

THE CENTRAL GUARDIAN

Acids in Stomach Cause Indigestion

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach.

Secrets of Health

That is the name of the great health book. This book tells you how to overcome constipation, headaches, colds and catarrh, tonsillitis, adenoids, stomach disorders and many other ailments.
