UNIT TO LIMIT OIL PRODUCTION

OKLAHOMA CITY, Aug., 18—Oil men and officials of three southwestern States united to-night to promise immediate relief to the distressed petroleum industry of the mid-continent area.

A move for drastic curtailment of production from the far-flung East Texas field was started. Repre sentatives of the major oil producing states and officials of the major petroleum importing companies were asked to meet in September to "prevent further economic disaster to oil industry." Gov. W. H. Murray had presented a proposal to place Oklahomas production under the unit plan.

East Texas operators late to day adopted a resolution urging Gov. Ross Sterling of Texas to order martial law in the East Texas fields for a period of 20 days, until new proration orders can be drawn.

IN MEMORIAM

MR. RONALD STEELE

Hundreds of friends throughout the Island will regret the passing of Mr. Ronald Steele, veteran horseman.

Mr. Steele took suddenly ill a few days ago and after improving somewhat grew worse and passed away Monday afternoon.

All his life long Mr. Steele had been connected with horses. He had been owner and driver for many years. Frequently he had horses in the show ring and he had an unerring eye for a good animal.

His reputation among horsemen was high, and he was uniformly courteous and fair-minded during the long period of his connection with the track.

He will be very much missed among Charlottetown horsemen who knew his genial smile and his quiet humor.

MISS MURIEL GALLANT

There passed peacefully away on August 4th, at her home, Muriel, daughter of Mr. and Mrs. Maurice Gallant, New Acadia, at the age of 18 years.

Muriel, although not enjoying good health for the past year, was up and able to be around until three months ago, when her condition grew worse, she was removed to the Charlottetown Hospital, where skilled medical aid, and kind nursing could not relieve her condition. She was taken back to her home, where she passed away on the above mentioned date.

Deceased was of a bright and cheerful disposition, being a general favourite and won the esteem and admiration of all those with whom she came in contact. Her childhood days she spent in St. Mary's Church, Souris, then entering Prince of Wales College, but her health would not allow her to pursue her studies further.

She was frequently visited during her illness, by her kind pastor, who fortified her with the last rites of Holy Mother Church, of which she was a devoted member and she died with the words Jesus, Mary and Joseph on her lips.

Besides her grief stricken parents, she leaves to mourn two sisters and six brothers, viz., Georgina, Helena, Cornelius, Arthur, Elmer, Peter, Robert and Albert, to whom the deepest sympathy of the community is extended.

Her funeral was held on August 5th at St. Charles Church, where a Requiem Mass was chanted by Rev. L. P. Callaghan, after which all that was mortal of a loving daughter and sister was laid to rest in the adjoining cemetery, there to await a glorious resurrection. The pall bearers were: Eugene Gallant, John A. Gallant, E. E. Doucette, Jerry Pineau, Kenneth Doucette and Emmet Gallant. May her soul rest in Peace.

MRS ELIZA BOWNESS

The community of Norboro was saddened to hear of the death on Monday, August 10th, of Mrs. Eliza Bowness, aged 87 years. For the past seven years, she had resided with her daughter, Mrs. Robert Douglas, where she was tenderly and lovingly cared for by her daughters till the last.

The late Mrs. Bowness was of a kind and cheerful disposition and was always ready, and willing to help any one in time of sickness or trouble.

She leaves to mourn their loss, two sons, James H., of Acoll, Florida; George M., of California; two daughters, Mrs. Ed. Caseley, Wilmot Valley, P. E. I.; Mrs. Robert Douglas, Norboro, P.E.I. Four sisters, Mrs. Margaret Sharpe, Norboro; Mrs. John Godfrey, North Wiltshire;; Mrs. Sarah Crew, Hunter River; Miss Isabel Frizzell of Boston, Mass., also survive. One brother Nicholas Frizzell, of Margate, predeceased her on August 5th.

Her funeral, which was very largely attended, was held on Wednesday afternoon, August 12th. The services at the house and grave were conducted by Rev. Dr. Ashdown, of the Kensington Presbyterian Church, who spoke words of comfort to the bereaved, taking as his theme, "There remaineth therefore a rest for the people of God."

Her favorite hymns were sung "The Lord is my Shepherd," "Take Comfort Christians," "Jesus, Lover of My Soul," after which all that was mortal of Mrs. Bowness was laid to rest in Summerfield Cemetery, beside her husband, who had predeceased her on February 19, 1916.

The following were her pall bearers: Messrs. Stanford Glover, James E. Somers, William H. Sharpe, James W. Stewart, Hugh A. Stewart, James B. Croken.

BRITISH IMMIGRATION DROPS 77 PER CENT

OTTAWA, Aug, 18—Less than 1,000 Britishers a month migrated to Canada during the first six months of 1931, in comparison of 10,000 a month for the same period in 1929, owing to rigid bars against newcomers. There are now twice as many Canadians returning from the United States as newcomers from the British Isles.

Total British immigration for the last six months has been 4,937. There were 60,000 in the same period of 1929. British immigration has dropped 77 per cent over last year: United States immigration, 43 per cent; northern European 96 per cent; and other immigration 97 per cent.

Ten thousand Canadians returned to Canada during the last six months.

WILMOT VALLEY

Messrs. L. B. MacCaull and Frank Jardine, spent Sunday, the 9th instant, in Carleton, at the home of Mr. and Mrs. Hedley Muttart.

A Temperance rally in the North Bedeque Church will be held on Sunday evening, Aug. 23rd and will be addressed by Rev. (Bro.) W. S. Loring, (P.G.W.P.) of the United Church, Kensington. Brothers and sisters of Excelsior Division, Wilmot Valley, Harmony Division, Lower Freetown and of Bonacorde Division, Middleton, please take note.

The three-act comedy play, "Take My Advice," which has had a very successful season was again presented on Friday evening, Aug. 14th by the Excelsior Players, Wilmot Valley, in the Orange Hall at Ellerslie. Despite the warm evening, the large hall was well filled, and, judging from the applause received, was greatly enjoyed by all present. Miss Margaret Pillman and Miss Margaret Townsend gave four very humorous recitations. This play was presented under the auspices of Welcome Division, Sons of Temperance, of Ellerslie. This is a very flourishing Division, and many good times are enjoyed. Half of the proceeds of this play were left with this very energetic branch of the Sons of Temperance.

"DON'T LISTEN TO PANICKY TALK" WARNS PREMIER —TROUBLES WILL GO

LOSSIEMOUTH, Scotland, Aug. 18—Prime Minister Ramsay MacDonald, grappling with the nation's financial crisis, faces the future with cheerful confidence, but does not seek to conceal the seriousness of the emergency.

Seated before a coal fire in his study, he touched on the measures the cabinet will propose next week.

"My message to the nation is to be steady and don't listen to panicky talk," he told the press. "Our difficulties are the result of the bad state of the world's trade and are not caused by anything wrong with this country.

'With a reduced national income there must be a reduced expenditure if the country is to pull through, and everybody will be asked to help. There must be cuts in the national expenditure, supplemented by extra burdens for those best able to bear them. But both cuts and burdens will be minimum and purely temporary."

Apparently thinking of the Laborite left wing, who strongly oppose reductions in social services, he added: "I ask members of the Labor party to remember we are grappling with the situation with all our ideas unaltered. We simply are compelled to devise special measures to meet temporary difficulties."
