SILVER WEDDING ANNIVERSARY

The home of Mr. and Mrs. E. D. Fraser, of North Lake, was the scene of a very interesting event on the evening of November 9, when a number of friends and neighbors gathered to congratulate Mr. and Mrs. Fraser on the 25th Anniversary of their marriage. Music was furnished by Mrs. J. H. Baker and Mr. Garnet Frohitt. Another pleasant feature was a recitation by Mr. J. H. Baker. After some congratulatory remarks had been made, Mr. J. E. Dingwell read the following address:

To Mr. and Mrs. E. D. Fraser:
A few of your neighbors and friends have been reminded that this is the twenty-fifth anniversary of your marriage and have taken this opportunity to call and offer our most hearty congratulations. In doing so we are assured that it is not simply following custom, but because our religious, social and business relations have been so harmonious that we are able to rejoice together without one discordant note. Quite naturally on occasions like this our minds become retrospective and the assertion can safely be made that the last quarter of a century offers more food for

thought than any other like period of time.

The World War with its horrors, sorrows and lessons is embraced therein. But tonight with the poet we will say "Let the dead past bury its dead," and think most of the very many discoveries that have been made in medical research, that cure or alleviate the ills of mankind; the inventions within our reach that annihilate space; the modern and improved methods open to all that put our rural heritage on a par with city homes—a thing undreamed of half a century ago. Whether we realize it or not our lot is cast in pleasant places. What is it that makes a community? Many things—but chief of all the desire of each home and family to do well their part. It is not flattery to say on this joyous occasion that you have always helped in everything that was in the interest of the place or for whatever cause that was considered worthy; and have generously given of your time and means. We sincerely hope that you may have many years to enjoy the company of each other, and that the family that has blessed your union may follow in your footsteps. To remind you in future years of this memorable event we ask you to accept this token of our esteem.

After the reading of the address, Mr. J. H. Baker, on behalf of the assembled guests, presented Mr. and Mrs. Fraser with a silver casserole together with a sum of money. After refreshments had been served, the company sang "O Canada" and dispersed to their homes feeling that they had spent a very pleasant evening.

Wife: "You should never take anything that doesn't agree with you."
Husband: "If I had always followed that rule, Maria, where would you be?"

—SUSPENDED SENTENCE.—In the Court House at Summerside, on Tuesday, Justices of the Peace, Messrs John Mollison and Alexander Campbell, gave judgment in the case of the theft of coal, valued at 375 cents, from New Annapolis Station which was tried the previous Tuesday. They found two of the parties guilty but suspended the sentence pending their good behaviour, and their entering into a bond to appear at any time within a year to receive sentence if called upon. The charge against a third member of the party was dismissed. The offender against whom a warrant was issued is still at large. Mr. Heath Strong, K. C., was counsel for the defence.—S.

—CAR BADLY SMASHED.—On Tuesday evening quite a bad auto smash up took place about a mile east of Summerside. As Dr. J. A. McPhee was driving home to Summerside he was run into by a car going in the opposite direction. Fortunately no one was hurt but both cars were badly smashed up. Dr. McPhee had the mud guard of his car badly bent and the running board injured, he also had to change a tire before being able to proceed home. The owner of the other car, Mr. Gorman, of Bonshaw, was obliged to leave his car in the ditch, it being badly damaged. The front wheel was broken besides other damage.—S.

—MISCELLANEOUS SHOWER.—The home of Mr. John Picketts, of Wilmot, was the scene of an enjoyable affair on Monday evening, when about one hundred and fifty guests of both sexes gathered to extend their best wishes and shower his daughter Miss Myrtle, with beautiful and useful gifts on the eve of her wedding. A daintily trimmed basket was brought in to the reception room and the bride-to-be was escorted by Miss Olive Jardine to the room where every one had assembled. The presents were opened by the Misses Lillian Sobey, Catherine Clark and Allan Hogg. The verses accompanying the gifts were read by Messrs Austin Jardine and Emerson Huestis and were the cause of a good deal of merriment. The evening was pleasantly spent in music and song. Mrs. Jenkins favoured the part with an exceptionally well rendered solo. Mrs. Waldron Davidson, of Kensington, Mrs. Justine Woodside, of Clinton, and Miss Gladys Picketts, all sisters of the bride-to-be were the hostesses of the evening and served a delicious lunch. Before departing for their homes all joined in singing for She's a Jolly Good Fellow.—S.
