Remembrance Day Service Held At Miscouche

A very impressive Remembrance Day service was held in St. John the Baptist Church, Miscouche at 3 p.m. on Sunday, November 11th. Members of Summerside Branch Canadian Legion accompanied by the S Y C I bugle band joined ex-service men from Miscouche and district in a parade to the church where the service took the following order:

Military March, Una Gallant.
Chorus, "The Empire is our Country.
Flag Salute, The School.
Last Post.
Two Minutes Silence.
Reading.
Reveille.
Address, Rev. Dr. Martin Monaghan, pastor.
Reading, "Pasteur, Human Benefactor" by Louise Gallant.
Chorus, Song of Peace.
Reading, "Dominion" by Marion Gallant
Remarks, Dr J A McPhee, president, Summerside branch, Canadian Legion

A vote of thanks was then tendered the Summerside members of the Legion by M. Campbell, seconded by C. Gallant, supported by A. Arsenault and tendered by Desmond McNeil. The program concluded with "the King". All parts in the program were taken by pupils from the convent school and many favourable comments were made as to the very competent manner that they carried out their duties.—S.

EDMONTON, Nov. 13 — (CP) — A group of 10 Canadian children, taken prisoner by the Japanese when Shantung province and the China inland mission school they were attending at Chefoo, was overrun late in 1941, arrived here last night. Accompanying the children was their teacher, Miss Pearl Young of Pictou, N.S.

Superb Violin Concert Heard At P. W. C. Hall

Miss Carroll Glenn, charming young South Carolinian concert violinist, delighted a large audience in Prince of Wales College hall last night with a brilliant performance of classical and modern music which will rank among the finest heard here under the auspices of the Community Concert Association.

Miss Glenn's tone is exceptionally rich and full, and her command of technique and faultless intonation were shown in many exacting selections. She was ably assisted at the piano by Mr. Joseph Wolman.

For her opening numbers Miss Glenn played three gems from the immortals: "Praeludium" from Partita No. 3 in E Major by J. S. Bach; Dance of the Spirits, from Gluck's "Orpheus and Eurydice"; and a delightful Rondo from the Haffner Serenade by Mozart. The two latter compositions were transcribed for violin by Fritz Kreisler. All were perfect in their way but the Mozart piece with its exquisite melodic lines was particularly effective.

A complete performance followed of Concerto No. 4 in D Minor

MISS CARROLL GLENN

by Henri Vieuxtemps, Belgian violinist and composer of the last century. This work is one of a set of six concerti, and has four movements with a solo part which is exceptionally varied and impressive. It opens with a fiery recitative, and abounds in formidable passages as well as in pleasing themes and fine musical ideas. Of note particularly was Miss Glenn's brilliant playing of the schertzo forming the third movement.

Russian Music

Contrasting examples of the Russian school at the time of the Czars and under Soviet regime were given in the two following numbers. These were "Melodie" by Tschaikowsky, and "Improvisation" by Kabalewsky, one of the most important of modern Russian composers whose popular Sonatina for piano has been edited by Mr. Wolman, Miss Glenn's accompanist.

George Gershwin, of "Rhapsody in Blue" fame, was represented on the program by three interesting Preludes, written in the period of the Rhapsody and possessing Gershwin's characteristic rhythmic effects and exciting harmonies. Two other short pieces in modern American style were given: "Buncombe County, North Carolina", by Ernst Bacon, and "Jim Jives", from the jazz suite "Hexapoda" by Robert Russell Bennett.

These were followed by a brilliant display piece, "Hejre Kati" by the 19th century composer Hubay. It consisted of three Hungarian airs interwoven, the third being a melody in the form of a wild dance of the Czardas. The performance of this part was one of the high spots of the evening.

Miss Glenn was generous in responding to encores, and in selecting such old favorites as Brahms' "Waltz in A Flat," Dvorak's "Slavonic Dance", Kreisler's "Caprice", Rimsky-Korsakov's "Dance of the Bumble Bee," and Schubert's "Ave Maria" of which she gave a very lovely interpretation.

