Drew Scores King For Scrapping Conference

Bodies Of Hitler's Henchmen Today Lay In Unmarked Graves

(By G. E. Hedenfeld)
NURNBERG, Oct. 16—(AP)—The bodies of 11 Hitler henchmen were spirited away to secret and unmarked graves today while harassed guardians of Herman Goering launched a microscopic, inch-by-inch examination of his cell for clues as to how he had managed to cheat the hangman by suicide.
The prison chaplain and assistant security officer both expressed the opinion that the wily no. 2 Nazi had carried on his person, ever since his capture 1 1/2 years ago, the deadly potassium cyanide which he gulped less than two hours before he was to march to the gallows.
How he managed to do this remained unexplained. The dump defendant had been searched at least 10 times during his months in captivity.
Mystery surrounded the burial of Goering and of the 10 top-ranking Nazis who died on twin gallows shortly after midnight on this cold grey morning.
The 11 corpses of the men who brought death and suffering to millions were removed from Nuremberg prison in sealed vans, under armed escort, for an unannounced destination. One suggestion was that they might be buried at sea.
Capt. Samuel Binder of the security police detail said the final resting place of the 11 would remain a secret.
The news of Goering's grim joke—that he had been able to outwit scores of United States troops whose job was to see that he kept his date with the gallows—spread with lightning speed throughout Germany.
Although many Germans cursed the price increase which will affect Nova Scotia newspapers supplied last year's crop by 187,000 bushels, a new estimate by the provincial Department of Agriculture's Bureau of Statistics showed today. The bureau said the latest figures presented an even more optimistic picture than earlier reports.
The total potato crop now is placed at 4,360,000 bushels compared to 3,170,000 bushels in 1945. The new estimate is about 100,000 bushels above average for the 1939-43 period.
About 14,000 acres, an increase of 1,000, were sown in potatoes this year and the average yield per acre was 182 bushels, 40 more than in 1945.
The production estimate made today was 240,000 bushels higher than that made two weeks ago by the department.

Wage Increase Is Accepted

WINDSOR, Ont., Oct. 16—(CP)—By a 2-1 vote tonight employees of the Windsor plant of the Chrysler Corporation accepted a general hourly wage increase of 12 cents and the Rand Union security formula, thereby ending a 120-day-old strike called by the United Automobile Workers of America (U.A.W.).

Canners Out On Strike

ST. CATHARINES, Ont., Oct. 16—(CP)—Approximately 300 canning factory workers, members of the United Packinghouse Workers of America (U.P.W.A.), went on strike today at plant 18 of Canadian Canners Limited.
C. A. Roberts, Union organizer, said the Union sought better working conditions, a wage increase and Union security. He would not specify the increase asked in the present disagreement.
Two months ago workers in the plant received a 10 cents-an-hour increase.

Coming Events

- Talkies—Canoes Cove Friday.
- Show—Bridgetown Saturday.
- Movies at Victoria to-night.
- Show—Cameo, Thursday, 8.30. "The Gay Cavalier." Also Serial.
- Legion Dance, Belfast Hall, Friday, October 18th.
- Poultry buying daily live and dressed poultry, paying top market price. Davis & Fraser, Ltd.

Magdalen Islands Now Under Ruling Of Gaspé Diocese

GASPÉ, Que., Oct. 16—(CP)—The Magdalen Islands, heretofore administered by the Bishop of Charlottetown, P.E.I., have been placed by the Vatican under the jurisdiction of the Gaspé diocese. It was announced yesterday by Most Rev. Albin LeBlanc, Bishop of Gaspé.
The Magdalen Islands have 1,350 Roman Catholic families in five parishes.

Minister Comments On Nurses' Complaint Re Recent Epidemic

A complaint by several graduate nurses of the Provincial hospitals with regard to payment for their services in nursing polio victims during the recent outbreak, was said by Hon. William M. Hughes, Minister of Public Health and Welfare, to be "groundless."
The Provincial Government, Mr. Hughes said, contributes nothing towards nurses' fees. However, because several of the polio cases undergoing treatment in the various hospitals were indigent cases, the Department of Public Health and Welfare decided to pay each nurse engaged in polio nursing the regular sum of \$4.00 per each eight-hour nursing day.
For the most part, Mr. Hughes said, the polio cases were looked after under the multiple-nursing system. That is to say, one nurse might be handling six or seven polio cases. As all except indigent patients must pay their hospital bills, it seemed only reasonable to assume, that the nurses would be getting paid by those patients who were in more fortunate circumstances. It would appear, then, Mr. Hughes concluded, that with his Department's daily pay of \$4.00 and whatever additional the patient received from the parents, the nurses were "not 'aring too badly."
In the meantime, Mr. Hughes said, the cooler weather had appeared and the epidemic of all its virulence as no new cases had been reported for a week.

