A good day's work at lobstering say the Halifax Herald was made last week by Harvey and Hadwin Nickerson of Clark's Harbor, fishing from Flat Island. The current number of Collier's is worthy of special remark. It is chiefly devoted to portraying the San Francisco disaster, pictorially and by vivid word description, and succeeds in giving one the best insight into the details of that awful calamity than anything yet come to hand. To all who desire to thoroughly understand the disaster which has overtaken the Golden City Collier's is recommended.

THE Minto had rather an adventurous voyage while on her way to Pictou yesterday. The weather was very thick, and the straits filled with fog. She reached Pictou at 3:30, and left on return for Charlottetown at 5:30. She arrived here at 8:30 last night.

REBUILDING OF SAN FRANCISCO

SAN FRANCISCO, May 5—The U. S. mint, which is now being used as the general clearing house for the banks, has paid out between seven and eight million dollars to depositors since it opened Tuesday last.

This offer is a strong indication of the strength of down-town realty values and the confidence of the early rehabilitation of San Francisco.

We are selling best quality family flour, rolled oats, cornmeal, bran, shorts, cracked feed, oil cake and flax seed at lowest prices, whole-sale and retail. Call or write us for quotations.—A. Horne & Company. 5dtzwtw3j

Piles

Don't Suffer Longer, You Can Have Instant Relief and a Lasting Cure by Using Pyramid Pile Cure.

A Trial Package Mailed Free to All.

The rectum, like the mouth, is lined with that soft, satiny material known as mucous membrane. Piles is a disease of that membrane and the blood vessels that lie under it.

Fissure and Fistula affect the same membrane and belong to the same family. Pyramid Pile Cure slipped into the bowel, melt and spread their surface and act just as a salve would if the trouble was on the outside of the body and could be easily seen and gotten at.

The immediate relief they give even in the "most agonizing cases will startle you, as it has already startled many thousands of "doubting Thomases" before you, who have tried everything and sent for the sample package, firmly convinced that they would gain be disappointed.

But they weren't. Pyramid Pile Cure don't disappoint. They cure. They are for sale at all druggists at 30 cents a box and are worth an even hundred to the person who needs them.

Mr. John Byrne of 2300 2nd Ave., New York City, writing under date of Jan. 17th, 1906, says: "I received the sample and used it right away. I got a much relief from it after 20 years' suffering. I bought a 50 cent box of the almost unbearable pain is almost gone and my fistula has almost disappeared. I had given up all hope of ever being cured. I assure you, gentlemen, I will use every effort to make any of my friends try them, as I can guarantee they are a sure cure."

Or if you want to prove this matter at our expense, before purchasing, send your name and address to the PYRAMID DRUG CO., 607 Pyramid Building, Marshall, Michigan, and receive a trial package free by return mail.
