

Amerks Trim Canadiens 2-1

FORUM, Montreal, Que., Jan. 5.—(By the Canadian Press)—The New York Americans overcame the flax that seemed to keep them from scoring against the world champion Canadiens and took a 2-1 victory over the "Flying Frenchmen" in an exciting National Hockey League game here tonight, tying the score just before the end of the game and gaining the winning tally in overtime.

It was Rabbit McVeigh who broke

the spell tonight, scoring both goals for the visitors.

Laroche scored the first goal of the game on Howie Morenz's rebound off Worters' pads.

In the last period McVeigh counted on assists from Ayres and Normie Himes. It was Red Dutton who made the play for McVeigh's winning goal 39 seconds after overtime was under way. Dutton drew the defence and passed across to the Rabbit.

SCHMELING AND WALKER NOT YET SIGNED

(Canadian Press)

NEW YORK, N.Y., Jan. 5.—Max Schmeling and Mickey Walker have not signed for a heavyweight title match in Miami in February and no one concerned knows when and whether they will—but it is nothing for the faithful to worry about.

It seems there is to be a featherweight title match fifteen rounds with Christopher "Bat" Battalino, of Hartford, placing his crown in jeopardy against Lew Feldman, in Madison Square Garden Friday night, and as far as the ballyhoo is concerned, the less said about anything else at the moment, the better.

So Jack Kearns, manager of Walker, stayed away from the Garden today and there was much discussion there concerning Battalino's ability to take off ten pounds within a few days and be strong enough to defeat Feldman, the challenger, who was soundly thrashed by Kid Chocolate recently.

Ramblers Lose To Crystals 3-1

(Special to The Guardian)

Summerside Crystals chalked up their third straight victory last night when they defeated the Amherst Ramblers, last year's N. B. and P. E. I. champions in a fast clean game by a score of 3-1. This puts Crystals on top of the heap in the Central League. Local fans were delighted with the win as the Ramblers are a highly rated team and much heavier than the locals. The Crystal machine worked like clockwork. The forward lines backskated and pokedchecked to perfection and Ramblers met with a five man defence in nearly all their rushes.

Chick Gallant's solo rush in the second period which resulted in a score was one of the prettiest runs of the evening. Shots on the net were evenly divided and were fewer than in most games. White and Peebles, Amherst forwards, turned in a good game and gave Eady plenty to worry about with their rushes.

The third period went scoreless with Crystals on the defensive and Ramblers putting up a four man offensive in a final effort to even the count. A critical moment for the Crystals was when they were reduced to four men in the last few minutes of play. The penalties, although few, seemed to come in pairs.

The visitors were the guests of the Crystals to a banquet and dance in the Capitol Tea Rooms after the game.

Lineup is as follows:—

Ramblers	Goal	Crystals
MacDonald	Defence	Eady
J. Fraser	Gauthier	
Cormier	Montgomery	
Elderkin	Dan Gallant	
Valton	Forwards	Schurman
V. Fraser	Silliphant	
White	MacDonald	
Fagan	White	
Peebles	Wheaton	
Hillocat	Chick Gallant	
Referee—Charlie Cahill		

Crystals scored three minutes after the face-off when White and Wheaton broke away from the Amherst forward line who were playing well up and eluded the defense. Wheaton passed the disc to White, who slammed it past MacDonald. Five minutes later the Crystals were reduced to four men and MacDonald scored unaided, while Gauthier was getting on the ice and Dan Gallant watching the game from the "cooler." "Monty" followed with another run and Bubbles MacDonald was called on to stop a hard shot. Eady also made a brilliant save from Peebles' fast left winger.

