Stock Markets At A Glance

WINNIPEG, Aug. 9—(CP)—Wheat exports totalled 3,400,000 bushels today on the Winnipeg Grain Exchange.

United Kingdom interests purchased 2,580,000 bushels, Portugal 400,000 bushels and Greek interests 600,000 bushels.

CHICAGO, Aug. 9—(AP)— Rye and oats regained some of their recent losses today as traders finally took notice of the continued drought and further corn damage, but there was little news to hold up wheat prices and the market was weak.

NEW YORK, Aug. 9—(AP)—Low priced utilities and a scattering of industrial favorites improved modestly in the Stock Market today and gave the list a steady tone although trends remained somewhat uneven.

Volume dropped a shade below the million-share mark and at 963,410 shares compared with 1,270,810 Tuesday.

TORONTO, Aug. 9—(CP)—Aside from a moderate advance in the Alberta oil stocks there was no reaction to the provincial elections in today's operations on the Stock Market. The oils were up 66 at the close and the Base Metals 05. The gold group was down 40 at the close despite substantial gains in spots including stronger prices for the Yellowknife group. Turnover of 590,000 shares was down 166,000 shares from Tuesday's volume.

MONTREAL, Aug. 9 — (CP) — Gains and losses were fairly evenly distributed among the securities today on the Stock Exchange and Curb Market.

Quebec electrics attracted some attention as an aftermath to the provincial election, in which the Godbout government's power policy was an issue. Montreal power was a point higher and at a new top at the opening but did not hold all its rise. Shawinigan and Canada northern power gave up lifts.
