**SLIGHT FIRE.**—Following on Saturday's false alarm of fire, came a real call last evening about 7.30 o'clock. **RUNAWAY HORSE.**—Some excitement was caused on Kent Street yesterday afternoon by a horse running away. The animal, which was attached to a delivery team of the Sterns Steam Laundry, became frightened, through no apparent cause, and started to run from the Laundry up Kent Street at a fast gait. Opposite the Central Christian Church the wagon collided with a sloven. The driver of the Laundry team was thrown heavily to ground, while the traces and shafts broke, as a result of the collision, the horse getting clear and running for a short distance further before being captured. With the exception of the shock of the fall, the driver escaped unharmed.

**CIVILIAN RIFLE CLUB.**—The annual meeting of the Civilian Rifle Association was held in the office of Mr. E. R. Brew last evening. A large number of members were present. Capt. P. Barlow being in the chair. Mr. R. V. Longworth gave a full account of the affairs of the club, which was encouraging, a considerable balance being carried over for this season's expenses. The record of the club for the year 1913 has been quite successful and great enthusiasm prevails among the members for the ensuing season. The following officers were duly elected: Captain, Mr. W. S. Louson; Secretary-Treasurer, Mr. R. V. Longworth; Executive, consisting of Major Allan, Mr. C. W. Fatterson and Mr. E. G. Love with the Captain and Secretary. This Executive will meet next week to arrange the shooting events for the season. It was decided to enter a League team of ten members in the Dominion League matches, commencing Saturday, May 30th. The club will have its first club practice on Saturday afternoon, May 9th, at Kensington Range.

**WEDDING BELLS.**—A pretty wedding took place at the residence of Mr. and Mrs. R. B. Dewar, 15 Kent Street, Charlottetown, at 8 o'clock last evening, when their daughter, Miss Florence Matilde, became the wife of Mr. T. Stephen Hubbard, of Charlottetown, formerly of Georgetown, British Guiana. The ceremony, which was performed by Rev. Dr. T. P. Fullerton, was witnessed by a few invited guests, personal friends of the young couple who were unattended. The bride was given away by her father and looked charming in a dainty gown of white silk with shadow lace trimmings and carrying a bouquet of carnations. After the ceremony the guests enjoyed a delightful wedding supper at which toasts and good wishes were showered on the happy young couple. Among the many valuable gifts received was a cabinet of silver, accompanied by an address, presented by the entire Guardian staff, the bride having held a responsible position on the news staff of this paper for some five years and being a general favorite; Mr. Hubbard is also a valued member of that department. The groom's gift to the bride was a handsome gold watch and chain. Mr. and Mrs. Hubbard leave this morning on a short honeymoon trip. With their many friends The Guardian joins in best wishes for their future happiness and prosperity.

**EVANGELISTIC SERVICE.**—Evangelist "Gypsy" Smith spoke to a large and interested audience in the First Methodist Church last evening. His theme was the power of the Gospel to lift men out of sin, taking as the basis of his address the man out of whom Christ cast the legion of devils. The address was wonderfully practical and made radiant with personal illustrations. Mr. Smith is an interesting speaker, thoroughly evangelical and carries his audience from point to point in the most winning manner. Miss Coombs' solo, as well as that of the evangelist, was much appreciated.

**THE STEAMERS.**—The Northumberland left Charlottetown yesterday morning and making a quick crossing docked in Pictou in the forenoon. She will cross to Charlottetown this morning. The Earl Grey also crossed to Pictou with 1,700 lbs. freight, 30 sacks mail, and 7 passengers and arrived at 10.50. She left on return to Charlottetown at 1 o'clock and arrived at 4.40, having on board 2 tons express, 5 passengers and 100 sacks mail. The Minto reached Hastings on Sunday afternoon at 3 o'clock, from where she will proceed to Charlottetown. The Empress leaves Charlottetown this morning at 7 o'clock for Pictou and will return in the afternoon. She leaves at daylight Wednesday morning to take up her regular route between Summerside and Point du Chene. The Earl Grey yesterday received orders to stop and consequently will no longer run on the Charlottetown-Pictou route.

**EXPLANATION MADE.**—The North Sydney Herald says that the deep mystery among the horsemen of the Province regarding the identity of the trotting gelding, Dr. Sharper, will likely be settled when the Board of Review of the National Trotting Association hold their annual meet in New York on the fifth of next month. The fate of Sharper means a lot of money to Mr. McLennan, of Sydney Mines, who sold the lanky erratic trotter last fall to Capt. Daniel McKinnon, of Charlottetown. The sale, however, is believed to be conditional, and the horse will likely be returned here if he is not fully cleared. Besides there is some \$600 held up by the Halifax track, representing Sharper's winnings at the Exhibition meet there last fall, when he defeated Devilish, Dorothy and all the other fast ones in a couple of sensational races. And even over in New Aberdeen, there is some money held up, which means that if Sharper is not freed from suspicion and proved clear, that Dollie Jobs, of Florence, who raced Piccola Snell to second money, will receive a further dividend from the management of the Black Diamond track, which will mean a further dividend to other horse owners. There has been many horse tangles in the Province, but the ease of Dr. Sharper is the hottest puzzle that has ever presented itself in these parts, and it is to be hoped the Board will dispose of the case finally when it comes up in two weeks' time.

**THE PEOPLE'S THEATRE.**—The patrons of the People's Theatre were last night given another feast in moving pictures which was thoroughly enjoyed by the large numbers present.

Man in the Hamper," a strong story programme of love and devotion, and "The Unseen Defense." The lighter side was who take a little time to be honest to-plays.

Following side-splitting films, "A Cure for Suffragettes" and "He's a Lawyer." The pictures were of the top-notch standard which is the strong feature at the People's, and were enthusiastically received by the delighted spectators. Mr. Priestman's "Mysterious Eyes" (showing the man in which a noble-spirited girl scored further successes with his two tried a desperate plot.) "The amiable contributions. The same Kent Sts.
