Do NOT confuse the two concerts to be given in St Peter's Hall within a few days of one another. The Boys of the club give their's on Monday the 13th. Don't forget it.

THE programme for the entertainment to be given by the boys of St. Peter's club on the 13th, appears in another column. Its perusal will insure a full house for the boys next Monday night.

I. O. F.—A full attendance is requested at the meeting of Court Mount Stephen this evening, as there is important business to be discussed and Lord Mount Stephen's cheque will be presented to the Court.

THE Stanley remains fast in the ice off Little Sand. Several passengers who had gone to Georgetown hoping to cross, got tired waiting and came to Charlottetown yesterday. Among them was Mr. Fred Beer who was returning to the Pacific coast. They will go via the capes.

In a letter to the GUARDIAN from Dr. Clift, Truro, he states that having an important case to treat in that city he has decided to remain there and make that his headquarters and leave this "beautiful town." The doctor says: "I am sorry to leave Charlottetown and the island where I have sown the good seed for over two years in pleasant places. The harvest will come an hundred fold." His departure will be regretted by many here.

GEORGETOWN NOTES.—Business has been very quiet here of late, much more so now, owing to the Stanley being unable to reach here. Her appearance is daily looked for. Quite a number of passengers here are awaiting her arrival, also a large quantity of freight for transportation.—The skating rink is now in full blast and is being well attended. The carnival comes off on the 14th inst, and a good attendance is expected.—The concert given in aid of the Town Hall last Friday evening was a decided success. Notwithstanding the extreme cold weather a large and appreciative audience filled the court house to the doors. The programme was well selected, consisting of musical selections, recitations, comic songs, etc., etc. Although we have deemed it prudent not to particularize on the different and many parts thereon, yet it would be an injustice to allow the recitations of Miss McKenzie, the musical selections of Mrs. Richardson, and the songs of Mrs. Dr. Robertson, Miss McLeod, Mr. Cameron and Dr. Peake, to pass without special mention, all of which were rendered in good style and encored. The managing committee deserve credit for the pains they have taken in securing talent for the occasion, thereby making the concert such a grand success. A snug sum was realized.—Com.

FOR the programme of Prince Street School concert, see ad. in another column.

THE mails left Tormentine yesterday morning at a quarter to eight and reached this city at 12.55.

REMEMBER the meeting of the Natural History Society to-night. Particulars in the ad., elsewhere in this issue.

STIPENDIARY Magistrate Haszard who has been ill during the past few days is. THE GUARDIAN is pleased to state, improving in health.

JUDGE Hodson went west yesterday. He will give judgement in the Meddie Gallant election case in Alberton. Mr. Tweedie will be present for the respondent and Mr. McQuarrie for the petitioner.

By a telegram received by Marshal Cameron on Saturday from Bangor, Maine, it is learned that Mr. William D. Hyde, son of Mr. Joseph Hyde, contractor of Cornwall, is dying. The last word received by his relatives here stated that he had been seriously injured while working at ice. The telegram was handed to the injured man's brother, Mr. Edward Hyde, a carpenter in this city, who forwarded the news to his father.

THE concert in Spring Park School on Friday night was a success in every way. The building was crowded and the programme well carried out. The readings by Miss Josie Stentiford and Mr. K. McPherson were excellent as also the piano duette by Misses Elliott and Thorne. The scholars, the teacher, Miss Ross, and Miss Elliott, are to be complimented on their success. Mr. H. McEwen performed the duties of chairman in a manner satisfactory to all.—Com.

Mother's Advice

Suffered Agony With Pains in the Stomach—Hood's Cured.

The testimonials in favor of Hood's Sarsaparilla are as worthy of confidence as though they came from your most trusted neighbor. They are written by honest people who are grateful for the cures accomplished by this wonderful medicine. Read this statement:

"I was afflicted with severe pains in my stomach from which I suffered much agony at times. I was afraid to go any distance from home for fear of having an attack. I was treated for neuralgia of the heart without avail. At last my mother wrote and urged me to try Hood's Sarsaparilla. I have her letter before me at the present time and it reads as follows: 'My dear child, it grieves me to learn that you suffer so with your stomach. Do get a bottle of Hood's Sarsaparilla and let me know the result, for I am confident

It Saved My Life.'

I am glad to state that I abided by my mother's advice and I am now healthy and strong. I never think of being without Hood's Sarsaparilla in the house. It is a great help to mothers while nursing. I have given it to my baby with satisfactory results. I cannot state all I would like of the many benefits I have known Hood's Sarsaparilla to give to other sufferers. I gladly recommend it." MRS. JOHN LA PAGE, 240 Church St., Toronto, Ont.
