MT. STEWART NOTES

Mr. John Murphy and Mr. Henry Sampson, painters and interior decorators, Georgetown, were in Mt. Stewart on Tuesday, enroute to Morell, where they are engaged with Mr. McCarthy, Morell, painting his residence.

Mr. John Gotell, Georgetown, spent a few days in Mt. Stewart last week, the guest of his sister, Mrs. E. P. Clark.

Her many friends are glad to see Miss Gladys Affleck out again, after being confined to her home for a few days.

Mr. Clarence Walsh, left Wednesday on an extended trip to Boston and New York. Mr. Walsh has quite a number of relatives in both places and we wish him a pleasant trip.

Mr. H. Lavender, Georgetown, was in Mt. Stewart last week.

The many friends of Mrs. Frank Feehan are pleased to know that she is slowly improving, after being confined to her bed for some time.

Mr. and Mrs. Artemas Cook spent the week end in Montague, the guests of their daughter, Mrs. Harry Lane.

Mrs. Fulton Pigott, French Village, spent the week end in Charlottetown, the guest of her sister, Mrs. Louis E. Shaw, Edward Street.

Messrs. Ralph and Herbert Dunn purchased a fine mare from Mr. Winston Birt last week.

Mr. Ira Clark was awarded the contract for the erection of the new room which is to be added to the Mt. Stewart School in the immediate future. This contract was tendered and although there were several other parties who tendered, Mr. Clark's happened to be the lowest. Mr. Clark has had several years experience at this trade in U. S. A. and we look forward to a good job when completed.

Mr. Joseph Duffy, "Tonsorial Artist", spent a few days in Charlottetown last week.

The work on the new Pisquid-Lake Verde Railroad has been suspended for some time, the chief reason being "Jack Frost". Mr. Price, the contractor, made valiant efforts to continue the work all through the winter months, but was at last defeated by "Old Mother Nature."

Mr. McLeod Douglas, merchant, has engaged the services of Miss Violet Leard, of Riverton, to assist him in his business during the Christmas rush.

Mr. F. J. Smith, C. N. R., spent a few days at his home in Mt. Stewart last week.—W.

N. Y. Women
Vote For Short
Skirts

NEW YORK, N. Y. December, 17.—Foreign entanglements in the form of the long skirts decreed by Paris style dictators have been denounced by New York club women.

After hearing the skirt debate at length yesterday at a meeting sponsored by the New York State Federation of Club Women, the 600 delegates indicated by their applause that "women cannot be dictated to by a small coterie of mail-ticket-seeking Frenchmen in Paris."

Miss Gertrude Lawrence, English actress, wearing a skirt 12 inches from the floor, defended long skirts.

Miss Rita Welman, short story writer, arrayed in a frock which was 17 inches from the floor, voiced the declaration of independence of Paris style tyranny in a speech championing the short skirt.

Six models, three dressed in the short skirts of last year and three in the new longer style, were called to the platform. The short skirts won a popularity vote from the audience.

rest in the affairs of his country, particularly those of Augustine Cove his home and birthplace.

While still a young man, he accepted Christ as his personal Saviour and united with the Baptist Church at Tryon and his life was ever a testimony to the grace and

power of his Divine Master. On Wednesday Dec. 4th., after a short service at the house, the funeral procession wended its way to the United Church at Tryon where the funeral sermon was preached by his pastor Rev. Myron O. Brinton, assisted by Rev. Geo. Somers of the United Church, after which the remains were laid to rest in the cemetery adjoining there to await a glorious resurrection. The large number of friends assembled was in itself a sufficient tribute to a highly respected citizen who had passed to his eternal reward.

BEGINNING THURSDAY EVENING THIS STORE WILL BE OPENED EACH EVENING UNTIL XMAS.

Heavy Christmas
Shipments By
The C. N. Express

(Canadian Press)
MONTREAL, Dec. 17.—Plum puddings from England, model gowns and hats from France, toys from Switzerland and Germany and Czechoslovakia, figs, dates and spices from the far east tropics, fruits and vegetables from the West Indies and California; these are but a few of the articles handled by the Canadian National Express in these days before Christmas at this season of the year. The express department of the system has at the disposal of Santa Claus four thousand trained and willing helpers.

A visit to the warehouse in one of the larger centres is a revelation of boxes, crates, cartons, rolls and packages of all shapes and sizes and their contents are from practically every country in the world. Canada supplies the sweetness of her maple forests in cans of syrup and large lumps of sugar; the orchards of Canada contribute boxes of luscious apples and among the shipments are

Ready For Hop

(Special to the Guardian)
LONDON, Dec. 17.—With two other long distance air expeditions already under way in search of new laurels, it was officially stated late tonight at Cramwell Airdrome in Lincolnshire that weather conditions were distinctly favorable for a start at daybreak of a non-stop flight to South Africa. A Royal Air Force Fairey monoplane was ready for the attempt and is expected to reach South Africa before nightfall on Thursday.

thousands of live and dressed turkeys, geese, ducks and chickens and great fattened quarters of beef, lamb and other meats too numerous to mention. Canada's wild animals go out in the form of beautiful furs. The manufacturing centres of the country supply clothing, boots and shoes, silk, lingerie, phonographs, radios and pianos. There is scarcely a thing that the Express Dept. does not handle at this time of the year, particularly so that the rush may go as smoothly as in quieter times. Express officials are asking the co-operation of the public in addressing parcels carefully and in properly packing them.

