an age of scarcity to the age of plenty. It was pointed out that it is not likely that the present order of society will be upset, but that it is rather the duty of the Church to lead the people to larger charity of mind and heart so as to strengthen the situation which we have in our present order. Speaking further on the work of the Council, Mr. Raymond mentioned the production of literature for the Restoration Fund campaign, also that of the former work in connection with assisting colonists has been changed by reason of the fact that more people have requested deportation in the last few years than the number of immigrants admitted. In this connection, the Council has recommended against deportation because of unemployment, as they believe that in caring for the settlers over the depression period more far reaching investment is being made than in sending them back. Other matters dealt with by the Council have been prison reform, unemployment relief, drought relief in the Prairie Provinces, and improvement in conditions affecting girl life. But the Council is thinking past these problems to the evangelization of human life by the Gospel of Jesus Christ.

In connection with the immigration problem mentioned, the speaker said that an English Roman Catholic priest has suggested the formation of a council of all churches to deal with migration within the Empire.

Speaking to the boys and girls, Mr. Raymond told them the meaning of Sexagesima Sunday, meaning about 60 days to Easter, and of its connection with social service in the Church year. He spoke of the work of the Junior Red Cross for crippled children.

At the evening service, the text was "The Kingdom of God is within you." The most important points were that it is ignorance of Christ that keeps people away from Him, that opposition to Christ is found chiefly among nominal Christians and is caused largely by the practice of professing Christians not living in accord with their professions, and that complete self-surrender is necessary. The Oxford Group Movement was commended for its emphasis on the "quiet hour" and "sharing."

The lesson at the morning service was Genesis 3, and at the evening service the lessons were Genesis 6, 8-end, and Luke 17, 20-end.

HOLY REDEEMER CHURCH

In the Church of The Most Holy Redeemer yesterday, Masses were held at the usual hours. At the 7.30 o'clock Mass, the Married Women of the Holy Family received Holy Communion in a body. High Mass at 10.30 was celebrated by Rev. Father Enright, C.SS.R. The singing was rendered by a mixed choir, under the direction of Rev. Father Ahern, C.SS.R. Rev. Father Kelly, C.SS.R., of Saint John, N.B., preached powerful sermons at all the Masses. In the evening at 7 o'clock devotions in honor of The Mother of Perpetual Help were held. After the recitation of the Rosary, petitions were read and prayers were recited by the congregation to the Mother of Perpetual Help. An eloquent sermon was preached by Rev. Father Enright, after which Benediction of the Most Blessed Sacrament was given by Father Enright. The singing at the evening service was rendered by the entire congregation.

Saturday, being the feast of St. Blase, the usual blessing of throats took place after the Mass in the morning, in the afternoon at 3 o'clock for the children, and again in the evening after devotions.

STUDENTS' SONG SERVICE

The Sacred Song Service last night was held in Zion Church with a large number of young people in attendance. Mr. Geo. A. MacDougall gave to the students a report of the Maritime Conference of the Student Christian Movement recently held at Halifax. The Scripture lesson was read by Mr. Roy Cook. Two fine solos were rendered, one by Mr. Peter Crichton and one by Miss Lorine Semple. Others assisting in the service were Mr. P. J. MacDonald and Rev. Carlyle Webster. Mr. Richard Matheson acted as Chairman.

THE BAPTIST CHURCH

Dr. A. C. Vincent in his morning sermon yesterday continued the series of thoughtful addresses on The Parables of our Lord, taking as his subject "The Parable of the Tares." Suggested by the words of St. Matthew chapter 13, verse 36, "And his disciples came unto him, saying, declare unto us the parable of the tares of the field," Dr. Vincent gave an extremely interesting exposition of the parable in question making special mention of "The two sowers, the two seeds, the two harvests."

Gounod's setting of Cecil Frances Alexander's "There is a green hill far away" was very sweetly sung by Mrs. A. C. Vincent. The anthem of the morning was "Fairest Lord Jesus."

At the evening service Dr. Vincent gathered up briefly the points discussed in his series of sermons on "The Christian attitude toward amusements" and gave an eloquent and strongly constructive address on "The better way," which was heard with close attention by a very large congregation. The anthems of the evening were "The Twilight Shadows fall" and "Turn thy face from my sins."

The communion of the Lord's Supper was observed at the evening service.

TRINITY UNITED CHURCH

Rev. C. N. Brown was the preacher at the morning service, speaking from the words of Saint Paul concerning his great commission, Romans XI, 13, "I am the apostle of the Gentiles, I magnify mine office." The sermon was appropriate to the ceremony which followed—the induction of the elders and installation of the stewards who had recently been elected. The following were added to the session of the church for a term of three years: Mrs. W. A. Thompson, Messrs. James Paton, Henry Smith, B. W. LePage, Harold Newson, W. E. Burke, Hammond Johnson, J. Lester Douglas, A. R. Gillis and Dr. McLaughlin. The new stewards are Messrs. G. A. Hughes, S. A. MacDonald, A. C. Sinclair, E. T. Higgs, E. S. Coffin, L. W. Shaw, J. P. Simmonds and Major J. A. MacKenzie.

In the evening Dr. Ramsay's address was on "The True Investment." He based his remarks on the parable of the unjust steward, Luke XVI, particularly verses 8 and 9.

The music for the day consisted of the anthems, "Hear Then in Love," (Wooler), with Miss Alice Coffin as soloist, "Seek Ye the Lord," (Roberts); Mr. Harvey MacPherson taking the solo part, a solo by Mrs. Leigh Warren, "The King of Love My Shepherd Is," (Gounod), and a trumpet offertory by Mr. Lloyd Ward, "Open the Gates of the Temple."