In the second period, Ramblers were reduced to four men soon after the start but Crystals were unable to realize, however, at four minutes when they had got back one of their men Chick Gallant staged one of his old time runs and beat Bubbles MacDonald with a hard wing shot for the third and last Crystal score. Two minutes later Peebles shooting from left wing beat Eady for Amherst's lone tally. The period ended with Amherst rushing the Crystals

KENTVILLE 4 NEW GLASGOW 2

KENTVILLE, N. S., Jan. 5. (By the Canadian Press)—The New Glasgow Tigers lost to the Kentville Wildcats here tonight, by a score of 4 to 2, in a thrilling overtime contest. The Tigers got their two goals in the first period; the locals got one in the second, and with but three minutes to go in the third period, Gordon Kennedy secured Kentville's second goal. Both of Kentville's goals in the overtime period were secured by J. Marchant.

C. Y. M. L. 5 Bedeque 0

The opening game of the Prince County Intermediate League was played in Bedeque on Monday for C. Y. M. L. and Bedeque teams.

The score 5 to 0, in favor of C. Y. M. L. does not indicate one-sided play, as both teams displayed excellent hockey.

The lineup is as follows: C. Y. M. L.—Goal, L. Peters; Defence, P. Peters and E. Gaudet; Forwards, J. Gallant, M. Steele, D. Steele, A. Clow, P. Gaudet, A. Larkin, Reg. Phillips.

Bedeque—Goal, Campbell; Defence, R. Davidson and Noonan; Forwards, F. Moyse, J. MacDonald, A. E. MacInnis, H. Bagnall, M. DesRoches, R. Murray.

Referee—Mr. James Clark.—S.

UNDIES REPLACED LIQUOR IN MAIL FOR CHRISTMAS

GREAT FALLS, Mont., Jan. 5.—(UP)—It used to be that wise persons tried to smuggle liquor into this country through the mails, but customs house officials report that the centre of balance has shifted from spirits to fruit to silk and woollen undies.

More than 500 Christmas packages cleared here recently contained no liquor, and records show that the most popular gifts seem to be fancy and plain underwear.

LOOKING 'EM OVER

BY "TEC."

THE REFEREE QUESTION

When the home town team comes through with a win, the home town fans are jubilant, but when the home squad loses a game that's another thing. The above is only natural and until the end of time such will be the case. However, there is another side to the proverbial oil painting. There are occasions when the fans have every reason to stand up and holler loud and long—and the time has arrived.

Prince Edward Island has been on the short end of the breaks too long, yes, much too long, and it's time something should be done, especially with regard to referee representation in the Northern Hockey League. Perhaps its own fault, and then again maybe we haven't anybody in Charlottetown qualified to referee a hockey game. Then again there may be dozens of 'em. If this is so, trot 'em out—they could not be much worse than a few we've seen show their wares in Charlottetown.

Things have become so acute in "B" section of the Northern Hockey League at present that the referee question is becoming one of the important issues of the day. Therefore action is necessary, and quick, at that, and that's the only method in which to serve cold turkey on the platter.

WHO WILL COACH OLYMPIC ATHLETES?

Within the next eight months Canada's Olympic team will be gathered together and will be seen in competition at Los Angeles. Very shortly the Canadian Olympic Committees will make the appointment of coach for the track and field team. Just who will be placed in charge of the athletes is a matter upon which the members of the committee have been extremely silent. For the past two Olympics, Captain J. R. Cornelius, the well-known coach of the Hamilton Central Collegiate has been favored with the appointment. On both occasions protests were raised when the appointment was made, but the Captain had many friends at court, and with his phenomenal success with the track athletes of the H. C. L. he appeared to be a logical selection.

The name of Walter Knox, by many believed to be Canada's outstanding track and field coach, has always found favor in some quarters, but for some reason or other

he has been sidetracked. His record as a coach is second to none in Canada, and his ability to get the most out of his charges is a matter of record.

It is a well-known fact that Captain Cornelius is at present on the outside, looking in' as far as some of the higher-ups in the Olympic Committee are concerned and it would occasion great surprise should he again secure the appointment.

There is not a great deal of time, as a rule, for any coach to do much with the athletes coming under his guidance. But a competent coach can, and will, if given proper cooperation, find slight faults and correct them. Many athletes, even though they have displayed sufficient ability to make a place on the Olympic team, can be improved, and it is to be hoped that whoever gets the appointment to lead the wearers of the Maple Leaf, will be thoroughly competent and will be chosen on his ability to produce results.

