

Life actually prolonged!

By keeping the system cleansed of poisons

MEN of science are constantly working on a problem vital to the human race—longevity! They find that one of the surest ways to increase your span of life is to keep the intestines cleansed of poisons due to wrong habits of living and eating and to delayed elimination. They find everybody in danger of this condition—everybody suffering from it at times.

poisons into the blood. Thus it acts as a preventive. Your whole system will benefit if you learn to use Nujol whenever you feel the need of it. Nujol is so safe that babies, old people, and sick people can take it too. Ask your doctor about it. He'll tell you it can't hurt you. It's not habit-forming, contains no drugs or medicine. Perfected by the Chemical Products Division of the Standard Oil Company of New Jersey.

Many of our foremost scientists recommend the use of Nujol as a harmless corrective and preventive. For Nujol does both things for you because it has the peculiar quality of not being absorbed by the system at all. But Nujol does absorb body poisons. Carries them away right out of the system. Corrects internal difficulties. If taken faithfully Nujol makes impossible delayed elimination and the absorption of

of the Standard Oil Company of New Jersey.

Nujol contains no drugs or medicine. It is different from anything else. Absolutely pure and safe to take under any conditions.

You can get Nujol at any drugist. The genuine product comes in the famous Nujol bottle with the label on the back that you can read right through the bottle. Don't delay—get a bottle at once.

The Public Forum P. E. I. Poultry Association Holds Special Meeting

Continued From Page 4

fulness that he is sorry he ever was born in any particular country? While it is true that many persons may have unpleasant recollections of their native land, yet is not the very centre of love and sacrifice around the native hearth? Are not the parents who bore him worthy of an undying devotion? Humble, though his home may have been, was not the great miracle of nativity performed there? Was it not there that the tender arms of love entwined him, and the sacred lips of mother crooned their lullaby, that soothed her new born babe? Who is so base, as to forget these memories of a bygone time? "If such there be, go mark him well." For him no minstrel raptures swell—But, doubly dying, shall go down, to the vile dust from whence he sprang—upwep, unhonored and unsung."

The economic issue is quite acute at present. Many are unemployed and in dire need. Among those are many Islanders. The winter has been very open; no cold weather nor snow. Ice skating in the open has been zero minus. No out-door winter sport at all so far. The Harvard teams are rowing on the Charles every day.

Politics are warming up considerably. Coolidge is out of the running for president next year. Hoover is the Republican choice of big business. A very reputable citizen and an honorable potential candidate, Al Smith is the popular hope of the N. E. Democrats. A very fine man, well qualified by political experience and executive ability. Handicapped, however, by religious affiliations and foreign obligations. Next year will be a big political year in the United States. City politics will be exciting.

A very material change is taking place in the educational field here. Science is being stressed more and more. The primary, junior and high schools are studying science in connection with nearly all their work.

The colleges are entirely within the grip of science. Even the church is having a terrible fight to keep it out of their sacred precincts. The supernatural and the superstitious tradition of the church are losing their hold on the thinking members of their congregations. People seem to seek a natural law for all phenomena and doctrines. Some, of course, still have the implicit faith of true believers.

All in all, my message to you is one of faith, hope and charity, based on common sense and reason, with malice toward none and charity for all.

I am, Sir, etc.,

PETER A. REILLY, 128, West Brookline St., Boston, Mass., Jan. 20, 1928.

HOCKEY AT BRACKLEY.

The Junior Tigers and the Winsloe Huskies got away to a fast game at the Black Mud Rink Monday afternoon for the opening game of the season. Both teams played with mid-season style. Roper for the Tigers was the "star," and scored the only two goals of the game. The score ended 2-0 for the Tigers. Following were the line-ups:

- | | |
|-------------|------------------|
| Goalie | E. Diamond |
| Defence | J. McKay |
| Forwards | W. Rodd |
| G. Roper | M. Horne |
| R. Sellick | N. Diamond |
| E. Bryenton | E. Rodd |

Notes.

Mr. Leighton Phillips referred the game to the satisfaction of all. "Skinny" Roper put up a brilliant brand of stick-handling. E. Diamond is a second "Dutchie." "Blum" McKay was like a stone-wall. "Runt" Duffett will be a professional some day. "Happy" Bryenton made his first appearance on the ice and was a great surprise to the fans. R. Sellick is a good man between the posts. "Spider" Good did good work in spite of a few tumbles.

