Weak, Sickly Children

Are Restored to Health and Vigour by Using Dr. Chase's Nerve Food.

Many children are pale, weak, and bloodless from their birth. Many others have their blood and nerves exhausted, and their systems broken down by the ravages of disease, or as the result of over-study at school.

Dr. Chase's Nerve Food is the ideal treatment for children. It supplies the very elements which are lacking in the pale, weak, and nervous. It restores the colour and richness to the blood, invigorates the nerves, and builds up the system. As a restorative after the exhausting and debilitating effects of measles, scarlet fever, and such ailments, it is of incalculable worth.

Mrs. Stephen Dempsey, Albury, P. E. county, Ont., writes:—"My little granddaughter, nine years old, was very pale and weak, and had no appetite. She had a tired, worn-out appearance, and was delicate and sickly. I got some of Dr. Chase's Nerve Food for her, and it has helped her very much. She is gaining considerably in weight and looks real healthy."

HOW ARE YOUR NERVES.

If they are weak and feel nervous and easily "frustrated," can't sleep, and rise in the morning unrefreshed, your blood is poor. Strong nerves depend upon rich, nourishing blood. Hood's Sarsaparilla makes the nerves strong by enriching and vitalizing the blood. It gives sweet, refreshing sleep and completely cures nervous troubles. Begin taking it to-day. Nausea, indigestion are cured by Hood's Pills.

Today's Probabilities.

WASHINGTON, Oct. 15.—(Special).—The Probabilities for today are as follows: Fair, light to fresh northeast winds.

BUSINESS FAILURE

Is Frequently Caused by the Worry Attendant on Dyspepsia.

Dodd's Dyspepsia Tablets Set in and Remove the Cause of the Trouble. This Brings Success and Prosperity.

Many a man is ruined by Dyspepsia. Many a business man becomes bankrupt through Dyspepsia.

A business man needs all his wits—a clear brain, steady nerves, and a strong, resolute will power, to succeed in these fierce days of competition.

Dodd's Dyspepsia Tablets, by giving perfect digestion, give sound sleep—hence steady nerves and a clear head.

If he would have a clear brain and steady nerves, he must give brain and nerves their proper rest.

To rest his brain and nerves he must sleep. Want of sleep clouds the brain, makes it confused and slow, and makes a man nervous—"shaky."

You can't lie awake all night, and keep awake yourself and keep all your senses awake in your store next day.

Dyspepsia robs a man of his sleep. It causes mental sufferings well as physical agony.

It robs him of his keenness, his clearness of sight, and his power of concentrating his attention.

He leaves his business to the care of employees, who are careless. Or he is gruff and ungracious to customers.

Trade falls off. He worries more and more. He makes mistakes. Matters grow worse and worse, and finally he "breaks."

Dodd's Dyspepsia Tablets give sound and refreshing sleep. They give perfect digestion by digesting the food themselves.

SECRETARY OF STATE.

It is reported that Lord Cromer, the British Diplomatic Agent Consul-General in Egypt, has been summoned to England, and that he will be offered the position of Secretary of State for War in the new Cabinet.

THE GREEN SICKNESS.

Girls who lack sufficient nerve force to develop into healthy womanhood become pale, weak, nervous and irritable. They have chlorosis or "green sickness" and can only be cured when the nerves are restored and revitalized and made rich by using Dr. Chase's Nerve Food, the great restorative in pill form. It makes pale weak women and girls healthy, rosy and plump. Note increase in weight while taking it.

COURT FOR CHILDREN.

ALABANY, Oct. 10.—The State Board of Charities at its regular meeting to-day adopted the resolution approving the principle of establishing children's courts in the city of New York, wherein the cases of children alone shall be dealt with and all contact with adult offenders be prevented.

A BAD CASE OF ASTHMA.

Mrs. George Budden, Putmanville, Ont., says:—"I feel it my duty to recommend Dr. Chase's Syrup of Linseed and Turpentine, as I had the Asthma very bad; could get nothing to do me any good. A friend of mine persuaded me to try this remedy as he had tried it, and it proved successful. I tried it and it cured me. I am thankful to-day to say I am a well woman through the use of this remedy. I keep it in the house all the time, and would not be without it."

WE ARE IN THE Monumental Business.

We devote all our time and energies to this line only. We employ tradesmen who thoroughly understand their business, some of them having served their time with the old reliable firm of Cairns & McLean.

Proportion is one of the most particular branches of our trade; without it a Monument cannot look well. This is one of the places where some competitors are continually going astray.

We do not import condemned stock full of cracks and stains, because it is cheap, but we pay the right price and get the right goods.

The Balance of our Stock WILL BE CLEARED OUT AT COST
