CONNAUGHTS WIN FROM S.D.C.

In the initial game of football played on Thanksgiving Day between the St. Dunstan's and Connaught football teams, resulted in a victory for the Connaught team by a score of 4-0. The game started about 3 o'clock, the Saints kicking off, the ball was returned by the Connaughts and play dragged, with nothing but scrims and a few short runs by the Saints' halves, and the half ended with the ball on the Connaught touch line.

The second half was somewhat snappier and the Connaughts seemed to hold their opponents better in the scrims and thus worked them down to the Saints twenty yard line, where they were awarded a free kick. Mc Carey taking the kick succeeded in placing the ball fairly over the bar and making the only score of the day. On resuming play the Saints made some hard attempts to get away from the sharp tackling of the Connaughts' halves. The Saints team is a good one and they certainly outclassed their opponents in scrim work, particularly in forming up. Altogether the game was a good exhibition of football and no doubt a few more games before the season closes would be appreciated by the fans of this sport. Prof. Murphy of P. W. C. was the referee.

GOLF

The golf links at Belvidere on Monday presented a brilliant scene when the members, about sixty-five, were present to participate in the annual golf tournament and partake of a very dainty luncheon served by the ladies of the House Committee of the club. This season has been all too short owing to so much wet weather, but none the less pleasant. The members entered into Monday's celebrations with right goodwill and thoroughly enjoyed the sport.

After luncheon a match of mixed doubles was played, which was won by Miss Ethel Haszard and G. W. Harrison, with Miss Rogers and Dr. Goodwill second. Then came the driving, putting and approaching matches. In the ladies competition, the approaching and putting was won by Mrs. Florence Morris, with Mrs. Clarke second, Miss Alice Weeks third. The driving competition was won by Miss Mary Haszard, with Mrs. Clarke second, and Mrs. A. A. McLean third.

In the men's competition the driving contest was won by A. W. Hyndman, 337 yards, D. B. Stewart, 318 yards, second; the approaching and putting was won by A. A. McLean, with H. W. Longworth second.

After the matches of the day were over came the presentation of the prizes for the year, the presentations being made by the Vice-President, Dr. Goodwill, who officiated in the absence of the President, Judge Haszard. Below is the list: Ladies championship, Mrs. Florence Morris; Longworth cup, Miss Ethel Haszard; Men's championship, J. M. Hunter; Standard cup, J. M. Hunter; President's match (Judge Haszard), mixed doubles, won by Miss Hobkirk and D. B. Stewart.

W. K. Rogers match, ladies singles, won by Mrs. W. W. Clark. Mrs. B. Heartz match, men's singles, 1st, C. H. B. Longworth; 2nd, G. W. Harrison. Mixed doubles, July 10th, 1st, Miss Helen Warburton and W. K. Rogers; 2nd, Miss Rogers and J. M. Hunter.

Mixed doubles, August 4th, 1st, Miss Hobkirk and W. K. Rogers; 2nd, Mrs. Clarke and H. E. Miller. Mixed doubles, August 28th, 1st, Ethel Haszard and A. A. McLean; 2nd, Mrs. Stewart and A. W. Hyndman. In the afternoon a pleasantly arranged tea was served by the ladies

of the House Committee. The Vice-President's (Dr. Goodwill) match, mixed doubles, match play, will be commenced to-day and continue on Thursday and Saturday weather permitting.

HORSE RACES

Beautiful weather Monday, a fast track and a fair sized crowd saw the last of the season's matinees, which have been so successfully put on by the Charlottetown Driving Club.

The racing was quite spirited, although there were not many starters, owing no doubt to so many horses being let up for the season, and not having any work since the exhibition meeting. The free for all had Dr. Sharp, 2:18 1/2, and Dixie Girl, 2:24 1/2, as contestants, and it was a lively tilt each time between the pair. In fact it was so close that the second heat was a draw. For so late in the year the time made was very fast. Dixie Girl, well piloted, won the race after winning the third heat in the good time of 2:20 1/2. Dixie raced much better than at Halifax or Charlottetown. The Doctor also went well, being to the first half of the last mile better than 1:09.

The 240 trot was won by Kitchener, a son of Commodore Ledyard, and dam by Provider, 2:21 1/2. Half-sister of Hilda S., 2:16, owned and driven by Mr. J. S. Wedlock, while Jolliffe, who was not as steady as usual was his opponent. The big galloped trotter, Kitchener, showed up well, and no one but those who did not know him was surprised to see him trot so well, as he has been miles as good as 2:28, with little or no work. Derby, 2:29 1/2, won the 2:30 pace, after neck and neck finishes with Barney Mac, the good pacer son of Aquil, 2:27 1/2. Baby Don was "off" and refused to strike his old familiar clip. Best time 2:29, with final halves in 1:12.