Now Enjoys Eating, Thanks His Wife

"For years I suffered with stomach trouble. Then, my wife got me to take Adierka. Today I feel fine and eat what I like."—Wm. Opp. Adierka relieves stomach gas and sourness in TEN minutes. Acting on BOTH upper and lower bowel, it removes old waste matter you never thought was in your system. Let Adierka give your stomach and bowels a real cleansing and see how much better you will feel. It will surprise you!

A special meeting of the P. E. I. Poultry Association was held in the Agricultural Hall, Charlottetown, on Jan. 11, 1928, and as all the business was not completed, a further meeting was held on Jan. 18th.

The main business of the meeting was the revision of the prize list. A few changes were made and an addition of a class known as the "Junior Competition." This class is open to boys and girls of Prince Edward Island, of sixteen years and under, and will embrace a variety of poultry recognized by the American Standard of Perfection.

We feel that this is a step in the right direction, and any boy or girl who has been showing in the school fairs, but that is up to parents to see that their children are given a start by allowing them to take charge of a few pure bred fowl, and if they have not the stock to show this year, they will be well able to make a start in a strain of pure bred fowl and compete in the future shows.

Silver cups donated in this class will be won outright each year. It was moved that a pair of rabbits shall consist of one female and one male, and a cup has been placed for competition open to those who have paid their \$1.00 and become members of the P. E. I. Poultry Association.

As the market at the present time gives the preference to white fleshed poultry, the judging of dressed poultry shall conform to such regulations, providing the quality of the dressed fowl, are equal in other respects.

The placing of new silver cups in competition for the first time gives the competitors in Prince and King's Counties, not only a chance to win other cups and specials awarded, but special cups donated by the Royal Bank and Provincial Bank are open to these counties only for the best breeding pen exhibited by these counties.

Many other special prizes other than silver cups have been donated by the business men of Charlottetown, and will be awarded to classes where we feel they would be to the best advantage to the poultry industry in Prince Edward Island. The prize list will be available in a few days, and though we have a large mailing list, it is advisable to send in for one as we feel that all those interested in pure bred poultry should avail themselves of this opportunity of not only being able to enter competition, but in advertising their stock to the poultrymen of the province.

The Association's desire is that the poultrymen of this province will turn out and make a showing of pure bred stock worthy of a Prince Edward Island exhibit.

In Memoriam

NORBERT POIRIER

A wide circle of friends and relatives will regret to learn of the death of Mr. Norbert Poirier, which took place at St. Louis, on Jan. 18, after twelve months illness at the age of 78 years. Deceased was an experienced farmer at St. Louis and farmed until two years ago when his health failed. He then went to live with his son Peter, where he died. The late Mr. Poirier was married to Miss Catherine Gallant who predeceased him three years ago. Before his death he had donated to the Palmer Road Church a bell weighing over a ton which had arrived only a few days before his death, which will be a grand souvenir of him. He was frequently visited by the pastors Rev. J. Johnson and Rev. P. C. Gaudet. His remains were laid to rest in Palmer Road Cemetery. Rev. Johnson officiating. He leaves to mourn one son Peter N. Sister Melanie in Montreal, six grandchildren and one great grandchild. The pall bearers were: Messrs. John R. Poirier, Fidele Gaudet, Joseph Poirier, Caliste Mallet, Sylvain Bernard and Romain Poirier. May his soul rest in peace.

SISTER MARY ROSENA MCINNIS

On the morning of Jan. 9th, 1928, St. Ann's community, Victoria, B. C., was called upon to surrender one of its young and promising members in the person of Sister Mary Rosena McInnis, who died at St. Joseph's Hospital, at the early age of 36 years, after a long and lingering illness which was borne with christian patience and resignation, she passed peacefully away on the above date.

She was the youngest daughter of the late Angus and Mrs. McInnis, of Southport, and left here fourteen years ago with several other young ladies, who also received the Holy Habit.

Always of a deeply religious mind, coupled with sweetness and firmness of character and remarkable executive ability, made her a most successful teacher for young children, till owing to ill-health she was forced to give it up.

She was attending in her illness by her own sister Maude, Sister Mary Cassida on the nursing staff of St. Joseph's Hospital.

