SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens So Naturally that Nobody can Tell

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

LEMON JUICE WHITENS SKIN

Girls! Make beauty lotion at home for few cents

Squeeze the Juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle unburn and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and an ounce store or toilet counter will supply three ounces of Orchard White for few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and supple the skin becomes. Yes! It is a miracle.

MR. HAROLD P. GORDON is the Georgetown Guardian representative

BRIDGETOWN NOTES. — On Clay's Road there is a bridge which is a great danger to the traveling public especially on a dark night. On one side it has no railing and under it is a rocky bottom about 15 feet deep. As Mr. Daniel Campbell, of Upton, was returning home a dark night last week with two horses in a truck wagon, one horse stopped near the edge and went over and hung by the collar and almost took over the other horse and wagon with Mr. Campbell sitting on the wagon. Had that happened both horse and man would certainly have been killed. Mr. Campbell's calls for help brought a number of persons to the rescue. A block and tackle was also secured and the horse was raised up but not until the poor brute was almost dead and is of no further use except for fox meat. The loss to Mr. Campbell is a serious one as he had but the two horses to do his farm work.

KILLED IN ACTION

Mr. Joseph B. Arsenault, 93, Elm Avenue, yesterday received a telegram conveying the sad news that his son, Pte. George Arsenault had been killed in action on Oct. 22nd. Pte. Arsenault was only 21 years of age and left here early in the spring. He crossed from England to France in August last. Besides his sorrowing parents there are left to mourn two brothers and two sisters.

The news coming after the war has ceased seems especially sad, and much sympathy is felt for the bereaved family.

Wallace Christopher McLeod was born on May 16th 1895 was killed Aug. 30th 1918.

He enlisted in the 105th Regiment on March 15th, 1916, a week later began to train in Charlottetown.

He left Charlottetown for Valcartier on the 13th of June, a month later he sailed for England.

On Nov. 29th same year he was drafted for France and was transferred to the 13th Battalion.

He entered the trenches on Jan. 2nd 1917 there he remained off and on in action till he met his death on above mentioned date.

Wallace was the older son of the late John H. McLeod, Lyndale and was manager of the farm. This he surrendered to enlist in the cause of humanity. His step-mother, a brother and sister survive him.

The following letter from the chaplain of his Battalion to his folks will give a clue to his character.

Mrs. Flora McLeod
Dear Madam:

You will doubtless have official notification of the death in action with his Battalion on Aug. 30th of your son 713088 W. C. McLeod. He was killed by the bursting of a German shell while waiting in trench for the advance. He died bravely and could not have done better than serve as he has done. He was a member of the Bible class we conducted here when appointment offered, and I am sure lived a clean true christian life. I wish to assure you of the regret of all ranks in the loss of a good soldier

TRIUMPHAL RECEPTION

Paris, Nov. 16.—Allied forces are expected to enter Bucharest on Sunday, according to Jassy advices to L'Information. A triumphal reception has been prepared for them, it is said. The allies crossed the Danube on Nov. 9, and easily overcame such resistance as was offered by German forces there.

British troops have entered Constantza, a Rumanian seaport on the Black sea, sixty miles south-west of the Delta of the Danube. There was great enthusiasm among the people when the British arrived. General Berthelot, who commanded the French armies fighting around Rheims and later in the advance across the Aisne is now in Rumania.

Do More with your Shoe Dollars

EVERY shoe-dollar that is spent for real service-value helps to keep prices down and to conserve our precious supply of leather. Every dollar spent merely for show helps to send prices still higher and to make leather harder to get.

It is a small matter to the individual, but in the aggregate it is important. Happiness does not depend upon fancy tops to your shoes. It is no hardship to buy for service rather than merely for "looks," and you get better value for your money. Every pair of shoes bought on this basis helps to solve the nation's big shoe problem.

Look for the manufacturer's trade-mark on the shoes you buy. It is your safest guide in securing neat and attractive shoes for service and economy.

Soldiers' parcels should leave here within the next week, for delivery at the Front by Christmas.

That means that there must be no delay in purchasing the gifts. Have you decided WHAT you will send?

Consider this! The Canadians are still on the move. In any event, it will be months before they are all home. Meanwhile many a soldier leaves behind and loses part of his belongings.

A great many soldiers are anxiously hoping that the folks at home will send them a Gillette Razor or Blades for Christmas. You cannot do better than decide to send a

There need be no fear of duplication, for if a soldier has not lost the Gillette you gave him before, the Gillette set you send him now will be in great demand by less fortunate pals, and he can readily convert it into cash.

Much as the soldier appreciates the food and clothing you send him—and the smokes—if he hasn't a Gillette, he lacks what he NEEDS most, for clean shaving is the rigid rule in the army.
