Distress After Eating

Do You Ever Feel As Though You Had Swallowed A Brick, Instead of a Meal?

A heavy, bloated, stuffed-up, lead-like feeling, which you often experience after eating a meal, is positive proof that something is wrong with your digestive organs. They are becoming weak and "fagged out." There is a lack of gastric and other digestive juices. The food is no longer properly digested and it forms a heavy load on your stomach, so that nearly every meal causes you misery, a distress.

If you are in this condition, it means that you have dyspepsia in some form and may have had it for some time, though you didn't realize it.

Now is the time to check it, for if you don't it will surely develop into worse forms of dyspepsia and other stomach troubles, which may have serious results. But that is not all. The stomach is the hub of the body and an injury to it is an injury to all. A weak stomach causes the whole body to suffer. The action of the heart, liver and kidneys becomes sluggish. The brain becomes inactive. The nerves become unstrung. The blood loses its vitality.

The only safe, sure, scientific method of restoring your stomach to its healthy, normal state, is to use Stuart's Dyspepsia Tablets, which will act as a substitute in digesting your food, thus giving your stomach a much needed rest.

Stuart's Dyspepsia Tablets have stood the tests for years. Thousands have used them and been cured. Physicians all over the United States recommend them. They are not a secret remedy. They contain fruit and vegetable essences, pure concentrated (inert) hydrastis, golden seal, lactose, and pure aseptic pepsin. These combined ingredients will digest the coarsest kind of food and do the work just as well as any good, strong, healthy stomach will.

Don't take our word for it. Ask your physician, your druggist or any of your friends, who may have used Stuart's Dyspepsia Tablets. But you don't even have to take their word for it. Find out for yourself. That's the surest way to learn the truth. Then if you are satisfied, you can go to your nearest druggist and get a fifty-cent box. All druggists sell them. Write us for a free sample today. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Beautiful and Reliable Furs

That this is going to prove a "Fur Season" is evident from the great demand. That this old reliable house is, as heretofore, head quarters for reliable furs, is equally evident from our unusually large sales for this early season.

Our furs need little booming—they speak for themselves—and our reputation for selling reliable guaranteed furs in the past, is now bearing good fruit.

We have as usual an immense range of all the best varieties such as Mink, Sable, Stone Marten, Marmot, Mock Fisher, Isabella Fox &c. in sets and separate piece, at all prices; according to quality, up to the very best.

Our stock of ladies fur coats is up to our usual high standard, both in quality and style, and contains in all the best kinds such as Persian lamb, Russian lamb, Seal Astrachan &c.

Our men's Coon coats are splendid. There is no question of values here, they simply cannot be equalled much less surpassed. Come in and prove this. You will also find the prices moderate.

We have a nice range of ladies fur-lined coats at different prices. If what you want is not among them, we will take your order, and have a coat made to your own choice. This is by far the best method, as you can then have the combination of style, cloth, fur and price you require, which is so hard to get in a ready made. Your order can be completed in about 10 days.

All visitors to the exhibition are cordially invited to come in and view our immense showing, which is certainly well worth a visit.
