Why Argue?

Bullheaded as most umpires are, even they agree that for a superior performance in baseball, as well as in other sports, a player must have superior equipment. To them such names as Spalding, Reich, etc., are synonymous with first rate sports gear. These prominent firms supply Smallman's with mitts, gloves, bats, balls, and umpire indicators, all of which are in stock at the present moment.

This is the time of year for tennis-conscious people to be practicing a new and deadly serve in their basements or back yards. If last year's racket has taken a beating, be sure to replace it with a new Campbell 44. Smallman's sporting goods section of the Hardware Dept. is offering perfectly good Campbell tennis balls for 25¢ each. Don't miss this valuable bargain! To keep cool and what is even more important—to look fresh on a court during a heated game, supply yourself with an outfit from our ladies' wear. If the exercise does not slim you down to satisfactory proportions, then shorts with proper slenderizing lines will do the trick! They come in alpine and gaudy with a wide range of colors. Striped jersey short-sleeved sweaters make a very attractive contrast to the plain shorts, and are the last word in ease and comfort.

For Men — all-purpose Fairway trunks, which can be worn for play or swim, are the latest in practicality and smartness. To go with these, the Gents' Furnishing Dept. also have cool-as-a-breeze shark-skin sport shirts.

The play shoes of the nation are without doubt—Sizman scampers. The composition or crepe soles add luxurious comfort for summer sportswear.

Summer is "in the bag" when you choose yours from our assortment of striped or plain fabric hand bags, which have either handles or shoulder straps. Or if you find a larger bag too awkward for casual wear, Smallman's Ladies' Accessories Department has new plastic bags with a convenient wrist strap. They are in red, white, or black, and are just large enough for compact lipstick, and change purse — in other words — just right!
