More Money for the Small Dealers

The big man isn't big in spite of the telephone—it's because of it, to a certain extent.

If you're satisfied with the profits your great-grandfather made, if you just want to eke out a bare existence from your business, if more business don't look good to you---well, a phone will be just in the way---a bothersome ornament.

But, mark it down plain, if you want more business, a larger and better class of customers, straight tips on all the markets, the most profitable of inside information and the respect of your customers and envy of your competitors---in short if you want success---you'll see what we can do for you, and you won't waste time over it either.

The phone will bring you business---it will prove its worth in better returns, in actual additional cash in your till.

Let Contract Dept. prove these facts to you.

THE WESTERN GUARDIAN

—IT PAYS to buy in this Province.

—MINTO ARRIVES.—The Minto arrived in Summerside at 3.00 p. m. yesterday with six passengers, forty-three tons freight and fifty-eight bags mail. Outward she had six passengers, thirty-four tons freight and forty-four bags mail.J.

—SUMMERSIDE SKATERS.— A large number of the skaters of Summerside enjoyed the first skate of the season on the rink last night. The ice was in good condition and the music of the band was greatly appreciated.J.

—FIRE.—About nine o'clock last evening a large fire took place in the vicinity of Portage but from some unaccountable reason in not being able to reach that place by telephone no information could be learned as to the nature or cause of the fire.

—ACCIDENT.—An accident which may be followed by serious results occurred at Port Hill on Sunday Morning. Albert Gillis a resident of that place, fell a distance of 15 feet from a loft where he had been putting down feed. Dr. Champion who has the case in hand, thinks Mr. Gillis will recover if complications do not set in.J.

—C. S. MURPHY DEAD.—Word reached Summerside last night of the death in San Francisco on Dec. 23rd of Chas. F. Murphy, son of Frank Murphy of Summerside. As yet the particulars have not been ascertained. His loss will be deeply felt as he was highly esteemed by all with whom he came in contact. He is survived by his father, one brother Joseph, of Brooklyn, N. Y., and three sisters, Mrs. F. G. Blizzard and Miss Eva of Summerside and Florence of Boston who sincerely mourn the loss of a much loved son and brother.J.

—LANDMARK PASSES AWAY.—A remarkable life ended at Coleman on January 2nd, when Mary McPhee, wife of Donald McEachern, passed to her reward, at the advanced age of 93 years. The aged couple celebrated the 67th anniversary of their marriage last summer. Mr. McEachern still survives, a sturdy veteran as active as many a man half a century younger. Mr. and Mrs. McEachern were among the early settlers in West Prince and when houses were few, were known far and wide for abounding hospitality and enjoyed a large place in the affections of the community.

—GOOD TIME.—A concert and pie social in aid of the Prince County Hospital was held in the Hamilton Hall on the evening of Dec. 6th. The following program was very creditably rendered and received the uninterrupted attention of the audience throughout:—Remarks by the chairman, gramaphone selection, instrumental music by Miss Harriet Phillips and Kier Ramsay, encored; chorus by the choir, dialogue, The Reconstructed Man; solo by Mrs. Alex-Sinclair, encored; gramaphone selection, chorus by choir, recitation by Elmer Phillips, instrumental music by Harriet Phillips and Kier Ramsay, encored; dialogue, Way Down East; gramaphone selection, chorus by choir, recitation by Amy Woodside, solo by Parmenas Phillips, encored; reading by Miss Alfaretta Clark and chorus by choir. At the close of the entertainment the social was begun. Hugh Morrison and Chas. McDonald were called upon to auction the pies which they did in a very satisfactory manner. Special mention might be made of Nelson Owen for the gramaphone selections which were well appreciated by the audience. The gathering then dismissed all feeling that an interesting social, which not only broadened the sympathies of all but also promoted harmony and enjoyment, had been held.—J.

Constipation and Headache CURED BY Burdock Blood Bitters.

Various kinds of headache exist; for example, nervous, bilious, congestive and sick headache, headache from constipation or dyspepsia, periodical headache, etc.

In all cases of headache the treatment should be directed to remove the cause, and with the cause removed the headache vanishes for all time.

It is impossible to find a better remedy for headache of every description than Burdock Blood Bitters, acting as it does on every organ of the body to purify, strengthen and regulate the whole system.

Miss May Bourdage, New Richmond Sta., Que., writes:—"For years I was troubled with sick headache, and dizziness, and was also constipated. I was advised to take Burdock Blood Bitters and I only took three bottles when I felt like a new person. I can recommend it to anyone who suffers the same as I did."

Burdock Blood Bitters has been on the market for over thirty-five years, and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Is Money Worth Saving?

$4,000 Worth of Furs

Must Be Cleared Out This Month

A Manufacturer's Samples? No!

A Bankrupt Stock? No!!

A Season's Clean Up? No!!

A Maker's Surplus? No!!!

None of these ordinary, antiquated moth-eaten reasons for offering these beautiful Furs at about half of what you would be asked elsewhere in this vicinity.

When a good manufacturer and a wide-awake retailer get their heads together something is liable to happen.

The reason for this sale does not interest you, but the values we are giving certainly should.

IT TAKES TWO FACTS to make this Fur sale great.

FIRST—The furs are fine and new and made in all the latest styles.

SECOND—We are selling them at very much less than you can buy them elsewhere.
