Your Doctor

Can cure your Cough or Cold, no question about that, but—why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years: let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

The next time you have a Cough or Cold cure it with

H.A. and Mrs Holmes of Summerside, are in St. John the guest of James and Mrs. Robertson on return from their honeymoon trip.

A pleasant social event took place at the Queen Hotel, Summerside, Thursday evening, when about fifty invited guests partook of the hotel's hospitality and enjoyed a well conducted and orderly entertainment until the wee small hours.

What about that mink or sable ruff the buying of which you have been putting off from day to day. The indications are that furs will be higher next season. We have some interesting figures on the balance of our fur ruffs; genuine bargains which will certainly appeal to you. R. T. Holman, Ltd. 2-8d4i

YESTERDAY Ben Nichol an Indian from Morell, came to the city, bringing with him what looked to be a $10 Bank of Nova Scotia bill, but was really a $5 note that had been raised to a ten, by the unscrupulous counterfeiter. The note had passed through the hands of several persons. On presenting it to the Bank it was discovered to have been raised from a $5 note. Nichol thinks it was given to him by a man to whom he lately sold a horse. The raising was clumsily done.

YESTERDAY the mails and passengers, which included the Abegweit Hockey team and W. B. Bowness, Summerside, made a good trip from Cape Traverse to Cape Tormentine in the ice-boats. Four boats left this side at 7.25 with the passengers and 25 bags mail. The boats from Cape Tormentine arrived at Cape Traverse at 12.15 p. m., bringing 33 bags of mail but no passengers. The mail was brought to the city by special train arriving a little before 3 o'clock. It brought the latest news that has so far come to hand Halifax and other Maritime Province papers of the 6th inst. The crossing was reported to be good. There will be no more crossing at the Capes till further orders as the mails have been transferred to the winter steamers,

Citizens of Summerside will be sorry to learn that Rev. Mr. Bates has served his connection with the Central Church congregation, having accepted a call from a congregation in Kent, Ohio, for which place he leaves with his family on the 25th inst. During their residence in Summerside Mr. Bates and his family have made many friends who will greatly regret their departure. It is gratifying to know, however, that from the worldly point of view, at least, the change is for the best, as the congregation into which they are moving is one of the largest and wealthiest in the city. It may be mentioned incidentally that since the destruction of the Central Street Chruch in the recent disastrous fire, Mr. Bates has refused as many as five calls from other congregations.

Minards' Liniment Cures Distemper

A FORTY TO ONE SHOT.

A Kansas City, Missouri resident editor has noticed that any time you see a man finding fault with his local paper the chances are ten to one that he hasn't an advertisement in it; five to one that he never gave it a job of work; three to one he does not take the paper; two to one that if he is a subscriber he is a delinquent; even that he never does anything to assist the publisher to run a better paper, and forty to one he is the most eager to see the paper.