A QUESTION?

What will 1932 bring to sport? Will Dempsey fall his way back through the sticks to another title shot to emerge again as champion? Will Jones pick up his forsaken brassie to again fill the void left in golf when he checked out of the picture? Will Ruth again joust for home run honors or Cochet hold the heights against the tennis thrusters of England and America? Will Rangers or Leafs displace Canadiens as Stanley Cupholders or a new forward passing threat, contest with Stevens for supremacy to oust the Winged Wheel from their throne? These and other engrossing sport questions will help to whirl the New Year on its way. New names may be etched on the sporting scroll; new faces usurp the setting; new records ring out acclaim as old familiar figures yield the palm to some unknown to whom fame beckons from obscurity to stardom.

"GOOD STUFF"

Men Randall, former "bad man" of the Big Show and the old Nova Scotia circuit, according to reports out of Amherst, is teaching the Ramblers how to play "clean" hockey. Randall, from past experiences should know what he is talking about when he informs his charges that the player who spends his time on the penalty timer's bench is weakening his team's strength unnecessarily.

Rangers Top Maroons 2-0

NEW YORK, N. Y., Jan. 5. (A.P.)—The New York Rangers kept their long winning streak intact tonight by defeating the Montreal Maroons 2 to 0 in a rough National Hockey League game. The victory gave the Rangers a record of nine wins and two ties in their last eleven games. The Rangers scored their first goal at the close of the second period with a neat three-man combination play. Frank Boucher made

PROGRAMME UNDER WAY AT OTTAWA

(Canadian Press)

OTTAWA, Ont., Jan. 4. (By the Canadian Press)—Premier R. B. Bennett will probably be in the west most of the present week, possibly returning to the capital next Saturday. During his absence Sir George Perley will preside if meetings of the cabinet are called.

With the opening of Parliament a month away, ministers and other government officials will be busy engaged preparing the program to present the members when they return to the Capital. While the general impression is that the session will not be a particularly lengthy one, it will be one in which questions of great importance will come up and a great deal of preparation will be required.

Parliament will likely be provided early with data in regard to the activities of the Government to relieve unemployment. It will doubtless be told of the preparations for the Imperial Economic Conference and the treaty with New Zealand which it is expected Hon. H. H. Stevens will be able to bring back as a result of negotiations now going on in Honolulu. The exchange situation and the question of increasing revenues perhaps entail more study than any others. Linked with increasing the revenues is the other side, that of government economies and this is being given very serious consideration by the heads of the various departments.

Developments in negotiations with Washington over the St. Lawrence deep waterways project will probably not come before parliament until later in the session. A number of government bills have to be prepared including the new Insurance of Canada Act.

Railwaymen Protest Schedule

(Canadian Press)

MONCTON, N. C., Jan. 5.—Seven hundred employees attending a meeting yesterday of crafts of the Federated Trades, Canadian National Railway Shopmen, passed a resolution protesting the new schedule which, effective tomorrow, calls for a week's layoff and fifteen working days per month. The resolution will be forwarded to railway officials, who are asked to maintain the validity of the wage agreement, which the local workers counted has been violated by the new schedule.

A second resolution will be sent to Dr. O. B. Price, member for Westmorland, asking his co-operation in the situation and declaring a direct attempt is being made to abolish the principle of public ownership by making it impossible for the C. N. R. to earn a fair margin of profit on actual capital invested.

U. S. Congress Faces Problems

WASHINGTON, D. C., Jan. 5.—(By Ken Clark, Canadian Press Staff Correspondent)—Congress reassembles today. The house of representatives will direct its attention to taxation and tariff legislation. Senate committees will continue a study of President Hoover's plan for a \$500,000,000 national credit corporation to support failing industries, proceed with the investigation into the operations of bankers in the foreign field, and consider further the propositions of Senators Robert M. La Follette and Edward P. Costigan to afford direct governmental relief to the unemployed.