Potato Crop Picture In N. S. Is Optimistic

HALIFAX, Oct. 16—(CP)—Nova Scotia's 1946 potato crop will surpass last year's by almost 100,000 bushels, a new estimate by the provincial Department of Agriculture's Bureau of Statistics showed today. The bureau said the latest figures presented an even more optimistic picture than earlier reports.
The total potato crop now is placed at 4,360,000 bushels compared to 3,170,000 bushels in 1945. The new estimate is about 100,000 bushels above average for the 1939-43 period.
About 14,000 acres, an increase of 1,000, were sown in potatoes this year and the average yield per acre was 182 bushels, 40 more than in 1945.
The production estimate made today was 240,000 bushels higher than that made two weeks ago by the department.

Urges Adoption Of Cardinal McGuigan's Suggestion

QUEBEC, Oct. 16—(CP)—In a telegram to Louis St. Laurent, Federal Minister of External Affairs, Frederick Dorion (U.N.)—Charlesvick Saguenay urged the Canadian government to adopt the suggestion of Cardinal McGuigan, Archbishop of Toronto, and join the United States and Britain in protesting to the Yugoslav Government against the recent conviction of Roman Catholic Archbishop Stepinac.

Fuel Minister States That Coal Situation Still Grave

By James McCook
Canadian Press Staff Writer
LONDON, Oct. 16—(CP Cable)—Fuel Minister Shinwell said today in the House of Commons that coal production is increasing although manpower is less. He said the prospect for the coming winter still is grave.
He was answering Capt. H.P.C. Crookshank, former Conservative Mines secretary, who said the government had followed a course of "plain politics" in the mining industry in 1945. Nationalization legislation was completed this year.
The said-tongued Mr. Crookshank said that Mr. Shinwell is likely to go down in history as a minister without fuel and without power. Equally bitter, Mr. Shinwell said he wondered if opposition is as anxious as it pre-

Found Guilty Of Torso Slaying; Sentenced To Hang January 7th

(By Alan Randall, Canadian Press Staff Writer)
HAMILTON, Oct. 16—(CP)—Mrs. Evelyn MacLean Dick, 26 only last Sunday, tonight was sentenced to be hanged Jan. 7 for the torso slaying of her husband, John Dick, last March 6.
She took this sentence with no display of emotion, standing alone and firmly in her place by the prisoner's bench before Mr. Justice F. H. Barlow of the Ontario Supreme Court.
Her only words: "I want to appeal my case."
"Your appeal will be handed on to the proper authorities," said His Lordship.
And then Evelyn, as calm and self-possessed as at any time during the customarily black cap, delivered his sentence with a grimacing smile, left the courtroom, turning to her bench to pick up her gloves as she went.
The verdict came at 5:58 p.m., one hour and 52 minutes after the jury retired with their 109 exhibits and their masses of testimony.
Evelyn who said she drove the motor car that chills March day when husband John Dick met his end from two revolver bullets fired from the back seat by William Bohoruk returned to the courtroom at 6:45 p.m. with a police matron.
As ever, she was the self-possessed young widow, centre of curiosity, morbid and otherwise, these past nine days.
She looked cheerier than when the jury went out at 4:06 p.m. her make-up freshened during the interval. But she was perhaps a shade tense as her big, dark over-roved over the courtroom to the east door and watched the unsmiling jurors march in.
Charles Paupst of Dundas, Ont., jury foreman, said a verdict had been reached: "We find the accused guilty as charged with a recommendation of mercy."
An then His Lordship, not wearing the customary black cap, delivered his sentence with Mrs. Dick standing: "... solitary confinement until the seventh day of January when you shall be taken to the place of execution and there hanged by the neck until dead."
Newspapermen galloped for telephones. Mrs. Dick was led away for transportation back to the jail. Outside, about the police house doors the crowd which nightly has awaited her appearance.

Russian Defence Budget Slashed By Over 10 Billions

By Eddy Gilmore
MOSCOW, Oct. 16—(AP)—A slash of \$10,571,000,000 in next year's Russian defence budget, along with a hike of about \$66,000,000 for scientific research for the further growth of the economic and military might of the Soviet Union, was recommended today by Finance Minister A.G. Zverev.
The budget proposed to the Supreme Soviet (parliament) contains a defence appropriation of 72,200,000,000 rubles (56,031,000,000 rubles less than last year's defence expenditure) and a proposal for 6,000,000,000 rubles to develop science in Russia. This was 2,000,000,000 rubles more than last year's quota of 4,000,000,000 rubles.
The Finance Minister, in making his recommendations to the Supreme Soviet, said the "basis for this year's budget is the cost of the five-year plan."
The newspaper Pravda said, "our budget reflects a new period and new tasks."
Zverev proposed a total budget of 219,300,000,000 rubles. That would amount to approximately \$60,000,000,000.
He estimated income at 330,400,000,000 rubles, approximately \$82,340,000,000.
Those figures give Russia an anticipated 11,000,000,000 rubles (\$2,980,000,000) over in the treasury.
The major war powers to get income above expenditures if her budget figures held up during the year's business.

