The residence of Duncan Cole, New London, was struck by lightning, on Thursday morning, August 15th at 1.15 o'clock. It first struck the flue and scattered the top which was cemented on, all around. It then seemed to follow the zinc, where the look-out joined the roof, followed down the north-east corner and drove a large hole through the wall just about two feet from where Mr. and Mrs. Cole were sleeping. It went to the room below, tore out the window completely and shattered both walls. Another part followed down the other side of the lookout and badly damaged two other rooms. It entered another room, the door of which was shut, cut a strip off the oilcloth and rolled the rest up, but otherwise did no other damage in that room.

A fair, fresh complexion is an added charm in the summer time and to those who wish to possess a good complexion we recommend Rexall Vanishing Cream which insures a fresh complexion free from redness or blotches. Sold with the Rexall guarantee. A jar 50c. The McKinnon Drug Co., corner Great George and Kent Sts. METF.

Buntain, Bell & Co. for best coal, lowest prices, L-123dtf.

WELL PEOPLE TOO

Wise Doctor Gives Postum to Convalescents.

A wise doctor tries to give nature its best chance by saving the little strength of the already exhausted patient, and building up wasted energy with simple but powerful nourishment.

"Five years ago," writes a doctor, "I commenced to use Postum in my own family instead of coffee." (It's a well-known fact that tea is just as injurious as coffee because it contains caffeine, the same drug found in coffee.) "I was so well pleased with the results that I had two grocers place it in stock, guaranteeing its sale."

"I then commenced to recommend it to my patients in place of coffee, as a nutritious beverage. The consequence is, every store in town is now selling it, as it has become a household necessity in many homes."

"I'm sure I prescribe Postum as often as any one remedy in the Materia Medica—in almost every case of indigestion and nervousness I treat, and with the best results."

"When I once introduce it into a family, it is quite sure to remain. I shall continue to use it and prescribe it in families where I practice."

"In convalescence from pneumonia, typhoid fever and other cases I give it as a liquid, easily absorbed diet, you may use my letter as a reference any way you see fit." Name given by Canadian Postum Co., Windsor, Ont. Read "The Road to Wellville" in pica. "There's a reason."

Ever read the above letter? A new one appears from time to time. They're genuine, true, and full of human interest.
