IMPROVING.—The many friends of Mr. Allison Webster, son of Mr. J. A. Webster, will be pleased to learn that he is rapidly convalescing after his recent illness.

—NASTY CUT.—Mr. Houston, son of Dr. and Mrs. Houston, Charlotteville received a nasty cut in the P. W. C.-Y. M. C. A. game at Summerside Friday night. He was accidentally kicked with a skate receiving quite a gash on the upper lip. He had the wound attended to and is practically all right again.

Mr. W. P. Dawes, Customs Excise Enforcement Officer, St. John, N. B. who has been in the province for the past three weeks, leaves this morning on return home. During his stay here he made a number of seizures under the Inland Revenue Act. He also attended an appeal case before the Chief Justice, in which judgment has not been given.

HEARD LONDON BY RADIO.—Mr. J. A. S. Bayer, while enjoying various concerts and other radio entertainments Saturday night, chanced to strike a wave which brought London, England, into the performance. Two musical numbers, trios, were distinctly heard, also the announcer say "Big Ben will now strike" and immediately the big bell struck 12 midnight as clearly as the Charlottetown clock a few yards away. He also heard one o'clock strike. This was all relayed by W. G. Y. Schneidly, N. Y. and broadcasted from there. This is probably the first time Big Ben in London has been heard in Charlottetown.

DIES IN ENGLAND.—Mrs. Kelly wife of Capt. Basil Kelly, of Summerside, has received the sad news that her brother, Mr. John Domet, of Newport, Monmouthshire, England, died there recently. The deceased served in the Royal Navy during the war, was taken prisoner by the Germans at sea, after his ship had been torpedoed. He was later released and served throughout the balance of the war. He never however, fully recovered his health and passed away as above stated, at the early age of 42 years. His remains were accorded full naval honors. Mrs. Kelly has the sincere sympathy of many friends in her sorrow.

The late J. Leslie Shaw, of this city, who died recently in London, England, left the following public bequests in his will:—

Prince Edward Island Hospital, \$1,500, of which \$1,000 is endowment fund, the interest to be used in the annual maintenance of that institution.

Prince Edward Island Protestant Orphanage \$1,500, under the same conditions, including \$1,000 for an endowment fund.

Zion Presbyterian Church, \$2,000 for the Protestant poor of Charlottetown, the interest to be paid annually for the support of said poor.

\$2,000 for the Prince of Wales College endowment fund, the interest to be used as a scholarship for the best student in the second year.

\$3,000 for Zion Presbyterian Church for Home and Foreign Missions.

The will, which was dated October 24th, also bequeathed \$2,000 to his wife, and \$8,000 to various relatives. The residue of estate was to be invested and the income paid to his wife during her lifetime, on her health the residue going to the public institutions above mentioned, but as Mrs. Shaw died before him the public bequests will be now made available.

The sixth annual meeting of the Young Womens Christian Association of Charlottetown was held yesterday afternoon in the Cornhill Room, with the President, Mrs. (Dr.) H. D. Johnson, in the chair.

The meeting was opened with scriptural reading and prayer by Rev. R. C. Eaton.

ISLAND LADY BURIED.—The funeral of Miss Lucy Howatt whose accidental death was recorded at length in yesterday's Guardian was held on Sunday afternoon, Feb. 22nd, at Fairfield Cemetery, Fairfield Solano, Calif. The Armijo Auditorium where the services were held was packed to overflowing by sorrowing relatives and friends assembled to show in some degree the love and esteem in which they held her who for nearly five years had given her best in the schools and in the homes of the sick and distressed. There was not room in the front of the stage for the great wreaths and clusters of flowers, so they were banded in the rostrum and the pedestals on either side. A large American flag covered the casket and at the head and front ex-service men displayed the Legion Emblem and colors, escorted by an honor guard. Two beautiful numbers were sung by the high school chorus accompanied by Mr. J. W. Mills, piano; Harold McDougall, cousin of Miss Howatt, sang with feeling "Beautiful Isle of Somewhere," Miss Anna Kelly accompanying. Rev. Alfred Pollard of the Congregational Church delivered the eulogy touching upon the life work of Miss Howatt and depicting her fine Christian Character. During the service Miss Marion Grace, a sister nurse of Vallejo, and a companion of Miss Howatt in the training camps in France, told of her mother's love and devotion to the nurses and soldiers of the war-torn areas of Europe. Through a drenching rain members of the American Legion who had charge of the rites and other ex-service men went to the cemetery for the interment and Post Ceremony. Thirty ex-soldiers and sailors were present, the largest number ever to don their uniforms on any occasion since the Armistice.—Miss Howatt was born

Under whose patronage the play was produced. Mr. J. Austin Trahear was the director and guiding light of the production and to his earnest efforts a great measure of the success was due. In the death of the late Mr. Donald McPherson, a very highly esteemed resident of Glen Valley passed away at the advanced age of 97 years.

For some months it was evident to all that the activities of the deceased were gradually giving away. Throughout his long life he had been blessed with good health. He was never known to be so ill that he did not enjoy a good meal and up almost to the very last he kept moving about the house. For only a few days was he confined to his bed, while there his strength gradually waned until on the above mentioned date his spirit winged its homeward flight.

