GRAIN

CHICAGO, Sept. 8—(AP)—After yielding more price ground under the pressure of profit-taking, the wheat market snapped back Saturday to close 1-8 off to 3-8 higher compared with Friday's finish. Buying to even up accounts as protection against any unusual developments over the weekend and some purchasing attributed to consuming interests helped the rally after prices had dipped as much as 1-4-5-8 cent in early dealings, extending the setback from the two months peak which began Friday, about a cent below the Thursday peak but almost nine cents above the 1940 low reached August 16, a margin of gain in three weeks that encouraged the tendency to accept profits. December wheat closed at 76 7-8-77.

Corn finished 1-4 off to 1-2 higher, September 63-62 7-8, December 57 1-4; Oats 1-8-1-4 higher; soybeans 7-8-1 1-4 higher; rye 1-8-3-8 up and lard 2-5 higher.

WINNIPEG, Sept. 7—(CP)—Reports from New York today said two cargoes of Canadian wheat had been sold for export, one of high grade northern to the United Kingdom and the other of durums to Portugal. The business was only partially confirmed on Winnipeg grain exchange and prices remained at fixed minimum levels of 73 5-8 cents for the October future and 74 5-8 cents for December.

TORONTO, Sept. 8—(CP)—The balance of price changes was slightly on the down side in the final session of the week on the Toronto exchange.

Turnover totalled 113,000 shares for the two-hour session.

Changes in the golds were limited to a few cents and gains of 1-2 and 3-4 respectively for Noranda and Hudson Bay were the chief adjustments in the base metal group. Smelters firmed 1-8 and Nickel closed unchanged. Small declines were noted by Bend Oreille, Ventures, Waite-Amulet, Sherritt and Steep Rock, Aldermac lost 2 1-2.

Preston, Teck Hughes, Bralorne, Central Patricia, Francoeur, Premier and Senator had narrow rallies at the end of the session. Minor rises were noted by McLeod, Cockshutt, Macassa, McKenzie, Per-

FINANCE

By Frederick Gardner
Associated Press Financial Writer

NEW YORK, Sept. 8—(AP)—The stock market Saturday finished another recovery week acting a bit tired.

The Associated Press average of 60 stocks ended off 1 of a point, but on the week held a net advance of 13 points at 449, its third successive weekly upturn. Today's closing figure represented a climb back from the year's low of 37 established last June 10. The 1940 top of 522 was posted Jan. 3.

Along with the day's indefinite price movements, dealings slackened to 224,010 shares against 352,000 last Saturday. The week's volume, though, despite the Labor Day recess, ran up to around 3,507,000 shares compared with 1,959,000 in the preceding six-day stretch.

On the side were Bethlehem Steel, Chrysler, General Motors, Glenn Martin, Sperry, Westinghouse, Eastman Kodak, Appleton, International Nickel and N. Y. Central.

Evening with modest advances were U.S. Steel, Goodyear, U. S.
