DONE UP.

A bad "care" CAUSE sent to the wrong LAUNDRY when the treatment was poor, methods ancient. Skill lacking. Instead of using modern machinery and up-to-date methods, used acids, alkali, poor soap and hand power.

You will avoid all this by having your laundry work done at

THE STAR STEAM LAUNDRY
where your goods will be properly washed, starched and pressed. For good work the Star Laundry is without an equal.

THE AGE OF BRAIN WORK

"In these days, half our diseases come from the neglect of the body in the work of the brain. In this railway age the wear and tear of labor and intellectual work without pause or rest. We live longer than our forefathers but we suffer more. They fatigued only the muscles, we exhaust the finer strength of the nerves." Dr. Chase's Nerve Food is the greatest medicine of this age because it is best suited to the needs of the present day. It restores and revitalizes weak and exhausted nerves and makes the pale, weak, and exhausted strong and healthy and vigorous.

ONLY A SUGGESTION.

But It Has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become fleshy and plump it can only result from the food we eat and digest and that food should be albuminous or flesh forming food, like eggs, beef, steak and cereals; in other words the kinds of food that make flesh are the foods which form the greater part of our daily bills of fare.

But the trouble is that while we eat enough and generally too much, the stomach, from abuse and overwork, does not properly digest and assimilate it, which is the reason so many people remain thin and under weight; the digestive organs do not completely digest the flesh forming beefsteak and eggs and similar wholesome food.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking, after each meal, one or two of Stuart's Dyspepsia Tablets the food would be quickly and thoroughly digested, because these tablets contain the natural pepsines and diastase which every weak stomach lacks, and by supplying this want the stomach is soon enabled to regain its natural tone and vigor.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food, meat, eggs, bread and potatoes, and this is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them with marked benefit as they contain no strong, irritating drug, no cathartic nor any harmful ingredient.

Stuart's Dyspepsia Tablets is the most successful and most widely known of any remedy for stomach troubles because it is the most reasonable and scientific of modern medicines.

Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada as well as in Great Britain at 50c cents for complete treatment.

Nothing further is required to cure any stomach trouble, or to make thin, nervous, dyspeptic people, strong, plump and well.

VERY COLD WEATHER IN SCOTLAND.

LONDON, Jan. 13.—Severely cold weather continues to prevail in the United Kingdom.
