Dock Community Club

One of the most active groups of adults interested in community projects the Dock Community Club which was organized about the year 1929 with Mrs. Allan Matthews as its first president.

It has a membership of 20 members who meet for a meeting the second Thursday of each month. The annual meeting was held on Feb. 16, 1949, at the home of the president, Mrs. Lloyd Wilkie and a new slate of officers was elected for the ensuing year.

President—Mrs. Lloyd Wilkie (re-elected). Vice-president—Mrs. John Oliver. Secretary-Treasurer—Miss Margaret Forsythe.

School Committee—Mrs. John Oliver and Mrs. Edgar Williams. This committee also functions as the sick and visiting committee.

The club which embraces the territory of Union School District has accomplished some very worthwhile projects since its formation 20 years ago. One of the most notable of these was their participation in the Rural Beautification School Contest and in 1947 their school won fourth place.

Another worthwhile and much needed improvement to the school by the club was the installation of a pump and sink, which has proved a most valuable asset as hot lunches are served each day to the pupils who remain at noon.

While the major efforts of the club have been directed towards the improvement of their school, it has also taken an active part in many other community enterprises. Each Christmas the club has remembered the "shut-ins" in a substantial manner, and this gracious act has been highly appreciated by the recipients of such kindness. Also during the last World War the club contributed generously of its time and resources in helping to comfort and brighten the lot of our brave boys who were serving their country overseas.

The club at present is still making up "boxes" for overseas and contributing materially to the United Emergency Fund for Britain. Just the past Christmas a large well-stocked box was sent overseas. The club's aims are to render community service, of any nature, that is deemed necessary. And the progress that has been made over the years is a record of which they can justly feel proud.—D.
