REMEMBER THE DATE — The evening concert announced for next Thursday, under the direction of Professor Watkis, and for the benefit of Mr. Brent. L. Garnhum, should appeal to all charitably inclined people of the city. The misfortune which overtook the genial Brent some time ago is of a nature to enlist everyone's sympathy, while the splendid array of talent taking part in the entertainment should prove a further inducement to ensure a crowded house. The programme will appear later. 8699

SUNDAY MUSIC AT ST. JAMES CHURCH.—At the morning service tomorrow Mendelssohn's Trio "Lift Thine Eyes" from the Oratorio "Elijah," will be sung by Miss Helen Hughes, Miss Pearl Hunter and Mrs. Percy Barlow and the choir will rendor West's "The Lord is Expected." At the evening service Miss Helen Hughes will sing "These Are They" from Gaul's "Holy City," and the choir will give Sullivan's "I Will Mention" solo and chorus (Miss Hughes soloist). This will be the last opportunity of hearing Miss Hughes as she leaves on Tuesday for New York.

Y. M. C. A. GYMNASIUM.—A meeting of the Physical Department Committee of the Y. M. C. A. was held on Thursday evening, with Mr. James A. McMillan in the chair. A very complete programme was drawn up for the coming months which will include the following: An indoor athletic series, a basket ball league, an open night, a ladies' night, besides the regular class work. Now that the outdoor season is coming to a close it is expected that the classes will fill up quickly and a good time result. The Indoor Athletic series will commence next Tuesday evening, when the following events will be run off: 3 potato races, standing broad jump and shot put. A scoring basis will be used, whereby every fellow will score points according to his performance, and a record will be kept for the entire series. The committee hope there will be a large turnout of members for these events.

HORSE RACES—On Wednesday afternoon last a very large crowd turned out to witness the first horse race of the season held on the river ice at Victoria. It is estimated that there were upwards of five hundred people in attendance. This was just a trial race to see if the people would still take an inteerst in the sport, and since they showed themselves so enthusiastic it has been decided to hold another race on Saturday, Feb. 20th, at which purses will be given to the winners. Great praise is due Mr. G. C. Holland, who was instrumental in reviving the interest in this old-time sport. In the three minute class there were three starters, the race being won by Mr. George Heffell's fast pacer, "Slippery Jim," in three straight heats. Second place was awarded to Mr. R. P. Rogerson's horse, "Mac," while the third place was given to "Tryon Chief" owned and driven by Mr. James Chisholm. In the green race there were six starters. The race was keenly contested although Mr. Frank McDonald drove his horse to victory in three straight heats. Mr. Artie Clark took second place and Mr. Will Callbeck third. It is expected that greater interest than ever wil lbe in evidence in Saturday's race as there will be several more horses entered. A game of hockey between a Tryon team and a Victoria team will also take place on Saturday afternoon, weather conditions being favorable.—V.

After the service a short memorial service will be held at the monument in Queen Square Gardens.

SMELT SEASON CLOSED.—After a fairly successful season the smelt fishing in East River closed on Monday, Feb. 15th. The returns received for smelts shipped away were in most cases very gratifying and satisfactory to the fishermen and goes to show that the smelt fishing industry has not suffered any from the effects of the war, on the contrary it seems to have benefitted as the prices received this season were far in advance of any received these number of years.—S.

SCOTCHFORT AND THEREABOUTS.—Messrs. Vincent McDonald and Echoin Peters, Rollo Bay, spent the week end visiting in Scotchfort the guests of Mr. Charles Fisher. The many friends of Mr. Thomas Atkins, Glenroy, will be sorry to learn that he is seriously ill. Miss Annie McDonald, Maple Hill, spent Sunday visiting friends in Scotchfort. Miss Hannah Fisher, Fort Augustus, who was visiting friends in Salvage Harbor, for the past week, has returned home. A very enjoyable and successful dance was held in the I. O. F., Mt. Stewart, on Monday, Feb. 15th. Quite a number of the elite of the village and surrounding country being present. The music was furnished by McKearney brothers in their own well-known style. Dancing, consisting chiefly of the Queens Lancers, was indulged in till about three o'clock in the morning when all departed, feeling they had spent a pleasant night. Mr. Michael McDonald, Afton Road, was in Charlottetown, Tuesday.—S.

SCHOOL EXAMINATION — The half yearly examination of Roseville school No. 16 was held on Feb. 16th. Although the day was stormy there was a fair number of scholars and a few of the ratepayers, one trustee and the secretary. The scholars were examined by their teacher, Mr. Joseph A. Gallant, reading and spelling and all the other subjects were very satisfactory. Mr. Gallant has given most unbounded satisfaction as a teacher in all the various subjects changing as he does the poorest scribbler almost invariably into a beautiful penman. Some complimentary remarks were made by the officers. Mr. Gallant thanked the speakers for their encouraging remarks, at the close the scholars were treated to candy which was enjoyed very much. It speaks very badly for the ratepayers and trustees that have children going to school when they do not attend those examinations which are so encouraging for the teacher and pupils.

TEACHER'S MEETING. — The Southern Teachers' Association held its regular meeting on Saturday, February 6th inst in the Prince of Wales College. The meeting was largely attended and those present were well repaid for any effort they might have exerted to be present. The discussions and debates were interesting and instructive and were on such subjects as would affect every teacher individually. The first item was the reading and adoption of the Constitution of the Association as drafted by the Executive. A paper on the subject of Discipline was then read by Mr. McGuigan of Johnstons' River. This subject is of vital importance to the teachers and to the profession in general and this well prepared paper gave rise to a spirited discussion chiefly on the use and mis-use of Corporal Punishment. Superintendent Campbell expressed himself as in favor of Corporal Punishment as a second last resort or the last step before expulsion and used only after much deliberation as the extent of the crime and the proper punishment. At the conclusion of the discussion the Association moved, seconded, and carried a motion to the effect that the Executive would ask the Department of Education to find out from the Government the extent and the exact boundaries of the teachers' use of Corporal Punishment. The Question Box was again an interesting unit of the proogramme and many valuable helps and suggestions were gathered in. The Association meets again on Saturday, February 20th inst. at 10 a. m. sharp in the Prince of Wales College.

THE M. A. MACQUEEN PRIZES.—In 1912 M. A. Macqueen, a patriotic Islander, well known in this province but now residing in Winnipeg, offered three prizes of $50.00, $30.00 and $20.00 respectively to the three students who in the 1913 Matriculation Examination to Prince of Wales College should stand highest in English. He intimated that the offer would hold good for 1914 also. These prizes created great interest among teachers and students, were duly awarded after keen competition to successful candidates in 1913 and 1914, and afforded a much needed stimulus to the study of English in our schools. Considerable regret was felt that the two-year period for which these prizes were offered had expired. The Superintendent of Education a few days ago received from Mr. Macqueen a letter stating that, despite the financial depression, he would still be able to continue these prizes indefinitely. Consequently the Macqueen prizes for English will be open for competition July 1915 and, it is hoped, for many years to come. This will be good news both to teachers and to pupils, who will not fail to appreciate Mr. Macqueen's generous interest.