ZION PRESBYTERIAN CHURCH

The regular evening service in Zion Church last evening was conducted entirely by members of Zion Young Peoples Society of Christian Endeavour. Yesterday being Endeavour Day throughout the world last evenings service was dedicated to the observance of the fifty-third anniversary of International Christian Endeavour.

The sermon was delivered by the Honorary President Rev. G. Carlyle Webster who took as his subject the motto of Zion Society for this year, "I Will be Christian".

The President Mr. Reginald MacNutt presided and the congregation was led in prayer by Mr. John Murdoch, Mr. Lorne Mackay and Mr. George Art MacDougall three Life Work Recruits of Zion C. E. Miss Stella Jay read the Scripture Lesson and Mr. Robt Farquharson presented the intimation.

"In the Garden" was beautifully rendered by the quartette, Misses Semple and MacLellan and Messrs Livingstone and Murdock with organ accompaniment by Prof. L. D. Thompson.

Special invitation having been extended to the girls of the C. G. I. T. and the boys of the Scouts and Cubs of Zion Church, these bodies were present in uniform.

The service throughout was cheerful, reverent and dignified and bespeaks of splendid leadership among the young people.

Rev. Mr. Webster, reminded the young people of the value of the Christian life, and commended them to the personal guidance of Jesus as they go on in their great work "For Christ and the Church".

Currencies

NEW YORK, Feb 4—Sterling, the Canadian dollar and the gold-standard currencies reversed the trend of the previous two days in the Foreign Exchange markets Saturday. All scored moderate advances, a course more to the liking of Washington.

The Canadian dollar's gain amounted to 7-16 of a cent, the discount against the United States dollar standing at 1⅛ percent at the close Saturday against 1 7-16 Friday.

Sterling after opening three cents higher at $4.91, strengthened further to close at $4.93 with a gain of five cents. The French franc closing at 6.29½ cents, was up .04½ of a cent.

MONTREAL, Feb 4—The pound sterling reversed the weak trend of Friday and moved upward on Montreal foreign exchanges Saturday in response to quickened demand. After opening about unchanged from Friday at $4.95, the rate moved slowly up to a closing level of $4.97 11-16 where it showed a gain of 2 7-16 cents over Friday's close.

The United States dollar lost 11-16 of one percent to finish the week at a premium of ⅞ per cent while the French franc gained .07 cent at 6.39 cents.

GRAIN

(Canadian Press)

CHICAGO, Feb 4—Higher prices for grains Saturday went hand in hand with mounting quotations of securities.

Some broadening of trade in wheat was evident, and a bulish construction was placed upon word that the grain exchange code would soon be approved. Increased buying of wheat resulted also from forecasts that drought southwest would continue next week.

Wheat closed unsettled ⅞-1¼ above yesterday's finish, corn ¼-⅜ up, oats ⅛-⅜ advance, and provisions unchanged to 10 cents higher.

WINNIPEG, Feb 4—Most of the transactions on the Winnipeg Grain Exchange Saturday appeared to originate in Chicago, buying orders exceeded the offerings, and as a result values held steadily, to close with gains of ¼ to ⅜ cent.

May wheat closed at 69¾ with July at 70⅞ cents. Export business was close to the zero mark. With foreign interest lacking, the usual Saturday dullness took hold over overseas trade.

Chicago prices were quite strong, rallying about 2⅜ cents over the previous close. Winnipeg quotations at the top were up ⅝ cents, but buying power ebbed near the close and the gain was sliced.

Liverpool values were firm, closing unchanged.

Attention was directed toward news from the southwest states where dry weather continues to menace the winter wheat crop. Liverpool advices intimated disinclination to press argentine wheat on the declines.

Cash grains trading was thin, and coarse grains, though steady, were devoid of feature.

PRODUCE

(Canadian Press)

MONTREAL, Feb 4—Butter moved into the leadership on the Montreal dairy and produce market last week, soaring to new highs for the winter season. Announcement during the week that monthly stocks in store were less than half what they were at the same time last year, low production and improved buying were factors in the advance. Eggs recovered a large part of the previous week's losses and cheese remained unchanged.

No 1 regraded pasteurised butter moved up to a closing level of 26¼ to 26¾ cents a pound compared with the preceding week's final quotation of 25 to 25½ cents, a net gain of 1¼ to 1½ cents. Receipts for the week totalled 5,552 boxes.

The egg market gained two to four cents a dozen, ending the week at 31 to 32 cents a dozen for A large, 30 to 31 cents for A medium and 29 to 30 cents for A pullets for graded shipments in carlots or less of Ontarios or westerns. A total of 6,741 cases was offered for sale, compared with a total of 6,400 cases the preceding week.

The cheese market remained quiet, as usual at this time of year, with prices holding steady. Current Ontario make was again quoted at 10¼ cents a pound with receipts at 500 boxes. The potato market brought $0 to 95 cents per $0 pound bag of Quebecs, $1.05 to $1.10 for New Brunswick mountains in similar quantities and $1.20 to $1.25 for 90 pound bags of Prince Edward Island mountains.

MINING

(Canadian Press)

TORONTO, Feb 4—The Standard stock and mining exchange as a separate institution, passed out of the picture with the closing gong on Saturday after 40 years of operations. Beginning tomorrow it will carry on as the mining section of the Toronto Stock Exchange into which the Standard has been merged.

The final day of business under the old name produced a rousing market, 912,000 shares changing hands in the two-hour session and the general trend was upward. Secondly gold shares and some of the penny issues were particularly strong and active while the high-priced issued in both gold and base metal groups recorded only modest advances.
