

CRITICAL TIME OF WOMAN'S LIFE

From 40 to 50 Years of Age. How It May Be Passed in Safety.

So, Wellington, B.C.—"For a year during the change of life I was all run down. I was really too weak to walk and was very despondent and thought I was going to die, but after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier my health and strength returned. I am very thankful to you and praise your medicine. I have advised several women who suffered as I did to try your remedies. You may publish this if you wish."—Mrs. DAVID R. MORRIS, South Wellington, Vancouver Island, B.C.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills such as inflammation, ulceration, tumors, irregularities, periodic pains and nervous prostration, and we believe it is unequalled for women during the period of change of life.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

PROWSE BROS. LTD.

Chairman had formally declared the meeting opened and going into details as to its nature Hon. Chas. Dalton was then called upon to address the audience and in response delivered addresses which was characteristic of his oratory gift and in part said that "Tignish had up to now been the banner place when it came to respond, not only to money contributions and out-puts, but to men as well, that up to now we had actually under enlistment the following: Messrs Claude and Alfred Murphy, Guy Kinch, Howard Riley, Kenneth McPadyen, George Marshbanks and George C. Bonus. He dwelt at length on the generosity of the Government in looking after the dependants of any man who was enlisting and closed his stirring appeal to all young men present to enlist and to all others to put no obstacle in the way of those contemplating doing so by saying that were he a younger man he would have been at the front in the battle line long before this. At this point "O Canada" was sung by Tignish choir and the applause following was given with much enthusiasm. Dr. McBride then addressed the meeting and laid great stress on the urgent appeal of the Government for men. He gave a graphic description of the heroism shown by the soldiers of Princess Patricia Regiment and told his audience that the Canadians now enlisting had just as much right to be classed as heroes as those who had done actual service at the front. In closing his well balanced address he complimented the people of Tignish for their response in the general collection taken up for the defence of their country. After him a splendid rendition of "Arouse ye Brave Canadians" was delivered by Capt. Maxwell Murphy of the Tignish cadets and boy scouts. His recitations have always been well received and the applause given this mere youth at this time was meritorious and well merited. Mr. John A. Hackett followed him with another urgent appeal to the young men of Tignish to enlist and fight for freedom and liberty. He also laid great stress on the great cry for men to go to the front and he showed that if this was to have an ultimate ending the end could be only accomplished by so doing. "Next in line came two Mandolin Selections by our accomplished musicians Miss Mary Morrisey, Mr. Albert Perry accompanied her on the organ. It is needless to say such music is always well received by all those who are fortunate enough to hear it and as on former occasions those selections were applauded and made a hit worthy of notice. Another description of the courses which lead to this great war and the meaning of patriotic meetings to enlist men for the supporting of the rights claimed by the Allies was ably gone over with by Mr. W. F. Tidmarsh of Charlottetown, and in his short address he complimented the people of Tignish for their great support in all the demands so far made by the Empire. He also said that it had been his good fortune in all the patriotic meetings and Red Cross socials so far held in Tignish to have been able to present. It is always a treat to his many friends and admirers here to listen to Mr. Tidmarsh for his eloquence as a speaker is well noted and the impression he leaves is one never to be forgotten. Mr. Clarence F. Morrisey followed him and also asked the young men of Tignish to enlist and briefly told the audience that if we wanted our factories to keep running and our industries to employ our depending people we had to put an end to this war,—and that could only be done by enlisting and going to the front and put the Germans out of existence. Tignish Chorus being again called upon to sing another patriotic song, brought the house down by its rendition of "Tipperary" and so great was the enthusiasm shown that the whole audience joined to swell the chorus of this army march which has been the key note of the allied armies success to rout the Germans out of their strong fortified positions. At this time the Reverend Chairman also made a strong appeal to the young men of Tignish to enlist saying that, this war would only end by will- well men for the supporting of the rights claimed by the Allies was ably gone over with by Mr. W. by the late Lord Roberts addressed to the children of the Empire and in part when he, in imperative tones asked the audience, "Are we down-hearted?" the whole audience answered "No" and again when he asked "are we going to win?" the answer "Yes" came as a spontaneous answer. Going into details about the work expected from a recruit and going through the details of his life while in training the Capt. spoke at length and in closing asked those wishing to enlist to come forward and in quick response eight prominent young men came forward and took the oath prescribed and offered themselves ready to do their Country's bidding and shed their blood if need be to protect the standard of freedom and the honor of England which to each one was sacred and dearly loved by all. Those who volunteered were Messrs Eddie McInnis, Isidore Gaudet, Bert Foley, Merle MacKay, Louis Gillis, Frank Gallant Cloughy and Gonsales Ready. The meeting which will go down in history as one of the most enthusiastic and patriotic ever held at any place in this Province came to an end by the audience singing the National Anthem "God Save the King."—Z.