Five Rescued From Wrecked Building

FITZBURGH, Mass., Oct. 16—(AP)—Five men were rescued from an explosion-wrecked two-story wooden barna storage building tonight and a preliminary police report said, "there are a lot of broken bones."
Three Roman Catholic priests crawled into the teetering wreckage, administering last rites, while Dr. Leo Young hipped hypodermic needles into the victims.
Acting fire chief John Nikula said the men were trapped when the barn—apparently caused by leakage in gas burners used to ripen bananas—shattered two walls and collapsed the roof and ground floor.
Police were unable to identify the men as they were taken from the debris for delivery to the full extent of their injuries.

Appeal Is Dismissed

TORONTO, Oct. 16—(CP)—The appeal by Edward Wilfred Mansel of Fredericton against his conviction on a conspiracy charge was dismissed today in an order handed down by the Ontario Court of Appeal.
Mansel, 30-year-old espionage accused, was sentenced last June 1 on charges of conspiring to disclose to the Soviet Union, he was sentenced to seven years in penitentiary.

New Board Elected Tuberculosis League

At a meeting of the newly elected board of management of the P. E. I. Tuberculosis League held at the Charlottetown hotel, Mr. Charles R. McQuaid of Charlottetown was elected President. The other members of the executive committee were: Vice President—Mr. Alex Matheson. 2nd Vice President—Mrs. Parnell McMahon. Secretary—Miss Iphigene Arsenault. Treasurer—Mr. A. B. Belcher. Hearty appreciation of the services rendered by Mr. Herbert Fletcher, retiring President and his executive were expressed and plans for the coming year were up for discussion.

R.C.N. To Launch Recruiting Campaign

OTTAWA, Oct. 16—(CP)—A fall recruiting campaign is being launched by the Royal Canadian Navy to fill 3,000 vacancies in its permanent post-war force, and better pay, opportunities and accommodation are being offered as enlistment incentives.
Some 7,000 officers and men have already enlisted or reenlisted for duty in the permanent navy. The army has recruited 12,000 to 13,000 of its authorized peacetime force of 25,000 while the R.C.A.F. with a goal of 18,000 has accepted more than 9,000.

Accidental Death

SYDNEY MINES, N.S., Oct. 16—(CP)—A coroner's jury last night decided that Robert Parker, 66, of Florence, N. S. met death "in a purely accidental manner" when apparently struck by a C.N.R. freight train Sunday.
The verdict carried a rider that "no person or persons are to blame." Parker was found dead on the tracks about three hours after the train had passed. Blood hair and other parts of the body were found on the second engine of the freight train.

Little Agreement Seen On Federal Labor Code

OTTAWA, Oct. 16—(CP)—Traditionally, Quebec is the province most strongly opposed to any invasion by the Dominion of provincial territory and is the province most difficult to sell on the idea of a uniform national code.
While the Dominion proposals have opened the way for general agreement on a national code, there has been some speculation that even the Dominion Government itself has not pressed for acceptance. This, coupled with the fact that at least some of the provincial delegations have no authority to give a definite "yes" or "no," tends support to the theory that the conference will not yield any definite results.
Expectations are that the Dominion will be left to follow its own course in amending the Industrial Disputes Investigation Act or introducing legislation along similar lines to succeed it when the wartime code expires.
The I. D. I. A. was suspended when the code came into effect in 1944.

Ontario Premier Sees Centralized Government Being Formed At Ottawa

TORONTO, Oct. 16—(CP)—Premier Drew of Ontario said tonight that Prime Minister Mackenzie King had asked for an early resumption of the Dominion-Provincial conference.
Premier Drew released an exchange of correspondence with the Prime Minister and said he had told the Prime Minister in a letter today:
"It is apparent that not only are you preventing the possibility of such an agreement now, but that you are determined to follow a course which will still further prejudice the ultimate possibility of reaching any satisfactory agreement on Dominion-Provincial relations.
My colleagues in the Ontario Government have carefully considered the statements in your letters and we can only conclude that your effort to force individual agreements upon all the provincial governments in violation of the very principles which you have yourself asserted in the past, is part of a settled design to substitute for a modern and overhauled federal system—such as we have urged—a form of centralized authority which still carries the name of confederation but is in truth de facto unitary government at Ottawa. This you are seeking to do by economic pressure."

