-BUSINESS GOOD-Mr. Ward representing a well known business house in St. John, N.B., and Mr. W.C. Phillips of Truro, N.S., traveller for a firm in Truro, report that business on the Island is good very much better than in the sister provinces. This is a good indication of the prosperity of the little province by the sea. These men, who are at present in Summerside, are very optimistic as to the future of P. E. Island.-S

-FERRY NOT RUNNING-The recent storm did considerable damage to the piers at each end of the bridge at Grand River. As a consequence the ferry has not been able to run, which is a great inconvenience to people travelling in that direction. It is understood that the bridge will soon be in proper shape again.-S

-WORK WELL UNDERWAY-The work by the Provincial Government of laying down a concrete road at the eastern approach to the Town of Summerside is now well underway. The land has been surveyed and the actual laying of the street commenced. The Summerside cement mixer has been called off the work of filling in the sides of the pavement on Water Street to assist in the work on the new roadway. Considerable work has been done on the streets of Summerside this year. Besides small stretches of sidewalk here and there, Central Street has been paved almost as far north as Given Street. This is a very creditable piece of work. The hospital approaches have also been paved. The laying of the drainage pipes on Summer Street in readiness for a permanent street to be laid next summer is now well underway.-S

-SUDDEN DEATH-Mr. John Archibald McDougall of Tyne Valley passed away suddenly at his home on Saturday evening. The deceased who was 72 years of age had finished his day's work and had been into the store and procured the week's groceries, afterwards attending to his foxes. On returning home he sat down to enjoy the evening paper when he quietly passed away. Mr. McDougall was well known in Tyne Valley and surrounding district. He came to Tyne Valley when about eighteen years of age and learnt his trade of blacksmithing with the late Edward Ramsay. He attained his 72nd birthday on October 27th. He was a very reliable man in business and highly esteemed for his many fine qualities. He leaves to mourn his widow, formerly Miss Carrie Cameron of Tyne Valley and one daughter, Mrs. Blanche Dystant of Ellerslie, and one son, Wilfred, a well known farmer and cheesemaker in Tyne Valley, to whom the sympathy of the community goes out in their sudden bereavement. The funeral was held on Tuesday and was very largely attended.-S

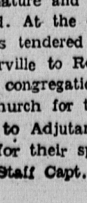

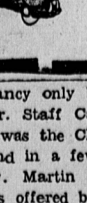

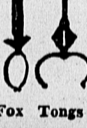

-SPLENDID BAND CONCERT-The Salvation Army Band of Charlottetown under the leadership of Adjutant Martin gave a splendid concert in the Epyworth Hall on Tuesday evening. Not for some time has a Summerside audience listened to such a performance. This band is
