DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X E
I S L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation.

In loving memory of
E. H. DOUGLAS
 who died November 7th, 1947.
 Always Remembered by His Wife and Family.

IN MEMORIAM

In loving memory of my dear grandmother who passed away on November 3rd, 1947.

After each storm comes sunshine. After each darkness, light. After the winter's dreary cold Come blossoms fair and white.

Surely, it is God's wisdom That, after aching hearts There shall be life eternal Where loved ones never part.

Inserted by Her Granddaughter,
 Dorothy McKeenan

IN MEMORIAM

In fond and loving memory of my dear Father, Joseph Carr Sr., who passed away November 7th, 1944.

Memories are treasures no one can steal
 Death is a heartache no one can ease
 Some may forget you now that you're gone
 But we shall remember no matter how long.

Sadly Missed and Fondly Remembered by His Son Joseph Jr. and Adeline.

IN MEMORIAM

In loving memory of Upton L. Smith who passed away November 7th, 1946.

We can never forget his smiling face
 His carefree, happy ways
 His smile that won so many friends
 In those bygone happy days.

In that bright, eternal city
 Where no fears or dim the eye,
 In the home of many mansions
 We shall meet him by and by.
 Ever Remembered by Mom and Dad.
