"One Grade Only and that the Best."

To the McLaughlin Carriage Co., St. John, N. B. Dear Sirs:—The vehicle that I bought from the McLaughlin Carriage Co., gave me perfect satisfaction. It is "One of the easiest riding carriages to be had." It is light and lasting. It is one of the best vehicles of the kind on the market today. Yours truly, PATRICK FOGARTY, Glenfanning, P. E. I. (Mention the Guardian.)

The Better Way With a Cold.

When a slight cold fastens on you in early winter you are apt to regard it merely as an annoyance—not a thing worth serious consideration. You usually feel like taking something syrupy, with perhaps a touch of spirits in it, to warm you up and stop the cough. But there is a better way.

The cough, the red eyes and uncomfortable head are not the cold. They are only the symptoms. They are like the leaves of a weed sticking above ground. The surest way to get rid of them and prevent their sprouting again is to pull up the root.

You sometimes say, "This cold is all over me." Every cold you have is, to a certain degree, all over you. It is evidence of a slight general weakness. It usually steals in on you at a time when the body is a little below its normal tone and the surest way to get rid of it is to bring the whole system up to its right level.

You may need some medicine. Your doctor will know. But a mere expectorant will do nothing toward restoring the body to a healthy standard. At the best its action is merely local and gives only temporary relief. Scott's Emulsion does this and more.

A small quantity of the emulsion taken regularly for a few days will supply the lack of proper nourishment in ordinary food. It is rich in the substances of which healthy blood is composed, and makes itself quickly felt in the throat and bronchial tubes. It starts the flow of mucous and relieves an obstinate cough sooner than any expectorant will do.

The emulsion does more than rid you of a cough. It rids you of the cold which is the root of the cough. Still more, it helps to protect you against a return of the trouble and against its going deeper.

Scott's Emulsion is aptly termed a food-medicine. It contains the nourishing properties of the whole cod liver oil, emulsified and combined with the medicinal qualities of hypophosphites, of lime and soda. It is probably more widely recommended by physicians for use in coughs and colds than any other preparation.

So-called wines, cordials and extracts of cod liver oil do not contain the value of the whole oil and are worthless in cases where a pure reliable cod liver oil preparation is needed. Scott's Emulsion has been the standard for over twenty-five years.

We will send a sample free to anyone on request. SCOTT & BOWNE, 55 Front St., W., Toronto.

That Sure Cure for Dyspepsia, Dodd's Dyspepsia Tablets—Mrs. Jassia L. Sellers Writes Regarding Them.

Dyspepsia causes more suffering in this Canada of ours than all other diseases combined. Nearly everybody has a touch of it. One simply has the blues, another has those mean sick headaches yet another is suffering from "nerves," while hundreds and thousands are troubled with pains in the chest and abdomen, gas on the stomach and the dozen other accompaniments of the great dispeller of happiness.

And within easy reach of all those is a speedy relief and permanent cure—Dodd's Dyspepsia Tablets. They digest the food themselves—that is the secret of their success. The proof is in letters like this: "I believe Dodd's Dyspepsia Tablets have made a sound cure of me after taking four boxes, after being seven years almost a dying woman. Now thank God, I am able to do my daily work as usual. I cannot praise Dodd's Dyspepsia Tablets too much for they have brought me almost from death to life."

Yours respectfully, "MRS. JASSIA LOUISA SELLERS, Western Bay, Newfoundland."
