—A very pretty wedding took place at the home of Frank Mill, of Mill's Point, on the evening of Wednesday, the 4th inst., when Miss Helena Mill was united in marriage to William Walker of Kensington, in the presence of a goodly number of relatives and friends by the Rev. A. W. Watson. The bride was the recipient of a number of valuable presents, testifying to the esteem in which she is held by all who know her, the groom's present being a handsome gold watch and chain.

—The marriage took place in St. Mary's Church, Summerside yesterday morning of Miss Margaret McLellan, daughter of the late James McLellan, Grand River, Lot 14, to Ronald J. McDonald, a well-known farmer of St. Peter's Bay. Rev. J. C. McLean performed the ceremony. The bridesmaid was Miss McNeill and the groomsmen, Josephine McMillan, St. Peter's Bay. The groom's present to the bride was a valuable gold watch and fob. After the ceremony the happy couple left by the Empress on a trip through the principal Maritime cities.

—The sale of imported pure bred sheep in Summerside yesterday was well attended. Those present were farmers who were looking for the best and they were not disappointed. The sheep were a splendid lot and were very favorably commented on by all who saw them. The purchasers were J. M. Leard, Kiloan, Shropshire yearling \$27; Kinkora Farmer's Institute Shropshire yearling \$9; W. H. Moase, Kensington Leicester yearling \$13; W. H. Montgomery, Port Hill, Leicester lamb \$12; R. McWilliams, West Cape, Oxford yearling \$16. There were thirty sheep in the importation. Five were sold at Summerside, five at O'Leary and the remainder sent to Queen's and King's County. Those sold at O'Leary Saturday realized fairly good prices. S. 7-14mdrdrf.

Don't Blame Your Stomach

If you think you have a "bad stomach" because your food doesn't digest properly, you are generally wrong unless your stomach happens to be ulcerated, which is very rarely the case.

The stomach merely shows the weakness felt by all other organs of the body because your health is run down. If you would use Vinol, which adds iron to your blood, making it rich, red and strong, all parts of your body will be nourished better and gain new strength, the stomach benefitting at the same time, of course. Vinol also contains the curative properties of cod livers and is delicious to the taste. No matter how weak your stomach you can take Vinol. Try it and you will soon find that this wonderful strength-restoring tonic will banish your stomach troubles. Your money back if it doesn't.
