### The Open Door for Consumption

And How "Father Morrissey's No. 10" (Lung Tonic) Closes it.

A low run-down condition, with perhaps a neglected cold and a little cough, is a cordial invitation to the White Plague, Consumption, to come in and make itself at home. And it seldom overlooks the invitation. In such a case there is no time to be lost. The door must be promptly closed. This can be done by taking a complete rest, with plenty of fresh air, and "Father Morrissey's No. 10" (Lung Tonic). This medicine clears out the passages, relieves the cough, and heal the delicate membrane of lungs and air passages. But perhaps most important of all, it builds up the whole system, giving Nature the needed assistance in fighting off the dread disease.

Though other remedies may have failed, don't give up. Try "Father Morrissey's No. 10" combined with fresh air and exercise, and even though you are in the first stages of consumption there is hope of a permanent cure. Sample bottle 25c. Regular size 50c, at your dealer's, or from Father Morrissey Medicine Co., Ltd., Chatham, N. B.
