Finally, I tried "Fruit-a-tives" Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

*TAKEN BY SURPRISE.—On the evening of the 18th June a number of the citizens of Alton and Glen William waited upon their pain-staking and efficient mail-carrier, Jas. J. McCarney, St. Mary's Road and presented him with a nicely filled purse accompanied by an address of their appreciation for his services rendered to them during the past seven years, and hoped that the same good will would continue for the next few years. Mr. McCarney, although taken by surprise, applied in Jim's able and pleasing manner, and thanked the givers for their kind donation, and trusted that he would be able to repay them in some manner for their kindness. After luncheon being served, the happy crowd enjoyed themselves tripping the light fantastic to the melodious strains of the violin till the "see-ama hours", when their pleasant gathering was brought to a close by the singing of the National Anthem.

THE GREAT TENOR COMING

WOMEN EVERYWHERE
PRAISE LYDIA E. PINKHAM'S VEGETABLE COMPOUND AS THE GREATEST REMEDY FOR WOMEN'S ILLS
New Haven, Conn.—"For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, 37 Sea Street, New Haven, Conn.
The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of food old fashioned roots and herbs which act directly on the female organism.
There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound.
Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years' experience
