

THE RAILROAD MAN'S TIMEPIECE

To see the Waltham "Vanguard" is to realize at once why most railroad men throughout the world time their movements with Waltham accuracy. It is improvements such as the extra long main-spring, the jewelled main-wheel, the winding indicator, as well as Waltham accuracy and endurance that men like yourself who do things on schedule, desire most in the Waltham. Come in and see the full range of Waltham Railroad standards.

"Nerviline" Cures Cramps End Misery Instantly

NO REMEDY SO SPEEDY OR EFFICIENT

A real cramp cure? Yes, a real one—in a twinkling the cramp is a dead one, and the last squirm is over, once you get a stiff dose of Nerviline on the inside. This isn't mere talk—it's a solid, truthful fact. No other remedy—not a single one—will cure cramps so quickly and harmlessly as Nerviline. It hits the spot in a jiffy and saves a heap of misery.

"Last Saturday night my stomach felt like an infernal machine," writes T. P. Granger from Hartford. "I was awakened from a sound sleep and found myself suffering the worst kind of torture. I was so doubled up I could hardly cross my room. I had used Nerviline before for the same thing and took a real good dose. Once I felt the warm, soothing sensation of Nerviline in my stomach I knew I was all right. It finished the cramps—just one single dose."

Sickness at night is rendered a nightmare of the past if Nerviline is handy. It may be earache, toothache or cramps. Nerviline in every case will cure at once and save calling the doctor. Nerviline is a family physician in itself. The large 50c. family size bottle, of course, is most economical. Small trial size costs a quarter. All dealers sell Nerviline.

A young woman on the same street has been cured of appendicitis. Also a girl on Cumberland street.

A young man on Water Street has been cured of kidney trouble and appendicitis.

A gentleman at Bay View has been cured of rheumatism and another at Clear Spring has been cured of lumbago.
