A HOME CURE.

Consumptives Need not Leave Their Own Homes to be Cured.

The Slocum System

Of Treatment is Offered you Absolutely Free.

A consideration not to be overlooked in the treatment of consumptives is the expense in quest of health. Some of our medical men are now advising their patients to go long distances in the hope that change of air will do them good. A lot of solemn nonsense is being said, and written, about change of climate, and its influence on the patient. "Stick to low altitudes", says one. "Go the mountains", says another. How is a poor perplexed sufferer with sore lungs, to decide among these different authorities? The fact is people die of consumption in all climates if they are treated properly. The only germ that produce it. This is accomplished under the Slocum system of treatment. The disease must have nothing to feed on. That is the principle underlying the Slocum system. You can try it at your home.

POSITIVELY FREE.

You or your sick friends can have a FREE course of treatment. Simply write to THE F. A. SLOCUM CURATIVE CO., Limited, 119 King St. West, Toronto, giving post office and express office address, and the free medicine (The Slocum Cure) will be promptly sent. When waiting for them always mention this paper. Persons in Canada, seeing Slocum's free offer in American papers will please send for samples to Toronto laboratories.

Nervous Depression and Bodily Weakness.

Another Woman Who Has Found Health, Strength and Vigor in the Use of Dr. Chase's Nerve Food.

To women especially Dr. Chase's Nerve Food is proving to be a very great blessing. So many women are weakened and debilitated by overwork, worries or diseases peculiar to their sex, and need the assistance of just such a restorative as this great food cure.

Mrs. M. A. McCrea, Tory Hill, Ont., writes:—"My system was all run down when I began to use Dr. Chase's Nerve Food. I was weak and very nervous and felt so tired and worn out that I could scarcely drag myself about the house. It seemed impossible for me to get rest or sleep at night, and I felt that I was gradually growing weaker and more nervous and irritable. Since beginning the use of Dr. Chase's Nerve Food I feel altogether different. It has gradually strengthened my nerves and built up my system wonderfully. I sleep well now, and am being thoroughly restored to health and strength. I believe it is the best medicine to be had for the nerves."

Dr. Chase's Nerve Food, 50 cents a box, 6 boxes for \$2.50, at all dealers, or Robinson, Bates & Co., Toronto.