The concert was under the patronage of Lieutenant Governor J. A. Bernard and Mrs. Bernard, and Premier J. Walter Jones and Mrs. Jones.

A native of Chester, South Carolina, Miss Glenn at eleven years of age was the youngest pupil ever to be accepted at the Julliard School of Music in New York City. Her first appearance as a soloist was with the Chicago Symphony Orchestra, and since then she has been acclaimed outstanding woman violinist of the day.

Her magnificently resonant violin is an old and valuable Geronimo, similar in make and period to the instrument used by Heifetz in his concert performances.

Discusses Problem Of Education

Mrs. Robert Lee Moffett

Mrs. Robert Lee Moffett has for many years directed a School of Progressive Education in Chicago, has lectured in many colleges, schools, churches, clubs, and has broadcasted over radio stations from coast to coast. It was her privilege to witness the signing of the United Nations Charter as an Observer for Washington University, the story of which she told over CFCY last Sunday afternoon.

Mrs. Moffett stated that "educaiton is the instruction of the mind and the soul for the purpose of increasing knowledge and capacity." She agrees with Emerson who said, "Most things taught in colleges and schools are not education but the means of gaining education." She said that "the problem of education is how to turn failure into success, to fit one's task to the need, to assume responsibility and to develop constructive attitudes and habits and character values. Furthermore, Mrs. Moffett stated, "The present world conditions call for the best that each one can give in the way of intelligent interest looking toward the solution of the world's problems. The greater the number of informed citizens of the nations of the world the quicker and the less painful will be the necessary international adjustments."

Mrs. Moffett is conducting the second course of the Educational Seminar daily at the Queen Hotel.

"Thanks to you, Grandpa Kruschen . . ."

My Headaches Are Practically Gone"

From a letter written by a Mrs. Dunn we quote:—

"I would like everyone who suffers from headaches to try Kruschen. Before taking Kruschen, I had headaches almost every day. But since I have been taking it faithfully I have hardly had a headache, for which I am very thankful, as headaches can make one feel quite ill. For as long as I felt it was necessary, I have taken Kruschen each morning in a glass of warm water, before breakfast; and I feel so well."
—Mrs. A. E. Dunn.

The reason Kruschen often gives relief from common or bilious headache, is because this saline treatment helps your system rid itself of underlying causes. Kruschen aids elimination and supplies the body with minerals which may be deficient in the diet. Take Kruschen faithfully for a month. Give this well-known saline treatment a chance to help relieve constipation and biliousness and see what it does to the headache that usually goes with these complaints. Kruschen is 25c. and 75c. at all drug stores.

Gen. Crerar's Visit Here On Nov. 26

General H.D.G. Crerar, former leader of Canada's Army, will visit this province Monday, November 26, to meet men he once commanded.

Plans for his visit have been practically completed and call for his arrival by train Monday evening at which time he will be guest of honor at a dinner to be given by the Provincial Government at The Charlottetown. In the morning he will leave for Summerside where a reception will be held at noon in the Legion Home there followed by a luncheon tendered by the Town of Summerside.

Gen. Crerar will then return to Charlottetown for a reception at Government House to which all men who served in the Canadian Army with their wives, will be invited to meet him. A strong turnout of former servicemen is expected. After the reception General Crerar will drive through the city in an open car to the Marine Wharf where he will board a destroyer for Sydney, N.S.

Full deck poker with 52 cards was not played until about 1830; "draw" poked didn't come into existence until the Civil War..

In Memoriam

In memory of Chas. A. MacDougall, who departed this life November 14, 1941.

Remembrance is a golden chain,
Death trys to break but all in vain,
To have to love and then to part,
Is the greatest sorrow of ones heart
The years may wipe out many things
But this they wipe out never,
The memories of those happy days
When we were all together.

Lovingly Remembered by Wife and Family.