IN MEMORIAM

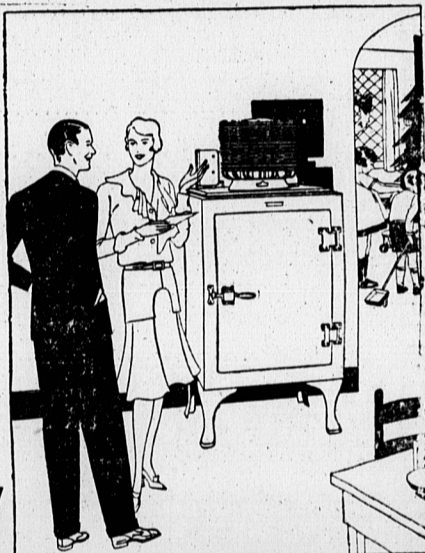

ALFRED C. CLARK

On Tuesday, Dec. 3rd, residents of Augustine Cove and vicinity were shocked to learn that Mr. Alfred C. Clark, a well known and highly respected citizen had passed away during the night.

Mr. Clark who was 54 years of age was the second son of the late Bradford Clark and his wife Sarah Jane, had never married and resided with his brother Eliphalet M. While in poor health for several years his death came rather suddenly and was a distinct shock to his aged mother who, for the past seven years has been an invalid and the deep sympathy of the community will go out to her and also to his brothers Simeon, of Oxford, N. S., W. D., of Bayfield, N. B., Roy of Augustine Cove, P. E. I., Artemas of Lawrencetown, N. S., and Eliphalet M., of Augustine Cove.

While unable on account of ill health to take any active part in the affairs of the community, Mr. Clark who was a constant reader kept in touch with current events and always maintained a keen in-

Every General Electric Refrigerator is hermetically sealed.

If you but had the magic power, your Christmas gift this year would be simply—health and happiness. That would be the greatest gift of all.

To someone near and dear you can bring improved health and greater happiness with a General Electric Refrigerator.

The aim of perfect refrigeration is to keep food always at a temperature below 50 degrees, otherwise bacteria thrive, food which looks palatable becomes dangerous, health suffers. The General Electric

Refrigerator keeps food constantly at a temperature well below 50 degrees.

And General Electric, as any friend who owns one will tell you, is quiet, trouble-free and guaranteed for service. It contains every worthwhile improvement known to the art of refrigeration. There are now more than 350,000 users and not one has ever spent a dollar for service or repair.

See the various models today at our display rooms. Buy, if you wish, on the convenient time payment plan.

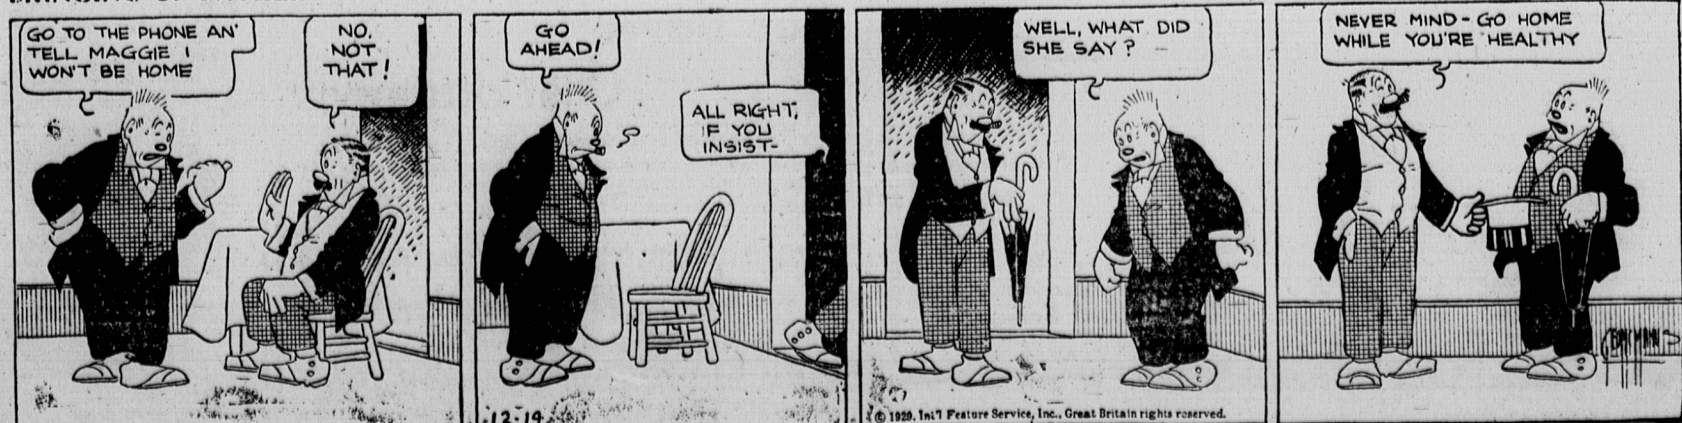

If you like really good music, tune in on the General Electric Hour, broadcast every Saturday evening.