The 82nd Band furnished a splendid programme of music, which was one of the pleasing features of a pleasant afternoon.

Following is the summary:— FREE-FOR-ALL. Dixie Girl, 2:24 1/2 (Henderson) 1 1/2 Dr. Sharp, 2:18 1/2 (McVague) 2 0 2 Time, 2:21 1/2, 2:20 1/2.

240 TROT. Kitchener, J. S. Wedlock 1 1 Jolliffe, Kelly 2 2 Time, 2:35, 2:35.

230 PACE. Derby (Wedlock) 1 1 Barney Mac (Hooper) 2 2 Baby Don (Buntain and Henderson) 3 3 Time, 2:29, 2:29.

The races were in aid of the Regimental Fund and a snug sum was realized. Mr. P. S. Brown, in his usual up-to-date way did the starting, and had his horses away in a minimum number of scores each time. The Driving Club are deeply grateful to the Driving Park Association for the use of the track for holding their matinees on during the summer, also the caretaker, Mr. Arbing, who did his best to have the track in such fast condition. The Club intend (if they can get the track) to put on races during the winter, as our local track with its highly banked curves is considered the best in Canada for the purpose.

If they are successful, they intend holding their first races Christmas Day, and another meet New Year's Day, when cash prizes will be given. Several stakes are being talked of which would make winter racing of the most spirited kind. These races will not only boost the Christmas Day, but will give the horsemen and trainers a chance to make a few dollars during the cold winter months, when hay and oats are plentiful, but money scarce.

NOTES. The two \$500 stakes that are being promoted by C. P. Thorne, Secretary of the Driving Club, are being boosted by our local horsemen, and indications are they will be a big success! The stakes are for 2:30 trotters and 2:30 paces, and the first payment of \$2 is due the first week in December. The horsemen should all patronize these stakes and make them a fixture for each succeeding year.

Mr. Charles H. Chandler has purchased Oakley H., 2:18 1/2, by Oakley Exon, 2:23 1/2, dam Parkona (dam of three) by Parkside from Mr. O. H. Trainor. Oakley H. is considered the fastest trotter that has been bred in the Lower Provinces, having been quarters in 30 seconds and halves in 1:05. He has been a hard horse to condition for racing, but we hope, with plenty of road work, etc., that he will race in old time form.

THE PEOPLES THEATRE

The news by the Animated Weekly included Zoo pictures, the funeral of O'Leonard Rossa, marvels of American bridge construction, Parisian headgear, target practice, Uncle Sam's preparations for war, etc. California scenes made up an interesting budget, while Hy Myer's clever cartoons were again a feature. "The Hazards of Helen" continues this thrilling railway series. The P. L. is out to break the mile record and Helen learns to run the gasoline trolley car. The trial run with the mail, the rival line's dastardly attempts to prevent the record run being accomplished, are vividly depicted. The final dash of Helen and the driver on the gasoline car with the mails, while the bridge is rising was a real thriller. The Tragedy of Bear Mountain, a romance of the Rocky Mountains in which Benton, the boss, tries to take liberties with Steve Barry's wife and receives well merited punishment from her, but later has his revenge on Steve by bringing him. Steve goes off to the new gold rush in California and loses his memory through a fall down a steep gully and a thief steals his pocketbook, containing his identification card. The thief is shot down and Steve Barry is reported dead. Steve's brother comes to the diggings and finds him with his memory gone, when he rescues a prospector's daughter from a forest fire. His former employer, Benton, sees the report of his death and renews his suit with Steve's wife and is on the point of marriage when she receives news of Steve's safety. He recovers his memory and all ends as per usual. Episode Fourteen of "The Broken Coin" fairly reeks with battle smoke throughout. Kitty and Count Frederick play leading roles in terrific encounters. The weird realism of the scenes of a modern battlefield by the unique fact that they were photographed during a real artillery engagement. The vigorous action in the siege scenes, while the opposing hosts surge backward and forward with the fortunes of the fray, was vividly depicted. A continuous howl describes the final film "Smackles Twins," in which "Slippery Sam," the lady hair demonstrator, the Twins and their perambulator, and the two victims of Sam's pranks all contribute to a giddy quarter of an hour's hilarity at the village store. An immense holiday crowd filled the house at all three performances.
