**FAREWELL SERVICE TO No. 2 SIEGE BATTERY.**—The members of the Heavy Battery will parade to the First Methodist Church to-morrow morning. The pastor, Rev. R. G. Fulton, will deliver the sermon. Topic: The Price of Progress. There will be solos by Lieut. Hooper and Gunner Mullins. A khaki choir will lead the singing. At this service an Honour Roll having the names of the men connected with the First Church, who have already enlisted, will be unveiled.

**KENSINGTON S. S. BEAN SUPPER.**—The ladies and older girls interested in the Kensington Sunday School connected with the First Methodist Church, gave a bean supper last evening in Kensington Hall. The proceeds were in aid of the Red Cross work which these ladies are doing. About fifty comfort bags have been made during the past few weeks at the regular sewing meetings held in the hall. The following articles were made and forwarded to the military hospitals in France. Each bag contains brush and comb, soap, tooth brush and powder and a book, and each patient will receive a bag. The tables last evening were beautifully decorated, and the guests were waited upon by the girls. There was also a Candy table. All the tables did good business. After the supper a short programme of music was rendered. A popular song "Till the boys come home," by Scout Frothingham, was sung by the rest of the Kensington Scouts.

**RED CROSS ENTERTAINMENT AND SALE.**—On Wednesday evening last the ladies of the Craupud branch of the Red Cross Society gave an entertainment and sale in the public hall, Craupud. The principal features of the entertainment were two solos, beautifully rendered, by Miss Mary Inman and Mr Fred Bell, respectively. The chorus entitled "Knitting," by the young ladies is also worthy of special mention. Patriotic speeches by Mr. D. McQuarrie, Dr. N. R. Boyver, and Mr Isaac Beer were enjoyed to the full by all present. After the speeches the auction sale was on in full swing. Various articles, donated for the good of the cause were quickly disposed of, the bidding never lagging for an instant. Among the things disposed of were: Vegetables of all varieties, five fowl and dressed fowl, dolls, games, apples, mitts, plants, demijohns, and fancy work galore. The 10c lunch rooms at the back of the stage were well patronized. One of the features of the evening was a guessing contest. A fancy cushion, donated by one of the members of the Society, was on display. Tickets were sold and the person fortunate enough to draw the lucky number got the cushion. The duplicate of the lucky number was placed in the cushion in an envelope and when this was opened it was found that Elaine's 722611 was the winner. On the whole the evening was a decided success, over \$79 being realized.

 Sometimes it is convenient to re-roast a joint of meat that has been cut into. One of the best ways to do this is to prepare some mashed potato, and to cover the joint all over with this until it is even in shape; a knife dipped in hot water can be used to smooth it over. If you wish your dish to look extra nice, brush the potato over with a beaten egg. You will need a quick oven, and as soon as the potato is brown the meat is ready. Serve it with sauce or gravy.