Dosco Officials Leave For Meetings

SYDNEY, N. S., Oct. 16—(CP)—Three officials of the Sydney Steel Union left tonight for Montreal where it is understood meetings will be held in an attempt to iron out the disputes barring complete resumption of work at the Dominion Steel and Coal Corporation plant here.
The Union representatives, Edward Corbett, president, Jimmy Nicholson, secretary, and former W.A.C. district representative, were instructed by C.H. Millard, national director of the United Steel Workers, to leave for Montreal for the meeting with steel controller F. B. Kilbourn.
Local vice-president Clarence McInnis said tonight he expected members of the Dosco management would also attend the meetings.

Rumors Discounted

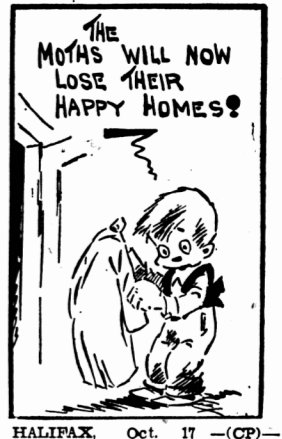

SASKATOON, Oct. 16—(CP)—Rumors that the C.C.F. election was planning an early election in Saskatchewan were discounted today by Premier J. C. Douglas.
Walter Tucker, Saskatchewan Liberal leader, said last Friday that an election would be called before the next session of the legislature.

Concludes Agreement With R.A.F.

OTTAWA, Oct. 16—(CP)—Canada has concluded an agreement with the Royal Air Force by which the R.A.F. will recruit Canadian aircrew from former members of the R.C.A.F. for service in any part of the world. Air Minister Gibson announced tonight.
R.A.F. representatives at Air Force headquarters will accept applications for service from former R.C.A.F. officers and airmen in aircrew trades who have been trained up to at least Operational Training Unit standards, operational experience being considered an added asset.
Canadian aircrew accepted for service will receive the new scale pay and allowances, which are higher than that of the war years in the R.A.F. and compare favorably with pay in the post-war R.A.F.

Given Five Years

HAMBURG, Oct. 16—(AP)—A British zone war crimes court today sentenced a German naval captain, Karl Heinz Meohle, 38, to five years in prison on charges of giving orders to U-boat commanders to kill crews of torpedoed merchant ships.

HALIFAX, Oct. 17—(CP)—(Thursday)—Official inland weather forecasts issued today by the Dominion Public Weather Office at Halifax forecasters valid until Thursday midnight.
Prince Edward Island, Western Counties: Overcast with showers. Considerably cooler tonight. Southwest winds 28 mph shifting in the evening to northwest winds 20 mph. High today at Charlottetown.
TORONTO, Oct. 16—(CP)—Minimum and maximum temperatures: Vancouver 28, 55; Edmonton 23, 52; Regina 26, 57; Winnipeg 28, 38; Toronto 46, 71; Ottawa 47, 67; Montreal 43, 70; Quebec 40, 66; Saint John 40, 57; Moncton 25, 65; Halifax 35, 60; Charlottetown 37, 58; Sydney 37, 55; Yarmouth 36, 58.
High tide this afternoon at 4:19 and tonight at 3:24.
Sun sets this afternoon at 5:12 and rises tomorrow morning at 5:18.
Last quarter moon October 17th, 8:28 A. M.
Summerside tide sixteen minutes later than Charlottetown.

AIR SCHEDULE
Charlottetown—Moncton—Leave Charlottetown 8 A. M., 11:20 A. M., 6:15 P. M.
Arrive Charlottetown 6:55 A. M., 1:55 P. M., 5:55 P. M.
Charlottetown—Halifax—Leave Charlottetown 1:45 P. M. arrive Charlottetown 4:55 P. M. Quebec 40, 66; Saint John 40, 57; Moncton 25, 65; Halifax 35, 60; Charlottetown 37, 58; Sydney 37, 55; Yarmouth 36, 58.

CAR FERRY
"PRINCE EDWARD ISLAND"
Leave Borden at 9:05 A.M., 1 P.M. and 4:30 P. M.
Leave Tormentine 10:30 A. M. P. M., 7:30 P. M.
Extra trips are made between which automobiles are carried.

SUNDAY SERVICE
From Borden, 1 P.M., 6:45 P.M. from Tormentine 1 P.M., 6 P.M.