Left to mourn are six sisters and two brothers, namely: Hugh L. Desnoines, Iowa; William A., Boston; Mrs. Ralph Gaudet, City, at present in Boston; Mrs. John Mastus, Mrs. Thomas McDonald, Boston; Mrs. Michael Brennick, Somerville, Mass., and Mrs. Owen McGarry, Southport. (May her soul rest in peace.) (Patriot Please Copy.)

GLEN VALLEY SCHOOL EXAMINATION

On Thursday afternoon, December twenty-second, about thirty-five visitors assembled in Glen Valley School to enjoy the semi-annual examination and entertainment. The school room was very appropriately and artistically decorated with evergreen, Christmas bells and streamers.

Steel ships are built by men's muscles 531 shipyard men say they relieve muscle lameness this way

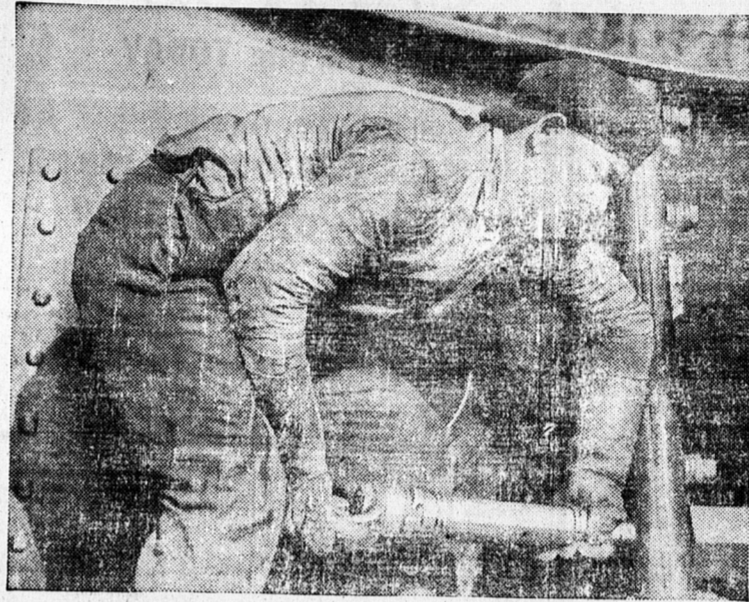

IT'S A REAL man's job—the work of the men on the ways in the big shipyards. It takes all the strength—the skill—the courage a man's got.

Big wages—adventure—the spice of danger! Yes, and stiff backs—occasional wrenches, sprains, bruises—and rheumatism when you've been riding the girders or running the big traveling cranes out in a drizzling rain all day.

How do men who do this heavy work relieve the effects of strain and exposure? How do they treat the occasional minor injuries that are bound to occur?

We went out and made a canvass of the hardy men who work at this heavy and exacting labor, and put all these questions straight up to them.

531 that we asked told us, "We use Sloan's."

Shipyard men say they use Sloan's to relieve strains, colds, rheumatism

SLOAN'S

MADE IN CANADA

Endorsed universally by those who do the world's hard work

The pupils who were thoroughly examined in the different subjects by their teacher, Miss Mary Stevenson, assisted by Miss Grace Ackland, acquitted themselves very creditably.

Mr. Simon Blondon acted as chairman, while the following interesting and well-prepared program was rendered:

- Recitation—Welcome—Florence MacKenzie; Chorus—A Christmas Tree—School; Recitation—Fair Warning To Santa—John A. Blondon; Recitation—All He Wanted—Irwin Blondon; Recitation—Crippled Dolly—Frances MacDowell; Drill—A Plea—Cyrus Martin; Irwin and Myrtle Blondon; Recitation—A Timely Pointer—Kenneth MacDowell; Drill—Christmas Acrostic—School; Recitation—The New Duckling—Cyrus Martin; Monologue—Learning To Sew—Phoebe Blondon; Recitation—When Santa Claus Comes—Myrtle Blondon; Dialogue—The Day After Christmas—Allan MacDowell, Marion and John A. Blondon; Recitation—To Santa—Ada MacKenzie; Recitation—The Lookout Man—Marion Blondon; Chorus—Christmas Bells—Five Girls.

At the conclusion of the program the chairman complimented the teacher and pupils upon the success of the examination and program.