Besides his grand daughter, Mrs. Madeline Gillis with whom he made his home for quite a number of years Mr. McPherson leaves to mourn his loss one son and two daughters. The son is Wm. McPherson of Boston and the two daughters are Mrs. Gardner Smith and Mrs. Madeline Bell McPherson, both of Boston. Two other daughters, Mrs. Wm. Goss, Kensington

and Mrs. Henry Todd, Stanchel predeceased their father by a number of years.

The deceased was one of the members of a family of three brothers and four sisters. The brothers were Donald, Angus and Duncan and the sisters were Mrs. Duncan Gillis, Mrs. Donald McIntosh, Mrs. Roderick McLean and Mrs. John Campbell. Mrs. John Campbell who now resides in Charlottetown is the only surviving member of the family.

Mr. Donald McPherson was the son of one Wm. McPherson who moved to Glen Valley from the Isle of Skye in the year 1840. He thus spent the greater part of his life in this section of the Island, and was widely and favorably known. He was a man of quiet retiring nature and took very little part in public life, but he was held in high esteem by all who came to know him. During the last thirteen years of his life he lived in quiet retirement with his grand daughter, Mrs. Malcolm Gillis. Here he was kindly provided with all necessary comforts by his daughter, Miss Katherine Bell McPherson of Boston. The coming of the end had no terrors for him. His faith in the atoning merits of the crucified Saviour was firm and his passing was one of peace.

The funeral was held on the Friday following his demise. The service, was conducted by Rev. R. H. Stavert.

The pall bearers were Messrs Malcolm B. McKenzie, John McKenzie, Charles McKenzie, Wm. McDonald, Mark Pound and Malcolm McPherson. Interment was in the Hartville cemetery.

That Tired Feeling in Springtime

Not Sick, But Not Up to the Mark—You Need the Help of that Sterling Tonic.

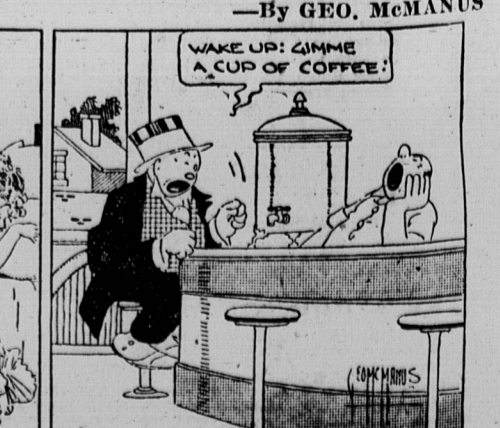

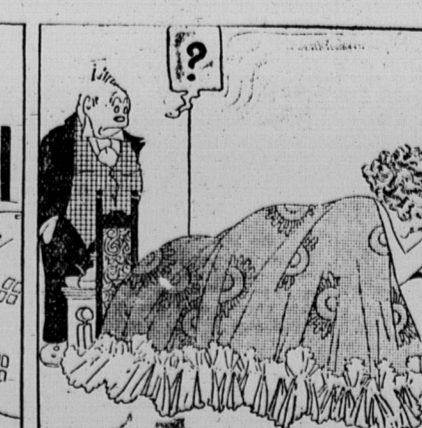

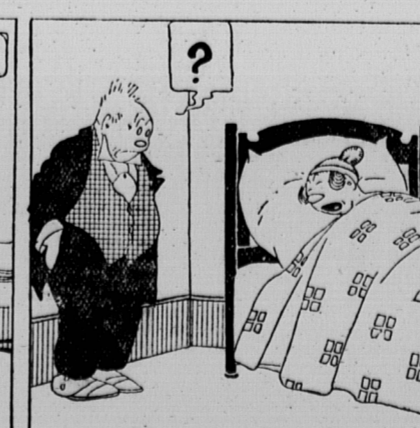

Dr. Williams' Pink Pills

They Give New Vitality—and more.

With the passing of winter many people feel weak, depressed and easily tired. No particular disease, but the system lacks tone. You find yourself tired, low-spirited, and often unable to get sound sleep at night. All this is the result of a lack of confinement of the winter months, and shows that the blood has become thin and watery. New rich, red blood is what you need to put you right, and there is no other medicine can give you this new blood as surely and as speedily as Dr. Williams' Pink Pills. This new blood goes to every part of the body and quickly improves the general health. Digestion is toned up, you have a better appetite, nerves are strengthened and sleep is sound and refreshing.

The value of Dr. Williams' Pink Pills when the system is run down is shown by the experience of Mr. William Mitchell, R. R. No. 1, Bedford, P. E. I., who says:—"A few months ago I found myself in a badly run down condition. My appetite was poor. I was easily tired, and did not sleep well. I tried several so-called tonics, but did not get any relief. Then I decided to give Dr. Williams' Pink Pills a trial and soon found that I had got the right medicine. Gradually my strength came back, the dull, tired feeling disappeared, and after using the pills for about a month, I could eat heartily and was as strong and active as ever I had been. I can most cheerfully recommend Dr. Williams' Pink Pills as an unsurpassed tonic." You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
