To Be Popular With Boys Dorothy Dix Tells What to Avoid

Don't Pretend to be Wealthier or More Sophisticated Than You Are if You Want to Make a Hit With Boys—Avoid Both the High-Hat Attitude and Hot Pursuit—Don't be Dumb and Don't be Catty

A young woman asks: "What qualities do boys most dislike in girls?" To a certain extent that depends upon the individual man, for men's tastes differ in girls as they do in food.

Boys don't like girls who are HIGH-HAT, and who always act as if they were conferring a favor upon a man when they permitted him to spend his money upon them giving them a good time.

Men don't like DUMB girls who never have a word to say for themselves, and whom they have to work like coal-heavers to entertain. And they don't like girls who do not know how to play tennis or swim.

These are a few of the traits that men dislike in women. Perhaps they are why many girls are unpopular. DOROTHY DIX.