The beautifully decorated Christmas tree was unloaded by the teacher. Each pupil was presented with a pretty gift from the teacher and a generous supply of candy from the Women's Institute. Among the teacher's presents was a beautiful box of stationery from the pupils.

The entertainment was brought to a close by singing the National Anthem.

MOUNT STEWART NOTES

Mr. Alexander F. McDonald has bushed the eastern part of the river ice and the work is creditable, a better job not having been done for years past.

Miss M. J. Taylor who has been spending some time in Preetoway and vicinity returned to her home Saturday evening.

Mr. Adolphus McInnis, who has been spending some time with Mr. and Mrs. John A. McAuley returned to Charlottetown.

Despite the severe cold weather we are at present having, a number of the smelt fishermen who did not fish during the neap tides, are now going to try their luck on the spring tides, the moon being new the 22nd.

THE GABBS

SUFFERIN' HOPTOADS—HERE COMES STELLA WHUM-GOSH, HOW I HATE CHATTERBOX THIS SIDE OF—

GERTIE GABBI—YOU'RE JUST THE PERSON I'M LOOKING FOR—I WANT TO ASK YOU ABOUT THIS DRESS—I JUST BOUGHT IT YESTERDAY—HOW DO YOU LIKE IT?

MY HUSBAND THINKS IT'S TOO SHORT—HUSBANDS ARE SO FUNNY—JOHN'S AN AWFUL OLD PRUDE—YOU KNOW—HE SAYS IT SHOWS MY KNEES TOO MUCH—ESPECIALLY WHEN I SIT DOWN—

IF HER SKIRT WAS AS LONG AS HER TONGUE SHE WOULDN'T BE SHOWING HER KNEES OR EVEN HER ANKLES!

Mr. A. Clark has just finished mending a bag net for Messrs. Alex McKenzie and Elmer McDonald. Scotchfort, which was so badly torn that the owners had doubts of its being worth mending. The veil or tunnel, being torn from the ropes surrounding the mouth as was also the body of the net except one side, and was also torn the extreme length and across the hump, about 30 feet.

Business rushing in the potato line at Douglas Station these days. Five carloads being shipped in one day.

On Monday last Mr. Fred Leard put a 60 watt, 110 volt bulb in new street lamp at the Georgetown R. R. crossing which is a great benefit at this dangerous place, and on Tuesday Mr. Leard left for Cape Traverse to set up an electric plant there.

A very spirited and interesting debate was held at Mechanics Building last week. The topic being: Resolved that whale oil and tallow candles were more beneficial than electricity. Many arguments were strongly put forth on the pro side, a number of speakers claiming that the costs of electricity were extortionable, backing their argument by the Good Book. "Freely ye have received, freely give." Also that the wiring of houses for light was unnecessary, as in a short time the light would be broadcast the same as the radio of sound at present requiring no wiring. This series of debates will be carried on through the winter months, and undoubtedly, shall prove interesting and instructive. McKenzie and Elmer McDonald, Scotchfort, which was so badly torn that the owners had doubts of its being worth mending. The veil or tunnel, being torn from the ropes surrounding the mouth as was also the body of the net except one side, and was also torn the extreme length and across the hump, about 30 feet.

CONCERT AT BRACKLEY.

A very successful Christmas Tree and concert was held in Brackley church, December 29, 1927. Rev. Mr. Boothroy, in a very capable manner, acted as chairman, and the following program was rendered:

- Chorus by girls, Hail the Day; Close by the singing of the National Anthem.
- Santa Claus' boy acted instead of his dad, and stripped the tree, presenting each child with a gift and a bag of candy. Mrs. Edward Sellick, the organist, was presented with a dozen stainless knives, and Miss Fanny Sellick, organist of the Sunday school, with a beautiful scarf.

The entertainment was brought to a close by the singing of the National Anthem.

Gleaming White Clothes

— quickly, surely!

WHAT a delight, what a work saver, to watch the rich, pearly suds of Pearl White Naptha Soap dissolve away every trace of dirt.

Giving you the extra cleansing-power of naptha blended with a fine, free-lathering white laundry soap—a perfect combination for quick, thorough and safe cleansing—no wonder women who try it once use Pearl Soap year after year on washday and for every day cleaning.
