HAVE YOU BEEN IN THIS FIX?

If You Have Kept a Box of Dodd's Dyspepsia Tablets for Reference—They Always Bring Relief.

How often after eating something that did not agree with you have you ransacked the house for something to give you relief. Of course you did not fear any serious results, but the discomfort was such that you were prepared to give anything in reason or out of reason just to feel at rest for a moment.

Do you know that one or two of Dodd's Dyspepsia Tablets was the very thing you were looking for? If you don't, ask anybody who has ever used them, and they will tell you. Listen to what Mr. R. Japanski, Postmaster at Fesserton, Ont., says:

"I have given Dodd's Dyspepsia Tablets a fair trial, and can with every confidence recommend them. I generally use one or half a tablet after eating, and it never fails to give me relief."

If you would eat what you like, when you like, use Dodd's Dyspepsia Tablets.

"Eat Plenty of Fruit."

That's what the Doctors say when one is constipated. Because fruit acts on the liver, causing it to excrete bile which aids digestion and increases the peristaltic action of the bowels, thus preventing constipation. But eating fresh fruit alone, won't CURE. The laxative principle is too weak and in too small quantity.

Fruit-atives
or Fruit Liver Tablets

are the tonic and laxative virtues of apples, oranges, figs and prunes, many times intensified—by our secret process of combining the juices—and made into tablets.

"Fruit-atives" act gently and naturally—tone up the liver—greatly increase the flow of bile—effectively cure Indigestion, Bilioussness, Headache and Constipation—build up and strengthen the whole system.
