Six Per Cent Mortgage Debenture Stock

A desirable opportunity for a conservative 6 p. c. investment is afforded by the Nova Steel & Coal Company 6 p. c. Perpetual Debenture stock, which we offer at 98 and interest.

The Company's property is considered to be admirably situated for economical production, which is very essential in the Steel & Coal business.

The value of the Company's property is appraised by its President at \$20,000,000. The debenture stock is a direct charge on these assets, subject only to the \$6,000,000 five per cent first mortgage bonds, thus leaving assets in the President's opinion valued at \$14,000,000 as security for the \$3,000,000 debenture issue.

Terrible Scalding Accident

ZAM-BUK GAVE QUICK RELIEF

For taking the pain out of a burn or scald there is nothing equal to Zam-Buk. Mrs. Eugene Demers, of Pembroke, Ont., who was the victim of a painful scalding accident, proved this. She says: "I was carrying a boiler of steaming water from the stove to the wash-tub, when suddenly my strength failed. As the boiler was falling in spite of my efforts, I heard my babies cry, and to avoid scalding them I gave the vessel a quick turn. The effect of this was that every drop of the boiling water poured over my feet and limbs, scalding me from my waist down. As soon as I saw the children had escaped, I told my oldest boy to bring the Zam-Buk (which we always keep in the house). I applied Zam-Buk freely, and the pain was soon eased. I continued using Zam-Buk, and in a wonderfully short time the sores were completely healed." Zam-Buk is equally good for cuts, bruises, eczema, ulcers, piles, pimples, etc. Price 50c. per box, at all drugists and stores, or post free from the Zam-Buk Co., Toronto, on receipt of price. Refuse substitutes and imitations. There is nothing "just as good!"

When you've ordered Silk do you accept Sateen?

Almost a foolish question, but--not quite!

There are still some people who order Kellogg's Corn Flakes and are given a substitute "just as good"--and accept the imitation.

The difference between

Kellogg's

CORN FLAKES

and the "just as good" kind is even greater than the difference between silk and sateen.

The great difference is in the flavor and the nutriment.

Be sure that you ask for and get Kellogg's. It is the original.
