

"Eat Plenty of Fruit."

That's what the Doctors say when one is constipated. Because fruit acts on the liver, causing it to excrete bile which aids digestion and increases the peristaltic action of the bowels, thus preventing constipation. But eating fresh fruit alone, won't CURE. The laxative principle is too weak and in too small quantity.

Fruit-a-tives
or Fruit Liver Tablets

are the tonic and laxative virtues of apples, oranges, figs and prunes, many times intensified—by our secret process of combining the juices—and made into tablets.

"Fruit-a-tives" act gently and naturally—tone up the liver—greatly increase the flow of bile—effectively cure Indigestion, Biliousness, Headache and Constipation—build up and strengthen the whole system.

Anaemia
AND
Decline

TIRED WITH LEAST EXERTION.

Miss Wood, Brownsville, Ont., Found Health With

PSYCHINE
(PRONOUNCED SI-KEEN)

She writes, May 18, 1904: I have to thank Psychine for my present health. Two years ago I was going in decline. I could hardly drag myself across the floor. I could not sweep the carpet. If I went for a drive I had to lie down when I came back; if I went for a mile or two on my wheel I was too weak to lift it through the gateway, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me no peace until I procured PSYCHINE, knowing it was excellent for decline or weakness. I must say the results were wonderful, and people remarked my improvement. Instead of a little, pale, hollow-cheeked, listless, melancholy girl, I am to-day full of life, ready for a sleigh ride, a skating match, or an evening party with anyone, and a few months ago I could not struggle to church, 40 rods from my home. Have never had the slightest cause to fear any return of disease.—Ella Muriel Wood.

Psychine is pronounced Si-keen

SHE HAS STRANGE POWER

ANNA CHRISTIE MILLER

St. Louis, Iowa, March 28.—Anna Christie Miller, a sixteen-year-old girl, attending the public schools, has recently discovered that she has exceptional psychic ability.

In addition to describing articles held before her when she is blindfolded, telling the amount of a handful of coins, which no one else in the room knew, but which was later verified; acquiring because of her peculiar mental qualifications, 100 per cent in all her studies and thus earning rapid promotion, this remarkable young girl can make a table dance a jig, move across a room and fall into her lap, send it the opposite direction in the lap of another person on the opposite side of the room, make it stand on one leg, move it by the mere touch of her fingers while a man sits upon it, and do other feats that have amazed every one.

Miss Miller is a pupil of the Armstrong school in this city. She came here from Grant, Iowa, where her father is section foreman of a railway, and obtained employment in the boarding house of Mrs. Ella Mahaney. At this establishment she washes dishes and does other work to pay for her board and lodging while she attends school. Her ambition was to become a teacher in the public schools, and her aim in coming to St. Louis was to fit herself for this avocation. Now, however, Miss Miller is imbued with another idea. She has discovered that she possesses ability along the lines followed by Anna Eva Fay, the Georgia magnet, and others who have demonstrated psychic power.

The girl has been aware of her peculiar powers no longer than a month. Knowing that she possessed extraordinary faculties, but not recognizing them as such, she needed an accident to discover them. The discovery came as the result of her proficiency in her studies. At every recitation and in every examination her markings were 100. Her teachers searched her papers in vain for an opportunity to give her a lower marking. When they failed to find any flaw in her work they decided that she

THE CAUSE OF
WOMAN'S TROUBLES

Is Diseased Kidneys and the Cure is Dodd's Kidney Pills.

Wonderful Cure of Mrs. James Kinsella, Who Slept in a Chair for Two Summers. What She Says of It.

St. MALACHIE, Que., Mar. 31.—(Special.)—A cure of great interest to women has attracted the attention of those interested in medical matters in this neighborhood. Mrs. Jas. Kinsella, wife of a well-known citizen, had suffered from a complication of troubles for about two years. She had a pain in the right hip, in the back and was obliged to pass water every fifteen minutes in a painful dripping sort of way. She could not sleep at night and had to sit up in a chair for two summers. Dodd's Kidney Pills cured her.

Mrs. Kinsella speaking of her cure says: "After the first box of Dodd's Kidney Pills I felt much better. Then I got more and they did me a world of good. I have never slept in the chair since I used Dodd's Kidney Pills."

Woman's health depends on her kidneys. Nine-tenths of the so-called female complaints are caused by uric acid in the blood. Cure your kidneys with Dodd's Kidney Pills and you can have no uric acid in the blood.

ARE SUICIDES
ALL DYSPEPTICS?

That dispiriting disease that causes so much suffering quickly cured by Dodd's Dyspepsia Tablets.

Are you getting to that stage when you can understand why people commit suicide? Do you feel weak, dispirited and useless? Is your work a burden and are you beginning to hate to meet people? Is life not worth living?

If you are drifting that way it is high time to look to your stomach. You are becoming a victim of Chronic Dyspepsia. To realize what that means you must know that nearly every suicide is a dyspeptic.

Help your stomach. Treat it with Dodd's Dyspepsia Tablets. They are specially prepared for the purpose, are easy to take and bring sure results. The proof: It comes in thousands of statements like these:—
"I was troubled with Dyspepsia," says Hene Trudell, a student of Three Rivers, Que. "For some weeks it made alarming progress till I was weak, discouraged and in despair every day. I had resolved to give up my studies when I began to use Dodd's Dyspepsia Tablets. They cured me completely. To-day I have no weariness, no pain. Dodd's Dyspepsia Tablets put sunshine once more in my life."

STATEMENT CONFIRMED.

Toronto, Ont., March 28.—Dr. Orr, manager of the Canadian National Exhibition, who has just returned from England, confirms the announcement that Lord Roberts will come to Canada to open the exhibition in the fall. Lord Roberts will be accompanied by Lady Roberts.

BROKEN SLEEP—TIRED NEXT MORNING.

Sleep not only rests, but builds up the body. Cut down the hours of sleep, and you cut down health in the same proportion. Rebuilding then ceases, nerves go to smash, you grow tired, weak and wretched.
To restore sleep you must get more bodily strength, more nutritious food, healthier nerves. Ferrozine solves the whole problem, makes you sleep soundly, gives endurance, vim, ambition. No more morning weakness—instead the fire of youth will run in your veins, supplying abundance of energy and vigor. Withery expresses the instant effect of Ferrozine: try it.

TOO ILL TO ACT.

St. PAUL, March 28.—Mrs. Kirby Lunn, who was to have appeared here as Kandy in a performance of "Farsfall" in English, is ill at a Minneapolis hotel. Her physicians fear she may have diphtheria.

THE DOCTOR SAID

That Mrs. Thos. Adams Had Bright's Disease—Dodd's Kidney Pills Cured Her.

COLLINGWOOD, Ont., March 27.—(Special.)—Mrs. Thos. Adams, of this place, who was assured by her doctor that she had Bright's Disease, is strong and well again and she gives all the credit to Dodd's Kidney Pills.

"Yes," Mrs. Adams said when asked something her cure, "I was eight months in hospital and my doctor said I had Bright's Disease. I did not expect to ever get better, but a friend of my husband induced me to try Dodd's Kidney Pills and after taking three boxes of them I was able to do my work. They cured me completely."