More than nine thousand bills choke the legislative hopper and Senators and representatives are prepared to sit until June or even later in the year of the presidential election.

The United States treasury faces a deficit of more than \$2,000,000,000. Further taxation is essential. Secretary of the treasury Mellon wants a return to the taxes of 1924. The Democratic house where fiscal legislation has its origin, may have other ideas. Some house republicans want governmental salaries cut as an economy measure. There is conflict here.

The cry of certain sections of the country for beer will receive the attention of a senatorial committee on Friday. Senator Hiram Bingham has presented a bill for a 4 per cent beverage (of Ontario memory) It is a safe prediction this Congress will not take such action as to bring about any immediate change in prohibition.

Of interest to Canadians will be the fate of a resolution presented by Senator Hamilton F. Kean suggesting a treaty to make Canadian and American currency of constant

New Year's Honors Conferred

(Canadian Press Cable)

LONDON, Jan. 5.—The London Gazette today announced the appointment of the Countess of Bessborough to the Order of St. John of Jerusalem as a Dame of Grace.

The order of St. John of Jerusalem is conferred for services in the cause of humanity throughout the British Empire and is open to both men and women. The order had its origin as an international lay confraternity for the relief of Christian pilgrims to the Holy Land, and was later sovereign in Rhodes and Malta where its knights were instrumental in keeping down the barbary Corsairs and in preventing the spread of Turkish rule in the Mediterranean Basin from 1530 to 1798.

Bell Telephone Expenditures

(Canadian Press)

MONCTON, Que., Jan. 5.—The Bell Telephone Company of Canada has announced its contemplated expenditures for the 1932 fiscal year. According to President C. F. Sise, the company plans a gross outlay of \$15,500,000 on additions and replacements, an amount only \$4,500,000 below the preceding year. Although a substantial portion of this amount will be for replacements, the net additions will comprise a programme which, only a few years ago, would have been looked upon as quite extensive.

Montreal Fur Auction Sales

MONTEAL, Que., Jan. 5.—(By the Canadian Press)—Keen interest was manifest yesterday as the Canadian Fur Auction Sales Company, Limited, offered 3,260 silver fox pelts at auction. Eighty per cent of the day's offerings were sold with a top price of \$150.

Representatives of leading fur concerns in London, New York, Paris and Berlin were on hand as were some buyers from Italy, Switzerland and Poland.

In contrast with the sale held in December, there was a larger percentage of low grade pelts in all classes offered today. The day's top price was about \$5 below December's peak.

Average prices were in the same ranges as in last month's sale, it was announced after the session. This morning 5,400 silver fox pelts will be offered. The sale is scheduled to close on Wednesday with 5,000 pelts on the auction block.

THOMAS JOSEPH REVILLE

At Cardigan, December 17th. Thomas Joseph Reville, at the age of 53 years. The deceased was in declining health for the past year, but until a few months ago, his recovery seemed possible. Then, however, despite medical aid, and kind and untiring care, it was evident the God willed otherwise.

Strengthened by the last rites of the Roman Catholic Church, his soul went forth to claim its eternal reward.

The late Mr. Reville though quiet was of a kind and cheerful disposition and was much loved and respected by those who knew him.

During his illness, he was visited by his pastor, Rev. M. J. Rooney who administered to him the last Sacraments.

He leaves to mourn, one brother, John, of Cardigan, and three sisters, Katherine, with whom he resided and to whom sincere sympathy is extended, Mrs. James Quinn, Cardigan, and Mrs. John McIsaac, Boston, Mass.

The funeral took place on December 19th, at All Saints' Church, Cardigan, where Requiem High Mass was sung by Rev. M. J. Rooney, who also officiated at the grave.

The pall bearers were: P. Casey, J. Quinn, P. Murphy, E. Redmond, W. McEachern and L. Allan.

May he rest in peace.
