Tryon and Vicinity

Mr. James Murphy, of Sea View, P. E. I., School Inspector for Prince County, visited the school in Augustine Cove on Tuesday of last week and Tryon Consolidated School on Wednesday.

Miss Margaret Rogerson, of Tryon, spent a few days recently, the guest of Mr. and Mrs. Stirling McKay, of Albany.

Miss Bertha Lord, of North Tryon, is at present visiting in Margate, the guest of Rev. G. and Mrs. Somers.

Messrs. James Arbing and Jack Gillis, of North Tryon, were visitors to Borden on Sunday last.

The "Utopian" Society of the Tryon United Church gave a Halloween party in the vestry on last Thursday evening. Games and contests whiled away an enjoyable evening, even though the electric lights went out at the beginning of the evening and the Young People were forced to scour the country for lamps and gas lanterns to have a little light on the subject, as they expressed it. Apples and delicious home-made candy were than served, after which a thoroughly satisfied group returned to their several homes.

The Ladies of the Tryon Baptist Church held a goose supper in the Baptist Hall on Tuesday, November 4th. The tables which were spread with everything one could wish for, were well patronized, proving that those in attendance knew good "stuff" when they got it. The proceeds were well over \$100 and if Shakespeare had been present he would no doubt have said "Not so worser."

The funeral of Mr. William Waddell of Mount Tryon, which took place on Tuesday afternoon, Nov. 4th, was very largely attended by his many relatives and friends. The sympathy of the community is extended to his sorrowing wife and family.

Mr. Donald Bell, of Tryon, is spending a few days in Cape Traverse, the guest of her son, Dr. E. A. Bell.

There is great activity in Victoria these days. One large size Norwegian freighter loaded with potatoes plans going out Thursday morning, while two more freighters are laying in anchor in the Basin awaiting a chance to come in for potatoes also.

THE GOLDEN FUTURE

of
Prince Edward Island

A SPLENDID ILLUSTRATED SOUVENIR

Suitable for ready reference in the office or home, or for mailing to friends abroad.

WHAT SIR HENRY THORNTON SAYS:
"I am very much obliged to you for the advance copies of the SOUVENIR EDITION. I congratulate you upon the excellence of the production which is really well done and full of interesting articles dealing with the Garden of the Gulf."

THE HALIFAX HERALD SAYS:
"With the compliments of The Charlottetown Guardian, we have received a brochure entitled 'The Golden Future,' setting forth the attractiveness of Prince Edward Island. The spirit of optimism which characterizes this publicity publication is particularly commendable, and the fact that one of the provinces of Canada, in the face of a world-wide depression, is singing a song of faith and confidence, is a good indication that this Dominion has yet many things for which to be thankful."
"Prince Edward Island, pre-eminently a farming district, has led the way in many branches of progressive farming, and also in co-operative marketing. The people are, on the whole, exceptionally contented. They invite the rest of the world to share their happiness with them. And the initiative of the Charlottetown Guardian in the publication of this strikingly illustrated little booklet is commendable."

NAME

ADDRESS

IN MEMORIAM

MRS. LAUCHLIN B. McMILLAN

The death took place on September 18, 1930, at Bellevue, at the early age of 24 years, of Isabel, wife of Lauchlin B. McMILLAN, of Wood Islands, and daughter of Mr. and Mrs. Archibald Matheson. Mrs. McMILLAN, who was ill for a long time seemed to be improving quite satisfactorily until in April of this year it was found necessary that she undergo an operation. She was removed from her home to the Prince Edward Island Hospital, where she was successfully operated upon but in her weakened condition the severity of the operation was more than her constitution could withstand and she failed to rally afterwards. From the hospital she was taken to her father's residence in Bellevue where she died.

The deceased before her marriage was a school teacher and successfully taught at Bellevue and Wood Islands West. The respect in which she was held was clearly evidenced by the large number of people from both places and surrounding districts who attended the funeral services, which were conducted by her pastor, Rev. D. M. Sinclair, of Valleyfield of which church she was a member for several years.

She leaves to mourn her loss a sorrowing husband, one daughter, father, mother, four brothers and two sisters.

MR. H. MONT JONES

ST. JOHN, Nov. 6.—H. Mont Jones, prominent dealer in furs of this city, died here today following an illness of about six months. He was a native of Sherbrooke, P.Q., and at one time lived in Amherst, N.S., coming to St. John more than twenty years ago. He was an active member of the St. John Rotary Club, being a past president, a member of the Masonic fraternity and also was an amateur gardener of note. He is survived by his wife, two daughters and one son.

(Mrs. Jones, nee Miss Marlon MacNutt, formerly of Malpeque, P.E.I., is a sister of Mr. Leslie MacNutt of that place and of Mrs. Ramsay, wife of Dr. E. H. Ramsay, of Charlottetown. Mrs. Ramsay left for St. John yesterday afternoon.)

