

Storage Problem Adds To Worries Of Bumper Wheat

Conditions in Europe Cut Off Many Export Markets and Observers Compare Conditions with First Great War.

(By Charles Gunning, Canadian Press Staff Writer) WINNIPEG, Sept. 2.—(CP)—Western Canada's greatest industry—wheat farming—moves steadily toward the close of another bumper harvest season...

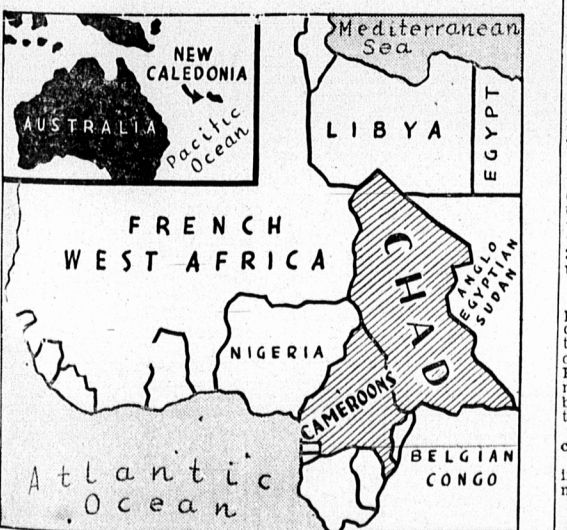

Overseas shipments were hampered by shortage of shipping space in both the Atlantic and Pacific oceans. Many Canadian ships had been taken over by the British admiralty to transport troops.

Old Time Harvesting Instead of shiny tractor-pulled combines which cut and thresh the grain in a single operation with a crew of four or five men, scores of harvesters were required for a single threshing outfit.

Price Variation An initial minimum price of 70 cents a bushel for No. 1 Northern wheat, basic Port William, was assured producers who marketed their wheat with the Board...

War—25 Years Ago Today

(By The Canadian Press) Sept. 2, 1915—King George V and Lord Kitchener, Secretary for War, inspected Canadian troops at Shorncliffe, England...

The French government at Vichy announced, Aug. 29, that the commissions of governors of three French colonies have been formally revoked because the colonies have chosen to follow General de Gaulle...

Well known to movie-goers in many screen roles, these three men heretofore will have every right to the navy blue uniform they will wear. They have been accepted by the R.C.A.F. as aviators...