O'LEARY AND VICINITY

A meeting was held in O'Leary school on Oct. 30th for the purpose of organizing the Teachers' Study Group. The meeting was called to order by Mr. Brewer Auld, Inspector of Schools and the following officers were appointed:—President, Mr. H. Lloyd Henderson, Principal of O'Leary School; Secretary, Mr. Nesry Shelton, Vice-principal of O'Leary. Others present included Miss Ina Phillips, teacher of Knutsford School, Miss Olive Adams, teacher of the Primary Department of Knutsford, Miss Mae Horne, O'Leary, Primary teacher, and Mr. Willard Caseley of University. At the first meeting plans will be discussed re a program for the following day, also discussion of the various subjects taken up at a recent meeting in Charlottetown of the Prince Edward Island Teachers' Federation, which was attended by Mr. Henderson on Oct. 30th. These include a request from the Canadian Teachers' Federation for a salary survey, the appointment of a Committee to approach the government re its attitude as to salaries, and the Board of Education re the formation of a code of ethics, a request for a Prince Edward Island exhibit for the World Federation.

His many friends regret that Mr. John Jelley, who has for some time been seriously ill, has not yet recovered his usual health and strength. His son Avarid Jelley and the latter's wife, who have been spending a visit with Mr. Jelley's parents, have now returned to their home in Buctouche. On Saturday night Mrs. Thos. Woodbridge (Lillian Jelley) arrived home from Boston, Mass., to spend some time with her parents. Mr. Jelley has many personal friends as well as many business acquaintances who extend to him their deepest sympathy in his severe illness.

Congratulations are extended to Mr. and Mrs. Clayton Bernard on the arrival of a new baby boy on October 31st.

Mr. Archie Campbell motored to Summerside on Saturday last accompanied by Mrs. Wm. Campbell and her daughter, Miss Mary, also Mrs. Benj. Morehead of O'Leary.

Mrs. Chester Easter accompanied by her son, George and the latter's little boy arrived home from Boston, Mass. It will be remembered that some time ago Mrs. Easter was summoned by telegraph to Boston where her son was critically ill. His many friends are glad to note that he has made such a good recovery and stood the trip home very well indeed under the circumstances.

Mrs. Lona Dennis spending a holiday with friends in Vernon River and vicinity.

Mr. Peter Pate of Brookline, Mass., spent the week-end with his mother, Mrs. P. N. Pate. Mr. Pate had been called to Nova Scotia on business and took advantage of his opportunity to spend a few days at his old home here.

Dr. and Mrs. Martin of Mt. Stewart motored on Sunday to O'Leary and spent the day with relatives here. On their return they were accompanied by Mrs. Martin's mother and sister, Mrs. Jas. Inglis and Mrs. Spencer, Lanford, who has been spending a holiday with her parents in O'Leary.

His friends regret that Mr. Archie McNevin of Brae, is ill. His daughter, Mrs. Ernest McGowan, of Brookline, Mass., is expected home shortly. His many friends wish him a good recovery.

Halloween passed off with the usual round of pranks but no serious damage was done. The school children under supervision of Mr. Lloyd Henderson, gathered at the home of Mr. and Mrs. Preston Thompson where games were played. One trick was played in connection with this celebration but whether it was a good one or a bad one depends entirely on the point of view from which one looks at the matter. It seems that the ladies of the village had promised some delicacies for refreshments for the children's celebration and these were to be called for on Halloween night. Some of the older lads get wind of the arrangement and when the younger children called they found that those lads had been ahead of them and had collected the cream of the feast, and had a little celebration of their own.

Among those from this vicinity who attended the Royal Orange Supper in Emsdale on Monday night were Messrs. Benjamin Morehead and William, Archie, John and Charles Campbell.

Mr. Artemus Matthews of Emsdale spent the week-end with relatives in O'Leary and Mount Royal.

Mr. Jas. Inglis has been spending a few days in Summerside.

Mr. and Mrs. G. M. Matthews were visitors to Summerside on Saturday last.

THE WILD WINDS ARE BLOWING

The wild winds are blowing o'er mountain and plain
And the leaves of the forest are falling again;
The fragrant flowers, with their beauty have fled—
All Nature's fair children are withered and dead.

The warm breath of Summer, no longer we feel,
The breeze of winter, soon o'er us shall steal;
For the birds in the bowers, no longer we hear
At the peep of the dawn, ere daylight breaks clear.

The valley is silent, where lowing herd feed—
Save the voice of the wind, as forward he sped!
And tell with delight the last fragile bloom;
And face it away with others to doom.

How quickly they're passing, like one feeling breath!
From the blossoms of health to the paleness of death:
Father Time, he is calling, each one in his day,
Calling us forth to return unto clay.

The wild winds are blowing, o'er mountain and plain
Proclaiming that winter is coming again.
Soon snow mounds will cover their forms from our sight,
And hide them away in its silence so white.

EX-KAISER SENDS \$5 AND SYMPATHY

BERLIN, Germany, Nov. 7.—Many words and little money has been the gift of former Emperor William II to his destitute relatives who were victims of the horrible mine catastrophe at Alsdorf. The former kaiser was personally involved in the tragedy, as one of his godsons, William Plum, the seventh child of a poor miner, was killed in the mine blast.

In the face of generous contributions from all over Germany—even the poor helped as much as they could—the former emperor, still one of Germany's richest men, saw it also fit to help his godson's family with a munificent gift to the amount of \$5.

To the burgomaster of Alsdorf he sent a bombastic letter of condolence without a single cent.
